WESTERLY TRACKWALKER KILLED

Avoiding Freight, Frank Rubini Stepped in Front of Express—Draft Exemption Cases Pending—Bradford Burglar Wanted as a Deserter—William Benway, From Norwich, Asks to be Locked Up—Three Days' State Military Demonstration.

Frank Rubini, a trackwalker in the employ of the New York, New Haven, and Hartford Railroad company, was instantly killed while engaged in his work, near Kenyon, Saturday morning. He was tightening a bolt in an angle iron, or fish plate, on the east-bound track when a freight train approached. He continued his work until the train was within two hundred feet of him and then stepped upon the west-bound track directly in front of the locomotive of the Colonial express. The train was stopped and the mangled body was left in charge of a trainman.

Dr. Herbert S. Rouse, medical examiner, was notified and made investigation. Permit was given for the removal of the body to undertaking rooms in Westerly. Rubini was about 40, unmarried and resided in Pierce street, Westerly. His only near relative in this country is a brother, a resident of New Haven.

A few more claims for exemption are pending in Rhode Island, and are only such cases that resulted from the calling of more registrants in districts obliged to fill vacancies caused by rejection. By reason of this enforced extra summoning the work of completing the state list has been prolonged. The last increment of fifteen per cent. is now practically ready to go to camp, but it is not known when the call to send this final quota will be issued.

Charges from the draft have just been granted by the Second District board, which includes State District No. 1, which Westerly is a part. John Albert Pawson, 34 Spruce street, Westerly, employed at the Bradford Dyeing association, was given exemption on the ground of being a member of the International Bible Students' association.

Herbert Francis Farrell, arrested for Sheriff John R. Wilcox of Washington county, in Providence by Inspector Godfrey, for breaking into the Vars store and post office and the Girvasini saloon in Hartford, and turned over to the federal officers for the post office break, is wanted by the military authorities as a deserter. Farrell failed to appear for examination under the draft law when ordered by the exemption board from Ward B, Providence, on the 20th of October. He was arrested on the 23rd of October at the town of Westerly.

A big three days' military demonstration of state militia is to be held in Providence commencing Thanksgiving day, opening with a football game between eleven from the members of the Home Guard, neers, Camp Devens, and from Port Wetherell. The coast artillery bands from Fort Greble and Fort Mitchell will be at the game and play patriotic and topical music. It is expected that Rhode Island companies from Newport and soldiers from Fort Stanish and Fort Warren, Boston, will also attend the game, and be in the big military parade Saturday afternoon. The entire Three Hundred and First Engineers, composed in the main of Rhode Island companies from the Narragansett Bay Coast defense, will form the principal section of the parade.

In this connection there will be a tag day all over the state for the benefit of the Loyalty Fund to provide comforts for Rhode Island soldiers. The money raised will be divided among the Rhode Island companies according to their needs, so that each will have a company fund. The tag day will be managed by the woman's committee of Council of National Defense, of which Mrs. Thomas Perry is chairman for Westerly. The program for the three days is outlined by the committee follows:

Thursday, Nov. 22, Thanksgiving Day—Football game, 10:30 a. m., between Three Hundred and First Engineers and the Coast Artillery. Rhode Island military field day, at Narragansett Park, Cranston, 2:30 p. m.; events: Regimental drill, tug of war between teams from Camp Devens and the Rhode Island Coast Defense, military athletic contests, "digging themselves in" and throwing up trenches, bomb throwing, bayonet charges, throwing up bridges (showing erection of bridges in short order), automobile races. Jack Magee, the famous birdman, will arrive from

London, England, on Saturday. A bill has been prepared by the Russian minister of finance to establish a tea monopoly, which is expected to bring in an annual revenue of 400 million roubles to the treasury.

Local Laconics. Native turkeys are quoted at 60 cents a pound in Westerly. Many Westerly boys of the army and navy spent Sunday at home. There is one resident lawyer in Pawtucket and his office is located in Westerly.

Naval recruiting headquarters have been established in Postmaster Farrell's office. The Italians of Westerly and Bradford county received \$448.95 to the Y. M. C. A. fund.

Chief Cottrell has succeeded in securing an ample supply of coal for the central fire house and at a reasonable price, under existing conditions.

