HOW TOWN HAS VOTED ON THE LICENSE QUESTION A. P. Woodward Has opt Tabs Since 1886.

How is Killingly going to vote on the license question next Monday? This is a question which every one has at least one guess. The proposition is always so uncertain in this town as to furnish much food for speculation and discussion. They divide on the question no man can tell for an exact certainty.

However, A. P. Woodward has kept a dossier on the results of the vote on the license question in Killingly. This sheet shows how "the town went" in every year back to and including the period of 22 years. The sheet shows some curious changes of public opinion on this important question and also shows that the number of those voting had the best of the argument in 14 out of 22 years. Some of the fights have been very close, others not so much so, the very close voting being as follows:

Year Yes No 1886 18 1887 126 1888 60 1889 118 1890 52 1891 26 1892 25 1893 73 1894 3 40 1895 10 1896 40 10 1897 74 1898 160 1899 72 29 1900 248 1901 140

In five out of the past six years Killingly has been in the license column. The high water mark of license victories was reached in 1916, after the pony express experience, but last year there was a drop of more than 60 votes from the high water mark majority recorded by either side during the 22 years covered by the report. But what is the answer for 1917?

Potatoes \$1.50 a Bushel. Potato digging is going on all over the town and the supply of the tubers is going to be very great. The prevailing price is \$1.50 a bushel, although some close buyers are getting a Danielson man who went to Camp Devenis last Thursday have been vaccinated inoculated against typhoid.

PUTNAM Fred Lafontaine's Saw U-boat Annihilated—Judgment for Plaintiff in the Wheatley-Dubuc Case—Letter to Appeal—School Committee to Consider Teachers' Pension Act—Columbus Day to be Observed.

Fred Lafontaine, serving as a freeman in the United States navy, has had some interesting tales to tell his friends while on a visit to his home in this city while enjoying five days' leave of absence.

Lafontaine recently returned from a trip across sea. It was while on this voyage that he was witness of the setting of a German U-boat by a United States destroyer that was conveying transports. The trick was done with one of the new type depth bombs that this government is using in its fight against the sea adders.

Lafontaine told friends here that a U-boat with ambitions horns in range and a bomb was shot over at her. There was a sub-surface explosion and a second afterwards a large quantity of mass of debris from the wrecked submarine.

Lafontaine expects to make another trip across sea.

Appeal to be Taken. In the superior court Tuesday morning arguments were made by counsel in the case of W. W. Wheatley vs. Fred R. Dubuc. Danielson parties, the evidence having been taken on Friday of last week.

Following the charge of Judge Reed the jury retired and after being out for half an hour returned with a verdict for Mr. Wheatley to recover \$252.08.

Attorney Charles L. Torrey, counsel for Dubuc, said later that he will file an appeal to the supreme court. Wheatley was represented by Attorney Back and Darbie of Danielson.

Announcement was made Tuesday of the settlement of another case that was assigned for trial—that of Miss Agnes Danielson of Ponemah vs. Herbert Peckham, of Woodstock. In this case a breach of promise and another charge was alleged. The settlement was out of court by agreement of the parties concerned.

Court adjourned until Thursday morning.

To Consider Teachers' Pension Act. Members of the Putnam town school committee will meet to consider business relative to which teachers in the schools of this town come under the teachers' pension act enacted at the last session of the legislature.

The pension measure of teachers is now effective for the first time in Connecticut. All teachers who are engaged in their present work in this town must give five per cent of their salaries to the teachers' pension fund and teachers of long employment in the town may do so.

It is contended that the teachers pay in will go into the funds of the Teachers' Retirement association.

This year the consideration of cases in the criminal list opens a month later than usual, under an act passed at the session of the last legislature. For the first time also persons who are charged with criminal charges without the necessary funds to employ counsel will have their interests looked after by a public defender, Attorney Charles L. Torrey having been named for this term of court. There is to be a short calendar session of the court on Friday of this week.

That they may have opportunity to attend services at the synagogue, they are spending the day in New England cities that have large Hebrew colonies.

Owls Present Wrist Watches to Six. The local order of Owls has presented wrist watches to members of the lodge that have gone into military service.

Exhibition Drill. There were many at the armory Tuesday evening to witness the exhibition drill of the Home Guard company and to attend the dance that followed. Music was by Wood's orchestra.

High School Pupils Working on Design for Town Seal—Abdon Burby, Left Arm Game, Loss of Leg, British Relief Fund \$1,739, Over \$300 Coming From Jewett City—Bowling Game Planned.

Harold Gordon has returned, after a three weeks' motor trip in northern New York and in Canada. Places visited were along the St. Lawrence river, and The Thousand Islands.

Mr. and Mrs. Ephraim Grenier and family from Providence, R. I., motored here recently visiting Joseph Grenier. Everett Babcock substituted as baggage-master at the local station in the absence of Henry Starkweather who was a Willimantic visitor Tuesday.

Designing Town Seal. The students in Plainfield High school are endeavoring to make a town seal as the town is without an official one. Town Clerk S. L. Adams approves the plan, by which all the students who know anything about the town's history can submit a sketch. The best sketch submitted will be accepted as the official town seal.

J. H. Greene of New London was a local business caller Tuesday.

Left Leg Amputated. Abdon Burby, who was recently injured in a railroad accident in Passumpsit, Mo., has returned home here. The accident necessitated the amputating of his left leg. His left arm was amputated fifteen years ago due to an accident which occurred on the Consolidated line between Providence and Fall River.

FUND OVER \$1,739. Of This Amount Jewett City Has Contributed \$300.

The weekly report of the British-American War Relief Fund as follows: Amount previously acknowledged \$1,717.80, amount collected this week ending Sept. 22, in Plainfield \$13, in Jewett City \$250; total amount collected \$1,750.30.

Treasurer Zeck Telow has forwarded another check of forty-five dollars to headquarters in New York, making a total of \$1,795.30 sent from the village to date.

The committee of the local order has tendered a vote of thanks to the Jewett City collector, James Hewittson, who has so faithfully and zealously worked for the order in that village. Over three hundred dollars have been collected by Mr. Hewittson, who receives the weekly contributions from the loyal British people and people interested in the order and forwards the money to the Plainfield treasurer, Zeck Telow. Through Mr. Hewittson's efforts new subscribers have been gained weekly and his willingness to act as collector in that borough has proved of valuable aid.

The fund is rapidly reaching the desired mark, \$2,000, before the end of the second year of the local order's existence. If other people loyal to the cause enlist and join in line with the large army of weekly donations, there will be no doubt as to the outcome of the campaign.

Supper for Winners. The bowling fans of the village assembled at the bowling club recently and enjoyed a fine supper, prepared by the members of the New Mill bowlers. The supper was given in the order in a bowling game by the Old Mill. An enjoyable evening was spent by all.

The New Mill has challenged the Old Mill to another game to be played soon on the Bowling Green. The Old Mill team is confident, however, of receiving another free supper by defeating the opponents in the next contest.
