NORWICH WOMAN SUES

MRS. ELIZABETH DALEY & SON
Miss Catherine Bliven Seeks \$5,000
Damages, Alleging Serious Injuries
in Automobile Accident Near Yan-

Deputy Sheriff Addison J. Greenhall
has served papers in a civil suit for
\$5,000 damages on Mrs. Elizabeth
Daley and son, Harrison Barber, of
this city. The action is brought by
Miss Catherine Bliven of Norwich,

The Daley car was driven by Har-
rison Barber and was not badly
damaged. The Bliven car was driven
by Beverly M. Bliven, the plaintiff's
father and contained Mr. and Mrs.
Bliven and daughter, and Mrs. Lucia
Himes.

The charges alleged are as follows:
That the driver of the Daley car did
not use proper precaution in operating
the car. He did not slow up, give
proper signals, left arm and high
beam on the road, and that he was
driving at a high rate of speed.

In regard to personal injuries, Miss
Bliven was thrown from the car, and
sustained a broken nose, lacerations
of the face and neck, many body
bruises and cuts, both knees cut, a
badly bruised left arm and her hair
was wrenched. Her nervous system
was also affected, as her health is
permanently impaired and she received
internal injuries.

In addition, the Bliven car was badly
damaged and a \$10 fur coat was
destroyed. The case is returnable in
the New London county superior court
on the first Tuesday in November.

DRUGS EXCITE YOUR
KIDNEYS, USE SALTS

When your kidneys hurt and your
back feels sore, don't get scared and
proceed to load your stomach with a
lot of drugs that excite the kidneys
and irritate the entire urinary tract.
Keep your kidneys clean like you
keep your bowels clean, by flushing
them with a mild, harmless salt
which removes the body's urinous
waste and stimulates them to their
normal activity. The function of the
kidneys is to filter the blood. In 24
hours they strain out 500 grams of
acid and waste, so we can readily un-
derstand the vital importance of keep-
ing the kidneys active.

Drink lots of water—you can't drink
too much; also get from any phar-
macist about four ounces of Jad Salts;
take a tablespoonful in a glass of water
before breakfast each morning for a
few days and your kidneys will ac-
tivate. This famous salt is made from
the acid of grapes and lemon juice,
combined with other natural ingredi-
ents, and has been used for genera-
tions to clean and stimulate clogged
kidneys; also to neutralize the acids
in urine so it no longer is a source of
irritation, thus ending bladder weak-
ness.

Jad Salts is inexpensive; cannot in-
jure; makes a delightful effervescent
lithia-water drink which everyone
should take now and then to keep their
kidneys clean and active. Try this,
also keep up the water drinking, and
no doubt you will wonder what be-
came of your kidney trouble and back-
ache.

BOYS BOUND OVER.

Two Held in \$200 Bonds Each Charged
With Robbing Mazzola Store.

Michael Menditto was arrested by
Lieutenant McArthur, at 3 o'clock on
Tuesday morning at the Vandermer
store where he was sleeping. He
is charged with attempting to enter
the store of Michael Mazzola on Main
street, on the evening of October 11.

There have been several robberies
at the Mazzola store.
October 8th, Lamonte, who was ar-
rested Monday evening, entered the
store and took about \$25 in money
from the cash drawer.

October 11th, last Thursday evening,
both the boys tried to enter
the store but made a noise which
awakened a woman living over the
store; she called the police and the
boys escaped.

Sunday evening Lamonte entered the
store and took several packages of
cigars and cigarettes. Mazzola com-
plained to the police and they start-
ed investigating.

Lamonte is now on probation for
stealing vegetables from the garden
of J. M. Gager last summer and has
been in the Rhode Island Reform
school. Menditto had never been in
court before.

Both boys pleaded guilty in the police
court Tuesday morning through
their guardian ad litem, W. C. Lyman
and they were bound over to su-
perior court under bonds of \$200 each.
Lamonte was quickly released as his
father furnished the bond, but Men-
ditto is still waiting for a bondsman.

