Flowers and Flag in Easter Decorations—Red Cross Members Manifest Patriotism by Splendid Work During the Past Month.

At the Easter morning service in the M. E. church there was special music. The decorations were potted plants and flowers, donated by 27 members in the congregation.

Red Cross Speeds Active Month.

The following is the report of the work accomplished by the Gales Ferry auxiliary to the Red Cross during March, as made through its chairman, Mrs. Walter B. Buckham.

CHAPLIN

Inspiring Service at the Church Easter Day—Adolph Landeck Returns from Putnam Hospital.

Easter services at the church were inspiring and a good congregation assembled. The pulpit platform was attractive with Easter lilies, other flowers and evergreen.

SOUTH CANTERBURY

Brooks Hadley returned to New Jersey Friday after three weeks' visit with his mother, Mrs. S. B. Hadley.

SAWMILL MOVED.

Thomas Hadley of Ledyard, who supplies large quantities of ties to the New York and New Haven railroad, moved his sawmill from a lot near the Lester district schoolhouse to Wood Lawn farm, the property of Henry W. Hurlbutt, last week.

WOMEN TALK MORE THAN MEN BUT LATTER SAY THE MOST.

Women talk more than men but the latter say the most.

Here's A Gentle Laxative For Elderly People

A daily free movement of the bowels becomes a serious problem as you step from middle-life into old age; and much dependence can no longer be placed on nature herself.

The bowels find artificial aid necessary.

The stronger the physic, as old people soon learn; the greater the contraction of the bowels thereafter; and so the wise purposely avoid salt waters, pills and other harsh purgatives.

Many have learned to place absolute reliance on the gentle but positive action of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin.

It produces an agreeable movement as nearly natural and free as any pharmaceutical skill can make it. Thousands use it regularly; in the small dose prescribed, and keep themselves in fine health and good cheer, and entirely free from constipation.

The druggist will refund your money if it fails to do as promised.

NO INCREASE

In spite of enormous increase in the cost of the raw materials used in the manufacture of Dr. Caldwell's Syrup Pepsin, the price of this laxative remains at the low price of 50c and 81c per bottle. So sold by druggists for 25 years.

FREE SAMPLES—Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in America. If you have never used it, send your address for a free trial bottle to Dr. W. B. Caldwell, 468 Washington St., Montreal, Ill. If you have babies in the family send for a copy of "The Care of the Baby."

DANIELSON AND PUTNAM NEWS

DANIELSON

J. W. Gallup Kills Big Rattler in Florida—Roy A. Kennedy Dies in Lebanon—Funeral of Mrs. Bridget Riley—Quinebaug Company and Connecticut Mills Company Offer \$1,000 Each Toward Motor-Driven Truck.

J. W. Gallup, who is visiting at New Smyrna, Florida, has written home that he killed a rattlesnake five feet in length.

John W. Kennedy of Academy street was in Worcester Tuesday on a business trip.

J. Carl Witter was in Pawtucket on Tuesday to attend the funeral of a relative.

Good String of Trout.—Armand Hensault of Dayville showed one of the best of the early season strings of trout.

Corn Supper Planned.—A committee of Killingly grange is arranging for holding here one of the corn suppers that are proving such a great aid in teaching the value of corn products for food.

Mr. and Mrs. Albert Reed of Cumberland Hill, R. I., have been guests of Mr. and Mrs. W. H. Westral.

The Bohemian club is to serve a special lunch Thursday evening in honor of their guests, the members of the Elkor lodge of Putnam.

Mr. and Mrs. L. E. Kennedy are entertaining Miss Margaret Sullivan of Hartford.

Dr. Burrows Recovering.—Dr. George M. Burrows, a patient at the Day Kimball hospital, continues to show steady improvement.

A temperature of 72 degrees was recorded on a number of thermometers in Danielson early Tuesday afternoon.

Although the special town meeting held Monday evening turned down the proposition that steps be taken for the revaluation of the property in Killingly, it is stated that this will be done in 1920 in compliance with an act of the legislature.

Forest Fires Daily.—Grass and forest fires are of daily occurrence in the country surrounding Danielson. The woods are dry and under extreme care has to be exercised as to the use of matches by all who traverse them.

Edward H. Knowles, who has been employed at the Danielson Cotton Company's plant, has entered the naval service, at Newport, as a second class seaman.

Married, But Enlists, Following Brother.—Joseph Lord, who has two brothers at the front, fighting under the British colors, has heard the call to arms and has gone to Canada after finishing for service overseas.

Mr. Lord is married and has one child. He is a member of the Putnam branch of the Wauregan Auxiliary Active.

The Wauregan auxiliary of the Red Cross during the short period since its organization has produced the following articles: Fifteen pairs of pajamas, 14 hospital shirts, 4 convalescent robes, 25 undershirts, 25 triangular bandages, and 50 absorbent pads.

The Wauregan organization has been showing splendid spirit and energy and it is a decided asset to the Red Cross organizations in this vicinity.

No Longer Deputy Fire Warden.—Charles B. Hutchins, of East Franklin street, states that he is no longer a deputy fire warden.

