# FURIOUS RACE RIOTS AT EAST ST. LOUIS

## Negroes Were Shot as They Fled From Burning Homes Which Had Been Set On Fire by White Mobs

### 300 WHITE MEN ARRESTED AND LOCKED UP

#### Negro Homes in Various Parts of the City Are on Fire, the Flames Reaching to the Edge of the Business District—Trouble Started Saturday Night When Negroes Shot at Patrol Wagon and Killed a Policeman—Estimates of the Number of Negroes Who Perished in the Fire as High as 250—At One Time During the Rioting Sixteen Guardsmen Were Disarmed.

East St. Louis, Ill., July 2.—At least fifteen negroes were shot and killed by mobs here tonight as they fled from their burning homes which had been set on fire by white mobs. The exact number which perished in the burning houses is unknown and will not be ascertained until morning, when the ruins are searched.

#### 300 White Men Arrested.

Military rule was proclaimed at 8 o'clock tonight and at the same time 300 white men were arrested and locked up at police headquarters. Negro quarters in various parts of the city are on fire and the flames reached the very edge of the business district.

#### Fired at Negroes as They Fled.

Estimates of the number of negroes who perished in the fire are as high as 250, but there was nothing authentic on which to base these estimates, except that hundreds of whites stood around the edges of the burning districts and fired at the negroes as they fled from their homes.

#### Help Called to Stay Flames.

At 9 o'clock the mayor of East St. Louis sent for Fire Chief Swingley of St. Louis, Mo., to assist in fighting the flames, who threatened to destroy a large part of the city. A company of the St. Louis fire department started for East St. Louis, but was ordered back by Chief Swingley.

#### Mob Rushed Down Street.

Vast clouds of smoke rolled across the sky tonight from the burning district, flames made some of the downtown streets as hot as the burning district and then a yelling mob rushed down a street in pursuit of a negro or in search of more excitement. National guardsmen, loaded in automobile trucks, dashed after the mob.

#### Fires Spread Rapidly.

The fires started about 5 o'clock this evening and spread rapidly. Soon flames visible for miles were shooting into the sky. Hundreds of negro women, most of them carrying bundles that held their most precious belongings, fled across the bridge to safety with friends on Missouri side.

#### Telephone Wires Cut.

Telephone wires were cut early in the evening. As telegraph and telephone poles caught fire other wires went down.

#### Mobs in East St. Louis Were Swelled by Hundreds of People Who Came in from the Missouri Side.

The mobs in East St. Louis were swelled by hundreds of people who came in from the Missouri side. This added such a menace to the situation that at 3:30 o'clock the bridge was closed.

#### In Lynching Mood.

The mobs got into a lynching mood tonight. One negro was strung up on a pole but was rescued just in time to save his life. Soldiers rescued still another negro who was being dragged from a burning building.

#### After Military Rule Had Been Proclaimed the Soldiers Put More Vigor into the Attempt to Quell the Mob.

After military rule had been proclaimed the soldiers put more vigor into the attempt to quell the mob.

#### Troops Charged With Fixed Bayonets.

Seventy-five white men attacked a negro in front of a drug store downtown and shot him twice, attempted to drag him to a pole, beating him as they pulled him toward the pole. He was charged with fixed bayonets and the mob scattered.

#### Rioters Partly Quelled Down.

With this showing of force the rioters partly quieted down. Troops stood guard at all corners and kept the crowds moving. At 3:30 o'clock fire broke out in the district known as the "Valley." This fire came nearest to the big railroad yards of East St. Louis. At 3 o'clock four more negroes were shot by snipers. At 10 o'clock it appeared as if the "Valley" district was doomed to destruction. The property damage will reach many thousands.

#### Negro Editor's Version of Trouble.

C. W. Wallace, editor of a negro religious publication, gave a new version of the trouble here.

Wallace said he, a negro minister and a negro physician were returning from St. Louis last night when they saw white "joy riders" ride down a block into Market street and fire into the houses. The neighborhood was aroused and the negroes armed themselves.

Wallace did not see the negro mob fire on an automobile filled with policemen this morning, but he said a witness told him that the negroes thought when the police automobile opened that it was the joy riders returning. The shooting began, he said, before this misunderstanding was cleared up. The officers were in plain clothes.

#### Estimates of Dead.

At 11 o'clock tonight estimates of the dead in today's race riot and fire ranged from 15 to 75, of whom two were white.

Wounds were still burning at four o'clock tonight in the city at that hour.

#### Property Loss About \$3,000,000.

The property loss was estimated by Citizens Agency at \$3,000,000. Forty injured negroes and six injured white men were in one hospital