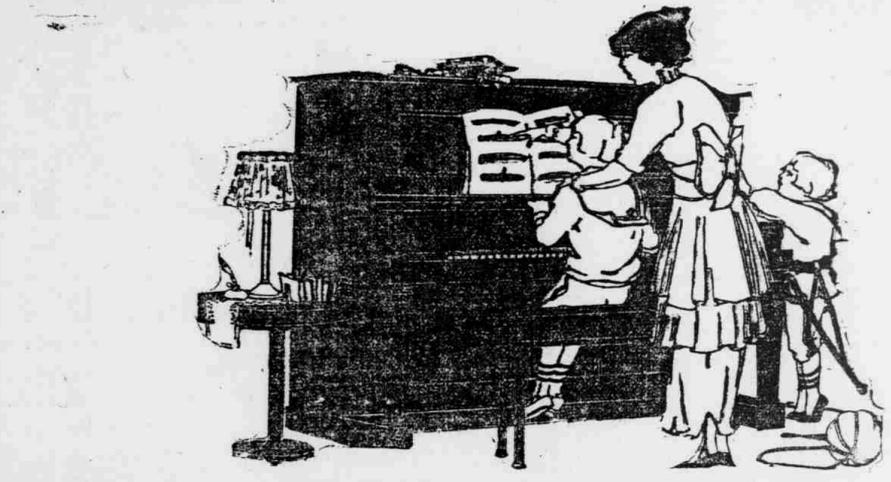

Miss Marie Zangrandi has returned from New York where she has been for a week with her sister, Josephine Zangrandi, who sailed Saturday for Bermuda.

A rumor was current Saturday that Deputy Sheriff William H. Casey of Pawtucket had been asked to accept the captaincy of the New London police force.

It is expected that the Sargent manslaughter case will be finished in the superior court at Kingston today. There will come the case of the state against Patrick Quinn, of Narragansett, charged with an assault upon Mable Nicholas. The court will then come in at Westerly.

The trial of Michael Shannon, supply sergeant of Fort Greble, charged with the murder of his brother-in-law, Robert A. Parkinson, at Sandertown, will be held in the superior court at Westerly this week. A change of venue from Washington county was denied, but transfer from Kingston to Westerly was granted.

William Benway, who came from Norwich, Saturday night and has been several months in Attleboro, which he says is his home, gave himself up to Policeman Curtin, and wanted to be locked up for intoxication. He claimed that he is between teams from Camp Devens and the Rhode Island Coast Defense, military athletic contests, "digging themselves in" and throwing up trenches, bomb throwing, bayonet charges, throwing up bridges (showing erection of bridges in short order), automobile races. Jack Magee, the famous birdman, will arrive from

Success of this co-operative piano sale surpasses all expectations

TWO WEEKS AGO we announced this big co-operative sale of Behr Bros. pianos. On the same day fourteen other large piano houses, in different parts of the country, announced the same sale. Several other firms had previously announced the same sale. And there yet remain about twenty other firms, throughout the United States, to run this same campaign.

This is a co-operative selling campaign, conducted jointly by the Behr Bros., and about 50 piano-merchants, situated in different parts of the country. IT IS A COMBINED EFFORT ON THEIR PART TO PLACE 5,000 BEHR BROS. PIANOS IN AMERICAN HOMES, TO MAKE UP FOR THE LOSS OF THE LARGE EXPORT BUSINESS, BEHR BROS. CO. AS MANUFACTURERS, ENJOYED BEFORE THE WAR.

Our part in the plan consists in disposing of 100 Behr Bros. pianos and 60 Behr Bros. player-pianos. And our announcement MET WITH INSTANT AND TREMENDOUS SUCCESS.

During the first day, after the announcement was made, 10 of these beautiful instruments were taken. Each day since, sale has followed sale—success has followed success.

The best homes of this section have taken advantage of the most unusual opportunity to place a piano of known worth in their home.

Here is a piano which has been prominently on the market for more than 60 years—a piano which will compare with any piano selling at 350 dollars, or thereabouts—selling, during this big co-operative campaign, you can almost say "UNDER THE HAMMER," at 275 dollars each.

You need pay but 5 dollars, as your first or initial payment. You may then pay the balance in small weekly payments, giving us as low as \$1.75 per week.

What an unprecedented opportunity to save money and how easy it is made to own one of the most distinguished pianos in the American market!

But 18 Behr Bros. player-pianos remain to sell at \$445 each

NEVER HAVE WE known player-pianos to sell like these. There has never been a sale with such vim and enthusiasm before. The day the sale opened, two weeks ago today, it was easy to see that these player-pianos would be snapped up in a jiffy.

Here was the Behr Bros. player-piano: The latest model, in beautiful mahoganies, wainuts and oaks.