Hutchins served last year and is receiving many calls to organize parties to fight brush fires that rage now almost daily.

Died at Lebanon.—Ray Arthur Kennedy, 6, son of Mr. and Mrs. Arthur Kennedy, who died at the home of relatives in Lebanon, was a relative of Mr. and Mrs. L. E. Kennedy of Danielson. The body was taken to the home of the boy's parents, in Moosup Valley.

FUNERAL.—Mrs. Bridget Riley.

Tuesday morning at 10 o'clock the funeral of Mrs. Bridget Riley was held from her home on Allen Hill, Brookfield, with a high mass of requiem, officiated by Rev. M. J. Ginet, M. S., was celebrated at St. James' church at 9 o'clock. Burial was in St. James' cemetery. The bearers were Patrick B. Moran, Patrick H. Moran, Hugh Gorman, Sr., and Michael Caffery.

Must Not Sell Hens or Pullets.—Warnings are again being issued that extreme care be taken by poultry owners in disposing of hens and pullets until after May 1. A farmer is not prohibited from killing fens or pullets for his own family use nor from so doing for the benefit of a neighbor or friend, but there is a rigid restriction against selling poultry to dealers who traffic heavily in the line of commerce.

Big city dealers are sending some flattering offers for hens and pullets to persons living hereabouts; there is a serious risk to the seller in trading in such deals.

PROFFERS OF \$1000 EACH FROM TWO CORPORATIONS Toward Purchase of Motor Chemical Truck For Borough—Property Owners Who Favor Project.

Announcements made Tuesday indicate that two or the big corporations in which Danielson is vitally interested think so well of the proposed motor-driven chemical truck that they have offered to contribute generously toward the purchase of one.

Chief A. P. Woodward of the fire department has received the promise of \$1,000 from the Quinebaug company toward the cost of the truck and the promise of another \$1,000 from the Connecticut Mills company toward the purchase price of the vehicle.

The significance of these gifts is particularly apparent from the standpoint of added fire protection when consideration is given to the fact that the major portion of the properties of both of these two big concerns, upon which the prosperity of Danielson largely depends, is outside of the borough limits.

Danielson has grown rapidly within the last five years and closely built up sections here and there outside the borough boundaries offer today possibilities of a disastrous fire, for lack of means of getting apparatus to such sections. The properties are not within the borough, they are served by the same hydrant system that serves Danielson and no person who knows Danielson or its people doubts that they are in case of danger as much as though they were within the heart of the borough district. Damage to them would mean damage to Danielson's important interests.

The offer of gifts aggregating \$2,000.

DANIELSON AND PUTNAM NEWS

PUTNAM

Colored Recruits Go Through to Devens—Over Ninety Interested in Forming Pig Clubs—Two Games Arranged With Naval Reserves' Team—Forty Men Re-Examined on Tuesday.

Dr. George M. Burroughs, of Danielson, who is a surgical patient at the Day Kimball hospital, was reported Tuesday steadily improving, after a serious surgical operation.

Oscar Rich, who has been seriously ill at his home for a few days, was reported Tuesday more favorable condition Tuesday afternoon.

John F. Reardon, Jr., Fall River, was a visitor here Tuesday.

Danielson Pastor to Speak.—Rev. J. T. Edwards, pastor of the Baptist church at Danielson, is to speak at the Baptist church here on Thursday evening at the annual meeting and roll call.

Colored Recruits For Devens.—Hundreds of colored recruits from southern states enroute to Camp Devens, have passed through this city.

Up to Tuesday afternoon no answer had been made as to how much will be required of the people of the Putnam district in buying Liberty bonds of the third series in the drive that starts on Saturday.

Governors of the Putnam Country club are to meet Friday evening to discuss plans for the opening of the 1915 season. There has been no playing on the club's links yet, as the turf is too soft.

Several flocks of wild geese were reported Tuesday as flying north, this being a daily contingent, as shown by reports for the past week.

Trapped a Fox.—County Agent E. W. Ellis has returned from a visit at his home in Plymouth, Mass., near where he trapped a fox last Saturday morning.

Receives Copies of Army Paper.—From his son, Captain James M. Kent, M. D., member of the United States Medical corps in France, Dr. J. B. Kent, chairman of the local committee board, has received copies of two of the first editions of the Stars and Stripes, the army paper being published "over there." The paper is of regulation size and filled with matters of special interest to the soldiers.

Candidate to Preach.—Rev. A. S. Bishop of Jamaica Plain, will preach at the Baptist church here Sunday as a candidate for pastor, to succeed Rev. A. E. Stone, who has entered the service of the country as a chaplain.

James Henry Smith, of Derby, was a visitor with friends in Putnam on Tuesday.

The Bohemian club of Danielson will serve a special lunch Thursday evening in honor of their guests, the members of Putnam lodge of Elks, who will have teams playing in the series of tournaments going on between the two organizations.

Interest in Pig Clubs.—It was stated Tuesday at the office of the Windham County farmer's association that more than 90 applications have been received from persons who want to take membership in the pig clubs. This interest in raising more pork, that the nation's food supply may be increased has created a very good feeling, with the next applicants are wanted and now is the time for them to send in their names.

