

CAMPAIGN CROWNED WITH SUCCESS

Food Card Pledges Secured in Norwich Totalled 3,379—The List of Canvassers as Announced by Committee—Preston Workers Secured 224 Signatures.

While Norwich has not yet reached the number of Food Pledge Card signers, which it was allotted, still those in charge of the campaign feel that the city has been pretty thoroughly canvassed and that a ready response by the people has been given.

Canvassers in each section of the city, could not have been done with the initiative which it has not been for the generous offer of automobiles. Those who gave the use of their cars many times were Miss Ethel Stevens, Mrs. Walker, Miss Audrey Geron and the Farm Bureau.

The city has been districted and the majority of the canvassers secured through the efforts of Miss Louise Howe, who has worked untiringly throughout the campaign.

May Apply for Buttons. At this time it is desired to have a clear understanding that those who paid ten cents for a button last summer and did not receive it, may obtain it by applying to Miss Louise Howe, or by writing to the Food Administrator at 26 Pearl St., Hartford, Conn.

The canvassers who have secured such a large number of names in Norwich, have given many hours of time and hard labor to the securing of these names.

Two great forces combine to make this an unusual piano buying opportunity

THE FIRST of these great forces is NECESSITY: The necessity for the Behr Bros. & Company to expand American business, to offset its loss of export business.

Thus it is the Behr Bros. & Co. seeks to sell 5000 more Behr Bros. instruments in the United States, during the year, than it has ever done before.

The other great force, at work in this sale, is CO-OPERATION: Co-operation between the Behr Bros. Co. and fifty of the largest piano merchants of the country, of which we are one.

These two forces, at work, mean simply this: that every known means is being used to accomplish the thing we started out to accomplish, which is to sell 5,000 additional Behr Bros. instruments by creating a new market for them.

To do this, it means that a very low price must be set upon the pianos, which has been done, (\$275 each).

It means that the terms of payment must be made SO EASY that no one can have for an excuse for not buying, that they could not afford it, because the payments were too high.

It means that other safeguards and reassurances had to be devised, so that those who did not know of the Behr Bros. piano, would not hesitate about purchasing.

This resulted in a three sided guarantee, which is done by both the Behr Bros. and ourselves.

This guarantee provides:

- 1. That you may get your money back after a 30 days' trial of one of the instruments in your home.
2. That you may exchange the instrument for any other new piano or player-piano you prefer, at any time within one year.
3. That you are given a full, unreserved guarantee on the instrument for 5 years.

What more is to be said? What more can be done? The price is way below what the instruments are worth. Nearly a hundred dollars below. You can't miss the money by making small weekly payments. You may start in with an initial payment of only 5 dollars, if you wish. Five dollars is all it takes to send the piano to your home. And you are safeguarded in your purchase every step of the way. First, for 30 days; Second, for one year; and lastly, for 5 years.

What more can necessity or co-operation or any other great force do than this, namely, to make it easy and economical for you to own a piano, and to protect you in your purchase after you have bought?

The whole story in a few words

This is a co-operative sale of 5,000 pianos and player-pianos.

Our proportion is 100 pianos and 60 player-pianos.

The sales price of the pianos is 275 dollars, each: Of the player-pianos, 445 dollars each.

Pianos or player-pianos cannot be offered under guarantees MORE FAVORABLE TO YOU (the purchaser) not even if they were given upon instruments of a grade which would command twice the price.

By reading the above, you will readily concede this.

You may make an initial payment of only 5 dollars, at the time you make your selection. This small amount will place either the piano or the player-piano in your home, AT ONCE.

The balance may then be divided into such terms as are most convenient to you.

A stool to match the piano or a bench to match the player-piano, together with 10 rolls of music (your own selection) are included without extra charge.

Also, freight will be prepaid upon all instruments shipped within a radius of 100 miles.

NORWICH TOWN

Four Nephews Bearers at Funeral of Mrs. Laura Chapman—Officers of Farm Bureau Re-elected—Scotland Road Whist for Y. M. C. A. Fund Benefit \$8.50.

The funeral of Mrs. Laura Chapman, of Canterbury, Vermont, was held at one o'clock Sunday afternoon at the home of Mrs. James Moffitt on East Town street many being present. Rev. G. H. Ewing conducted the service. Mrs. Chapman was a life-long resident of Norwich through a long period of years. She shared what she had. She was glad to do what she could for others. The good that a person does is part of themselves, it is also a part of the immortality of the soul. The life that lived here will live on. Mrs. Chapman had none but kind and loving thoughts. She loved her home and its belongings. The word, Friend, came up higher, has come to her. Who shall doubt that the life she has now entered will be more glorious and more peaceful. Her outlook on that life was expressed in

the words oft repeated, I am going home. In closing, Crossing the Bar was read. Miss Bernice Underwood sang very sweetly the hymns 'Some Day He Will Make It Plain, and Abide With Me. There were choice flowers: A pillow marked Aunt Laura from nephews and nieces; a pillow of roses and chrysanthemums, inscribed Laura from Mrs. Sarah Giltner and Charles Smith; spray of white chrysanthemums, Mrs. Imogene Smith; wreath magnolia and pink carnations, Mr. and Mrs. Alfred Hunt; wreath magnolia and yellow chrysanthemums, Mr. and Mrs. Arthur A. Mitchell; violets, Mrs. S. I. Bonney; carnations, Mr. and Mrs. H. L. Yerrington; spray yellow chrysanthemums, Mr. and Mrs. Nowatzky.

Burial was in the family lot in Preston City, where a committal service was read by Rev. Mr. Ewing. The bearers were nephews, Frank Joseph and Henry Smith, and Nelson Adams. Relative were present from Hanover and Canterbury. Church and Allen were in charge of the arrangements.

SHELTERING ARM SERVICE

Stirring Address by Pastor of Central Baptist Church—Inspiring Music. Rev. Arthur Francis Purkiss, pastor of Central Baptist church, gave a stirring address Sunday afternoon at the Sheltering Arms, taking for the text, God worketh all things together for good to them who love Him. Some thoughts brought out were: I never have thought that everything was right in the world. I never thought that God caused everything in the world. The things that happen to us are not all good things. A physical law always works out the same result. Exact are the conditions of life under which we live. If we break laws we must pay the penalty. The results are there if they do not at once appear. Much of our suffering is caused by those near and dear. Out of the sin of man, out of the carelessness of man, have come disaster. God didn't send it. Men have lived in greed and selfishness and the war is the result of these things. God did not start the war. Because we have freedom of will disasters come.

What has God to do with it? Are we tossed to and fro with no choice?

Here is our text: God works all things together for good to them who love Him. I don't believe the things that come to me come from God. I also believe that nothing that comes to me from man can harm me. The things that wicked men mean against us, our failures, weaknesses, unworthiness—all these things shall work for our good because God loves us and is working it out in good. For him who loves God enough to trust Him, Almighty God walks with him day by day and nothing can come into that circle except what will be good. To trust, love and serve Him is worth

NORWICH BOYS TRAINING IN CANADA. Norwich has given approximately twenty-five of its Polish residents to swell the ranks of the Polish army which is being recruited in this country. These young men, seven of whom

while, it isn't circumstances that make people happy. It is the Power that buoys us up and keeps us safe in the hollow of His Hand. Miss H. Louise Fuller accompanied on the piano the hymns sung. Mrs. Henry Church was heard in three solos which gave great pleasure to the large number present. The selections were 'Flee as a Bird to Your Mountain, Behold the Master Passeth By, and Oh! Rest in the Lord.
