SCHOOL TEACHERS VOLUNTEER SERVICES

Will Assist Local Exemption Board Catalogue Questionnaire Cards—Work to Start Saturday Morning at Thayer Building.

The teachers of Norwich have nobly answered the call for volunteers to assist the local exemption board in the cataloguing of names and statistics connected with the three thousand questionnaires which have been sent out and returned to the board.

The work is to begin Saturday morning in the room in the Thayer building provided by the committee having the work in charge, and is to continue each day until it is completed. In school days the hours of work will be from 8 to 10 in the afternoon and from 8 to 10 in the evening. Each teacher will give to the work as much time as is possible.

RESOLUTIONS ON RESIGNATION OF PASTOR. With reference to the resignation of Rev. Mr. Wyckoff's Whole-Souled Service.

At the midweek prayer meeting of the Second Congregational church held Thursday evening at the parsonage, the committee of three, Arthur L. Peck, Stanton and Rev. Mr. Wyckoff, B. Huntington, appointed to draw up suitable resolutions on the resignation of the pastor, Rev. Herbert J. Wyckoff, made their report, and it was accepted. The church has accepted the resignation because of the vote to unite with the Broadway Congregational church.

When it is recalled that the Journal of Outdoor Life is published in the interest of the anti-tuberculosis campaign, it will be seen that the department is a most timely one.

We express our gratitude and our appreciation of the indefatigable and whole-souled work of Mr. Wyckoff during his pastorate of eight years. His enthusiasm and desire to serve God have led him to toil untriflingly and with singleness of purpose to develop the work of our church in this community to its highest level.
