### ABOUT \$5,000 SECURED

Which is Half of Town's Red Cross Apportionment.

The report of the campaigners for the Red Cross Fund in this city at the end of the third day (Friday) showed that something over five thousand dollars has been realized. This is the result of a house to house canvass as well as one through each of the larger corporations in town. The city's apportionment is \$10,000 and a big drive will be made today to secure the remaining amount.

This is not expected to be such a task as many of the larger sources of revenue in the city have not yet been approached. The team captained by R. B. Millett, which has done the soliciting in the American Thread company plant has the largest amount of pledges to date totaling about twelve hundred dollars.

The largest individual pledge thus received is one of \$250. The number of pledges received is about 1,500.

**Home Because of Mother's Illness.**  
Samuel Gaudreau of Springfield, Mass., and Joseph F. Gaudreau, the latter a member of the First Connecticut Infantry band, are in town because of the illness of their mother, who is in quarantine at St. Joseph's hospital today.

**Hospitality Day.**  
Today is Hospitality Day at the Red Cross rooms in the high school building and crowds are expected to witness the demonstrations of the work that is being done by the local chapter.

**Today's Game.**  
The game at Recreation Park this afternoon between the American Thread company nine and the Eagles of Hartford should be an interesting one. These two teams have had some interesting tussles in the past. Killourey and Anderson are to comprise the battery for the locals and McMill or Ross and Butler for the Capitol City team.

The South Windham and Lebanon baseball teams opened hostilities for the season at Oxbretuck Oval, South Windham, this afternoon. These two teams are closely matched. The Fishers brothers will comprise the battery for South Windham.

**Voted \$10 to Red Cross.**  
At a special meeting of the local lodge of the United Order of the Golden Cross held last evening the sum of ten dollars was voted to the Red Cross fund in this city.

**Four Take Examinations.**  
Four of the local physicians have taken the examinations required by the board of examiners of the United States Medical Reserve Corps. The number 187 and 144 have already taken the examinations.

**Birthday Party and Auto Ride.**  
A party was given Miss Hazel Jones Thursday afternoon at the home of her father, Merrill H. Jones of 287 Summit street on her birthday. An enjoyable afternoon was spent in playing games. Cake and ice cream were served. An auto ride through the Windhams was enjoyed following the party.

**Sunday Subjects.**  
At the Christian Science Sunday service at 10:45 in the Y. M. C. A. building the subject of the lesson sermon is, Is the Universe, Including Man, Evolved by Automatic Force?

**Band's Benefit to Red Cross.**  
At the regular meeting of the Willimantic American band, held last evening, the sum of \$48, comprising the services of the band at the evening's parade, was voted to the local Red Cross fund. The band has an engagement with the citizens' committee of New London for the music at the big Fourth of July celebration in that city.

**JAMES CASEY CAUGHT**  
Patient Who Escaped From Norwich State Hospital Six Times.

James Casey, who escaped from the insane hospital at Brewer's Neck for the sixth year within a year about two weeks ago, was taken into custody by a member of the local police force in the railroad yard Friday morning. Casey said that he came to this city from Putnam. Later in the day he was taken back to the Norwich institution by an attendant.

**Bean Crops Destroyed.**  
Farmers in and about the city are laying the destruction of their bean crops to the hopper fly, which attacks the leaves and kills the plant. A number of the bean lots in the section have been totally destroyed. Other home gardeners say that a root disease is affecting their crops.

**Fire Department News.**  
All of the volunteer fire companies in the city have now disposed of the greater part of their property either by auction or private sale. The work of erecting the small brick building for the installation of the new improved fire alarm system in the rear

**CATARRAHAL DEAFNESS CANNOT BE**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running ear and the tube restricted, and when it is entirely closed deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface of the Eustachian tube. It acts through the blood on the mucous surface of the system.

We will give One Hundred Dollars for any case of catarrhal deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All druggists, 75c.

**Gave Soldiers a Banquet.**  
The Ladies' Auxiliary of the Y. M. C. A. lived up to their promise and gave the soldiers now stationed at the Willimantic armory a banquet which will probably cause them to have appetizing memories of Willimantic. The menu was as follows:

- Beaked Beans
- Strawberries
- Brown Bread
- Rolls
- Coffee
- Cake

About fifty men sat down to the table, the men coming in small groups. The soldiers were received by Mrs. Ernest and Mrs. Reade. During the supper Mrs. Vernon gave several selections on the piano.