Milk Costs More Today.
Hereafter, Willimantic people will
pay 11 and 12 cents a quart for milk.
This is the result of a meeting of the
Willimantic Milk Dealers' associa-
tion which met at W. C. T. U. hall
Tuesday noon.

During the meeting, some figures
were given by a member which were
compiled by the Massachusetts Com-
merce Commission after several ex-
pert accountants had worked on the
subject for over a month. Their
figures showed that the cost of produc-
tion of milk in Massachusetts is .0812
cents a quart and .0718 cents a quart
in Connecticut. They also found that
it costs about five cents a quart to
distribute the milk.

The increase will take effect this
(Wednesday) morning. Eleven cents
a quart for milk in the can and 12
cents for milk in bottles.

So far, about \$48,000 worth of bonds
have been sold. A meeting will be

Gypsies Rented Store.
A family of gypsies were in this
city Monday evening and Tuesday
morning. The gypsies, who were one
of two families who passed through
here from the Stafford fair, rented a
store from William Haddad on the
corner of Valley and Jackson streets
and lived there Monday and Tuesday
morning. Several complaints were received
by the police department about the
people.

Chief Killoury investigated and
found that the gypsies were taking
care of themselves. Mr. Haddad did not
know that the people were gypsies when
he rented the store to them and he or-
dered them to leave Tuesday morning.
They left this city in the afternoon,
after hanging around the railroad sta-
tion all day. The gypsies were taken
in the family, the women attired in
the regulation vari-hued clothes.

SERIOUSLY INJURED WHEN
HIT BY AUTOMOBILE
John Grady is in St. Joseph's Hos-
pital in Critical Condition—Has Two
Fractures.

John Grady of 85 South Park street,
this city, was badly, if not fatally in-
jured, Tuesday evening about 8.30
when he was struck by an automobile
driven by Andrew Roux of 95 Bridge
street. The accident occurred on
Main street near the saloon of Oscar
Tanner and near the terminal of the
South Coventry trolley line.

From what could be learned, the au-
tomobile was going down Main street
and was nearly across the street when
the auto hit him, striking him on the
right leg. He was thrown to the
ground and he had several cuts on his
walk, so close was he to the side-
walk. Few people saw the accident
and no eye-witnesses could be found
by the police.

The injured man was rushed to St.
Joseph's hospital by Mr. Roux and
Dr. Girouard was called. He found
that the man was in a serious con-
dition and had at least two fractures,
one on each leg. He may have inter-
nal injuries, in fact a person who
arrived at the hospital, preceded the
said that the man appeared to be
nearly dead.

Charles W. Noyes, who conducts a
garage and auto business near the
place where the accident occurred,
said that he heard a noise when the
accident took place. Another car was
passing at the time and the two
cars had come together because of
the loud noise. He immediately came
out of his store and reached there at
the time when they were picking the
man up. He was not under the car
but lying in the gutter.

Mr. Roux was headed for Norwich
with his party of friends and after tak-
ing the injured man to the hospital
and reporting the accident to the po-
lice, he continued on his way.

Mr. Roux is thought to be a city as
a careful driver and the accident was
probably not the result of criminal
negligence yet it seems funny Mr.
Roux did not see the man if he was
exercising due caution.

The Kind You Have Always Bought.

THIS is the caution applied to the public announcement of Castoria that has
been manufactured under the supervision of Chas. H. Fletcher for over
30 years—the genuine Castoria. We respectfully call the attention of fathers and
mothers when purchasing Castoria to see that the wrapper bears his signature in
black. When the wrapper is removed the same signature appears on both sides
of the bottle in red. Parents who have used Castoria for their little ones in the
past years need no warning against counterfeits and imitations, but our present
duty is to call the attention of the younger generation to the great danger of intro-
ducing into their families spurious medicines.

It is to be regretted that there are people who are now engaged in the
nefarious business of putting up and selling all sorts of substitutes, or what should
more properly be termed counterfeits, for medicinal preparations not only for
adults, but worse yet, for children's medicines. It therefore devolves on the mother
to scrutinize closely what she gives her child. Adults can do that for themselves
but the child has to rely on the mother's watchfulness.