The grade was identically the same as the piano. And, moreover, it was equipped with the Standard Player-Action, than which a more satisfactory player-action has never been built.

To give you a good idea of the dependability of this action, we know where hundreds of player-pianos equipped with Standard actions have been in daily use for five, six and seven years, upon which there hasn't been as much as a five-cent piece spent for repairs.

So, here was the Behr Bros. player-piano; latest model; equipped with Standard action, to sell for \$445 each, which was at least \$105 LESS than scores of similar player-pianos usually sold for.

Besides this, without advancing the price (\$445), you could select one of these perfectly beautiful instruments and have it sent to your home immediately by making AN INITIAL PAYMENT OF ONLY 5 DOLLARS AND THEN THE BALANCE IN WEEKLY PAYMENTS AS LOW AS \$2.75 PER WEEK.

And every player-piano backed by an unconditional guarantee for 5 years! Was it any wonder that 42 of them were snapped up in two week's time? Anyone who had even a most remote idea of getting a player-piano would be stimulated to "speed up" his purchase through such an unusual opportunity.

These instruments, both pianos and player-pianos, are offered with this understanding: FIRST. That they are guaranteed without reserve, for 5 years from date of purchase. The principle of absolute satisfaction so dominates this sale that purchasers will be permitted to write their own guarantee in case they are not satisfied with the wording of the printed guarantee.

SECOND. That you may exchange the instrument you select, for any reason whatsoever, for any other new piano, player-piano or grand piano we sell, at any time within one year, and get credit for every dollar you have paid.

THIRD. That you may, for any reason, get your money back after having tried the instrument in your home for 30 days.

Note: These liberal privileges are made a part of our written agreement with each and every purchaser.

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, yellow look, dull eyes, pimples, constipated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—and thus just to keep in the normal condition. 10c and 25c per box. All druggists.

WAR IS MAKING MANY CHANGES IN INDUSTRIES. Increasing Number of Employees in Some—Decreasing in Others.

Washington, Nov. 25.—While the war is increasing enormously the number of employees in some industries, in others decided decreases already are beginning to be shown. Figures made public tonight in an investigation of seven industries by the department of labor in September disclose more employees in seven and fewer in six.

Car building and repairing lost 14.8 per cent, boots and shoes 8 per cent, and cotton manufacturing, cotton finishing, silk making and cigar manufacturing showed smaller decreases. The largest increase was 10.8 per cent. in the manufacture of men's ready-made clothing, due to the uniforming of the new armies.

Increases also were found in the making of hose and underwear, woolen, iron and steel, automobiles, leather and paper.

SUFFRAGE MAJORITY IN NEW YORK WAS 88,840

The Total Vote Was 673,389 For and 584,549 Against.

Albany, N. Y., Nov. 25.—Returns filed by upstate county chairmen with George A. Glynn, chairman of the republican state committee, and newspaper returns for the counties of Greater New York, show a majority on the suffrage amendment of 88,840, according to an announcement made tonight by Mr. Glynn.

The total vote for suffrage as compiled by the head of the republican organization, was 673,389 and 584,549 against. The total vote in 1915 was 1,301,689 and in 1917, 1,257,936, but Mr.

IMPORTS OF CHEESE FROM EUROPE HAVE CEASED

It is Being Supplemented by the South American Product.

Washington, Nov. 25.—Imports of cheese from Europe virtually have ceased, with the result that the South American product, heretofore an unknown variety, is appearing in quantity on United States markets.

Figures made public today by the department of commerce showed that imports of European cheese amounted to only 39 pounds in August, as compared with \$3,500,000 pounds purchased in the fiscal year 1914.

YALE DEDICATES ITS NEW MUSIC SCHOOL BUILDING

The Gift of Mrs. Albert A. Sprague and Her Daughter—Cost \$175,000.

New Haven, Conn., Nov. 25.—Yale University today dedicated its new music school building, the Albert Sprague Memorial Hall. The edifice is the gift of Mrs. Albert A. Sprague and her daughter, Mrs. Fred-eric S. Coolidge and its construction cost about \$175,000. The presentation was made by Professor John H. Howitt, LL. D., of Williams college, a classmate of Colonel Sprague in the class of Yale '59. President Arthur T. Hadley accepted the hall for the university and Dean Horatio Parker voiced the thanks of the school. A dedicatory concert was given to conclude the exercises.

Two battleplanes are being presented to the imperial government from Hobart, Tasmania.