**Boys Take Swimming Lessons.**  
The Y. M. C. A. swimming pool reopened for the summer on Friday afternoon, when about fifty boys assembled to take the course in swimming lessons given by the association, going in four squads. The lessons, which are to be given from June 22 to 30 inclusive, are free, and open to all boys between the ages of ten and sixteen years. Mr. H. E. Brown, the physical director of the Y. M. C. A., has charge of the lessons, and he is assisted by Everett Laid.

**Red Cross Contributors.**  
Recent contributors to the National Red Cross fund are the students of the Model school and the Woman's Relief Corps.

At the Friday session of the Model school after the students had decided to "chip in," \$12 was collected. The Woman's Relief Corps voted to give \$75 to the association at a recent regular meeting.

**OBITUARY.**  
Miss Pauline Negra.

Pauline Negra, 55, died Friday morning at the home of her sister, Mrs. James De Marchi of 1009 Main street, death being due to bronchitis. She was a native of Italy and had resided in this country for a number of years. She leaves two brothers, John and Dominic Negra of New York city besides her sister with whom she resided.

**FUNERAL.**  
Celia L. Cargill.

The body of Celia L. Cargill, a former resident of the city was brought to town Thursday afternoon and taken in charge by Undertaker Jay M. Shepard. Death occurred Monday in Oxford, Mass. A committal service was held at the Willimantic cemetery. Rev. Mr. Lupin of Oxford officiating.

**Sunday Services.**  
Sunday morning at the Baptist church Rev. J. A. Spidell's subject is A Useful Little Maiden, and in the evening Homeward Bound.

Rev. Albert Donnell's morning subject is The Christian Endeavor church in Trials and Triumphs. Mr. Donnell leads the Christian Endeavor meeting in the evening. A collection is to be received at the morning service for the Red Cross.

**JOINED RED CROSS**  
During Campaign Conducted by D. A. R. Chapter.

The following is a list of Jewett City residents who joined the Red Cross during the campaign conducted by the Anne Brewster Fanning chapter, D. A. R. There being no chapter in Jewett City at that time, members were accredited to the only chapter in this part of the state, the Norwich chapter. At the end of the year these names will be turned back to the Jewett City chapter.

Sarah K. Adams, Mrs. M. W. Ailing, Mrs. James Blair, Mrs. B. C. Bliss, Miss Alice A. Brown, Mrs. A. M. Brown, W. W. Burdick, Mrs. E. F. Burleson, Mrs. R. F. Cheney, E. B. Cheney, Mrs. E. B. central town food conservation committee which will direct the efforts of the different clubs, arranging demonstrations for them and securing their assistance needed.

On Wednesday afternoon, June 20th, about 75 Colchester people attended a broad meeting given by Miss Campbell at the Tip Top hall. Interest in food conservation in Colchester is so great that the village schools themselves due to high grain prices, so that the girls might attend the demonstration. A canning club was organized at the meeting with about 50 charter members and a demonstration in canning will be given at the club, on Thursday afternoon, July 26th.

Another successful demonstration was held in the Golden Cross hall, Stonington Borough, on Thursday afternoon, June 21st with about 90 present. Considerable interest was shown in community work and another demonstration was arranged for August 2nd, at which time the main topic to be taken up will be drying of Fruits and Vegetables.

Ways of preserving other than canning, has been one of the important subjects at all of the demonstrations and various recipes for putting down beans and corn in salt or brine have been brought forth. An interesting and satisfactory recipe for conserving fruits and vegetables and who would like to pass them on for others is to be given at the Farm Bureau Office, Norwich.

On Thursday, June 21st, the Providence marketing committee of the N. B. M. F. A. met in Providence to consider ways and means of relieving the present situation in which the dairy farmers of New London County find themselves due to high grain prices, scarcity of labor, high cost of cows and every other item which enters into the production of milk. It was decided to set a price of 6 1/2 cents per quart at the railroad platform to be effective July 1st.

The question naturally arises, "Is this a fair price?" The answer is shown very nicely in the report of the investigation which the Extension Department of the Connecticut Agricultural College conducted recently in competition with the farm bureaus throughout the state, regarding the cost of producing milk for the year April 1st, 1916 to April 1st, 1917. Twenty-seven average herds were visited by the canvassers and figures for the year tabulated so that cost could be computed. These figures show that the average cows per herd in this group at the end of the year were fifteen and two-tenths which is an unusually good average. Items of cost were as follows for the average cow: Interest on the investment, \$6.46, grain purchased per cow \$5.67, value of succulent feeds raised on the farm \$19.77, value of dry forage raised \$24.22, pasture charge per cow \$7.09, cost of bedding \$1.34, human labor or dairy work \$38.65, horse labor \$2.89, use of buildings \$9.97, use of equipment \$1.41, but service \$1.74, miscellaneous charges \$7.98, total cost per year per cow \$158.29.