Men May Be Called Before May.—Registered men who are in line to be called for service with the next contingent of selected men who go out from this district are making almost daily inquiries as to the date when they will be asked to report. No definite information can be given by the local board, but it is believed that more men will be sent out during the present month, probably just before the first of May.

SECURES TWO GAMES.—Manager Thomas McDermott to Have Putnam Play Naval Reserves.

Thomas McDermott, who has managed Putnam's big baseball team for the past few years, announced Tuesday afternoon that he has booked two games with the Newport Naval Reserves district team. The first game will be played in Newport July 6, a Saturday date, the second game in Putnam July 21, a Sunday date. Arrangements may be made for still another game that have made applications of three, but this has not been definitely decided.

The naval team is made up, for the most part, of officers who have made good in professional or semi-professional ball. Their big squad of players is already engaged in practice, so Manager McDermott has succeeded in arranging a baseball attraction that will be a great hit here.

That Putnam may be well represented by a team of players that, he promises, will be the strongest combination on the field that has represented this city in years.

FORTY MEN EXAMINED.—Called Back to Undergo Test Before Local Board's Physicians.

Forty men who previously had been given deferred classifications on account of physical disabilities were here Tuesday to undergo examination by the local board's physicians, Dr. J. B. Kent and Lieut. Edward J. Perry, M. D., U. S. R.

Some of the men have undergone several examinations, but the new rules required that they come back. Most of the cases based upon Tuesday were referred to the medical advisory board. A few of the men were rejected as physically unfit. Forty more men will be before the board today, and this will end the examination of Class 5 men for the present.

SEED CORN TEST.—A Necessity This Year, According to County Agent Ellis.

County Agent E. W. Ellis said on Tuesday afternoon that germination tests that have been conducted in the Putnam district during the past few weeks, that only about one-fifth of the corn tests up to \$5, the minimum amount required for a test, were successful. The farmers' association stands ready to assist all farmers in having corn germination tests made and has also compiled a list of persons who have used corn that tests up to \$5 per cent, or better.

As an effort will be made this year to raise a tremendous corn crop in Connecticut, farmers are particularly urged not to plant seed corn that has not been thoroughly tested, so that they will be protected against a crop failure by reason of using corn that will not germinate.

In furthering the corn-growing propaganda, another corn feast day has been arranged for Oneco and arrangements are being made for holding another in Danielson on Oneco. There will be a corn dinner from 12 to 2, and a corn supper from 6 to 8.

Food Administrator to Speak.—Robert Scoville, state food administrator, is to speak at a corn supper to be held in the Congregational chapel in Eastford Friday evening of this week.

Boys and Girls' Garden clubs are again being organized in county towns, Plainfield and Windham are two towns that have made applications to pay leaders of such clubs, so the clubs there should be entitled to receive also \$150 each in aid from the federal government.

STAFFORD.—Letter From George Clark, Jr., Describes His Rescue When the Tuscania Was Torpedoed—Survivors Treated Finely by Irish People and Scotch Soldiers.

The Red Cross met Tuesday afternoon. The meeting of the Stafford Grange was held Tuesday evening.

Mrs. James A. Johnson has gone to Worcester for a visit.

Reaches France.—Mrs. John Bowden recently received a card from Mr. Bowden saying he had arrived in France safely.

Mrs. F. B. Engler and son of Wallingford are visiting her parents, Mrs. and Mrs. J. P. Brown.

Mr. and Mrs. Albert Boardman and daughters of Norwich have been spending a few days with Mrs. James Johnson.

Raymond Park of Camp Gordon, Atlanta, Ga., has been spending a few days with his parents, Mr. and Mrs. William Park.

Ralph Booth spoke at Stafford town hall Saturday evening on Farm and Garden and their relation to the War.

Was Rescued From Tuscania.—The following letter received from George Clark, Jr., who was rescued from the Tuscania:

Dear Friend: It is a long time since I have had a letter from the states and a bit of news would seem good for me from home. I have thought of Bill Phelps and know how he felt now.

Ladies' and Misses' New Smart Suits In Great Variety and Wonderfully Attractive Values. Men's Suits WITH QUALITY AND RELIABILITY PLUS STYLE \$20.00. \$30.00. Boys' Suits \$4.50 to \$10.00. WE TRUST YOU. HEALING RELIEF FOR TORTURING ECZEMA. The Lee & Osgood Co. has sold hundreds of jars of Hokers, and although they offered to refund the purchase price to any dissatisfied purchaser, not one jar has been returned. While this is surprising in itself, yet the most marvelous thing is the reports of chronic cases of eczema that have been cured by this simple skin food. People who have suffered with scales, scabs and even bleeding itching have found relief in Hokers. No matter where the eczema, pimples or other breaking out occurs, whether on the face, hands, legs or body, the application of Hokers should give quick relief, and even the worst or most chronic cases should be cured in a short time. You can buy a liberal-sized jar to-day at the very low price of 25c, and with every package goes The Lee & Osgood Co.'s guarantee to refund the money if it is not satisfactory. MARTIN T. BURNS The Local Undertaker Danielson, Day and Night Service. Tel. 193-12.
