COURT OF COMMONS OF COUNCIL MEETS

Frank J. Martin and Patrick J. Fitzgerald Appointed Special Constables—Restrictions Placed on Fireworks.

At a regular meeting of the court of common council held Monday evening in the council chamber with Mayor Brown presiding, Frank J. Martin and Patrick J. Fitzgerald were appointed special constables.

The meeting was called to order shortly after 8 o'clock by Mayor Brown and the minutes of the previous meeting were accepted without reading.

Mayor Brown stated that under the direction of the resolution adopted at the last council meeting, the city clerk, mailed to the Bulletin company, the Pulla R. Waters, local printers properly equipped for doing the work, specifications for the printing of the Council Journal for the present year, with an invitation to the printer to submit a bid for the contract for the Journal printing would be awarded to the lowest bidder, the bid to be submitted to the mayor on or before June 16, 1917.

In answer to this invitation I have received but one bid, from the Pulla R. Waters, local printers, company, the printers who printed the Journal last year. This bid was at the rate of \$1.47 per page, and as it is the lowest bid, it will be accepted. In accordance with the specifications submitted I awarded the contract to the Pulla R. Waters, local printers, at the rate of \$1.47 per page.

The statute of the state and the ordinances of the city make possible the use of small caliber fireworks, not exceeding two inches in length, and of other small fireworks, which are listed in that advertisement which is being published in the Bulletin. The use of small caliber fireworks, and the sale of fireworks and explosives, for use in the city, will be strictly limited to the articles mentioned in that advertisement or notice above referred to.

I take occasion of giving this further publicity, through this announcement, to the fact that the city department have been instructed to enforce these regulations throughout the city, to hope that the people will appreciate the spirit in which the restrictions have been imposed this year, and will cooperate with the police in carrying out the same.

The finance committee reported that the communication from F. L. Allen in regard to damage claimed done his property by the city, in the widening of a sidewalk to a certain grade ordered by the city has been withdrawn.

FORMER STERLING BOYS ENLIST IN THE ARMY

Four Sons of Mr. and Mrs. Eli St. Peter Join Colors.

Giving four of their seven sons to the army of Uncle Sam for duty across the seas, if necessary, is the patriotic act which has been performed by Mr. and Mrs. Eli St. Peter of Sterling, Conn. The boys are the oldest of the family and are Louis, 24; George, 21; Frank, 20, and John, 19.

The entire family is extremely patriotic, and when war was declared in April, John and Frank immediately offered their services to the country. They were accepted by the United States Army, and are now serving in the First Light Infantry Regiment, Company D.

All of the boys are single and for several years have been employed in the Grant mill. They have been residents of Sterling since their father's death. Their mother, Mrs. St. Peter, is a member of the First Light Infantry Regiment, Company D.

PLAINFIELD MAN ARRESTED HERE

Charged With Attempting to Commit Rape.

John F. Foster, 31 years of age, charged with attempting to commit rape on Cecilia Patry, 8 years old of Plainfield, was gathered in by the local police Monday evening about 10 o'clock.

Captain Twomey having heard that the man was boarding at the Plymouth House on Laurel Hill street, Sergeant Athews and Officer Allen after the man and found him about ready to retire.

It is claimed that Foster enticed the Fairy girl to come into the house where he was boarding by giving her ice cream and candy. Foster had been employed at the Hopkins & Allen Co., and at one time worked in a store in Plainfield.

Constable Allen of Plainfield came back to Plainfield and will appear before the town court today (Tuesday).

NO FIREWORKS CAN BE FIRED ON STREETS.

This Fourth Will Not Be as Noisy as Usual.

The noisy Fourth will be a thing of the past this year in Norwich and all those who have been in the habit of doing so, will be asked to refrain from doing so, to take a look at the rules governing the methods of celebration this year.

No fireworks of any kind can be fired off on the street or any public property, including parks and sidewalks. Pistols cannot be fired and the only way that the Fourth can be legally observed in the city is by the exploding of the following kinds of fireworks on private property: Sparklers of all kinds, paper torpedoes, non-explosive evening novelties and Chinese firecrackers of all kinds up to two inches in length. Two inches is about twice as long as the first joint of your thumb.