Letters from Prominent Druggists
addressed to Chas. H. Fletcher.

Central Drug Co., of Detroit, Mich., says: "We consider your Castoria
in a class distinct from patent medicines and commend it."
Christy Drug Stores, of Pittsburg, Pa., say: "We have sold your
Castoria for so many years with such satisfactory results that we cannot
refrain from saying a good word for it when we take a chance."
Jacob Bros., of Philadelphia, Pa., say: "We take pleasure in recom-
mending Fletcher's Castoria as one of the oldest and best of the prepara-
tions of the kind upon the market."
Hess & McCann, of Kansas City, Mo., say: "Your Castoria always gives
satisfaction. We have no substitute for it and only sell 'The Kind You
Have Always Bought' the original."
The Vogell Bros., of Minneapolis, Minn., say: "We wish to say that we
have at all times a large demand for Fletcher's Castoria at all of our three
stores and that it gives universal satisfaction to our trade."
Polk Miller Drug Co., of Richmond, Va., says: "Your Castoria is one of
the most satisfactory preparations we have ever handled. It seems to
satisfy completely the public demand for such an article and is steadily
creating a growing sale for its merit."
P. A. Capdau, of New Orleans, La., says: "We handle every good home
remedy demanded by the public and while our shelves are thoroughly
equipped with the best of drugs and proprietary articles, there are few
if any which have the unending sale that your Castoria has."
M. C. Dow, of Cincinnati, Ohio, says: "When people in increasing num-
bers purchase a remedy and continue buying it for years; when it passes
the fad or experimental stage and becomes a household necessity, then,
it can be said its worth has been firmly established. We can and do
gladly offer this kind of commendation to Fletcher's Castoria."

TRIAL FOR INCITING A
REVOLUTION IN INDIA.
A Wealthy Chicago Real Estate Dealer
Among Men Accused.
Chicago, Oct. 16.—Trial of Gustav
H. Jacobsen, Albert Wehde, George
Paul Boehm and Heramba La Gupta,
charged with conspiring to incite a
revolution in India, was begun today
before Federal Judge K. M. Landis.

Baron Curt Von Reiszwitz, former Ger-
man consul in Chicago, was indicted
along with the others but is now in Germany.
Jacobsen is a wealthy Chicago real
estate dealer.

Assistant United States District At-
torney Joseph E. Fleming, in his open-
ing address, described the four de-
fendants as arch plotters against the
British government for the German
cause. He said the government would
prove that Jacobsen had given Gupta
\$1,000 in the former's home in Chicago
and that various other sums had been
paid others identified with the alleged
unlawful action.

plot. Attorney Fleming said that the
government would show that the al-
leged plotters received their instruc-
tions from Berlin by code cablegrams.
The entire plot, he said, was conceived
in Berlin when the India national
party was formed in the German cap-
ital in 1914 to overthrow British rule
in India and force the allies to with-
draw troops from the French and Bel-
gium battle fronts in India.

Baron Von Reiszwitz in May, 1915, paid
\$20,000 to Albert H. Wehde to insti-
gate a rebellion in India. The govern-
ment's attorney also said the \$20,000
was paid by the German consul in
Chicago to another man in furtherance
of the conspiracy. Later, Boehm, ac-
cording to Attorney Fleming, re-
ceived \$1,500 from Von Reiszwitz and
immediately left for India.

The detailed story of the activities
of the alleged conspirators in San
Francisco, Honolulu, Siam and Chicago
and their subsequent arrest by the
United States government was de-
scribed by Attorney Fleming in
closing.

John Singh, a Hindu, the first wit-
ness for the government, said he was
in South America when he first became
interested in the alleged plot. He went
to Italy and later to Berlin, where he
attended meetings of the German lead-
ers directing the Indian revolution
propaganda.

The witness said he was given \$1,000
in Berlin to come to the United States.
In New York he visited Amoy, China, where
he received a package of letters bear-
ing on the alleged plot from the Ger-
man consul there. Later he went to
Manila and finally reached Siam.
