MAYOR BROWN WATCHING FINANCES

Wants to Know if Balances Are Enough to Carry Through to End of Year—Annual Reports Made By Park Board, Milk Inspector, Health Officer, and Water Commissioners—Numerous Petitions Before Common Council.

Mayor Allyn L. Brown, whose term of office will be over at the next city election in June, showed a desire to have all the city departments close the year with expenditures within their appropriations when he asked the various department chairmen at the regular May common council meeting on Monday night to tell him whether it was likely that they would have balances enough in their departments to carry them through to the end of the year.

The meeting was opened with routine business, except for the annual reports which were presented by the park commissioners, milk inspector, city health officer and the board of water commissioners. These were all accepted without reading and the city directors about printing them were given.

These present besides Mayor Brown and City Clerk J. A. Desmond were Aldermen Guy B. Dolbear, H. H. Allen, M. R. Waters, M. C. Higgins and Councilmen Frank L. Arnold, Joseph C. Wood, John H. Carney, Earl Mathewson, Frank G. Rice and Edward Crooks. Councilmen John H. Vaughn and William H. Bowen were absentees.

The council voted to withdraw from Mary Dolan, who had made a claim against the city for \$25 damages. The water department is handling the settlement of the claim.

Flushing of Brick Pavement. Alderman Higgins for the public works committee recommended in response to a petition from W. E. Perry

the city hall wall and was in bed a week from the injuries. The doctor holds the city liable for the accident.

It cost him \$1,450 to repair the car and \$25 for a nurse for a week for Mrs. Tingley. The claim was referred to the finance committee.

Sedgwick post, No. 1, G. A. R., sent its usual request for the common council members to attend the Memorial Day exercises. The invitation was accepted.

Vote to lay the grade asked for at F. G. Rice's at 118 Asylum street was passed.

Frederick G. Shea was appointed a supernumerary on the police court by ballot of the council, Clerk J. A. Desmond called the ballot.

The report of the street commissioner showed total expenditures in April of \$4,942.50.

The following department bills were approved and the meeting adjourned at 9.45 to meet again on Friday evening, May 17th:

Park Department, \$50.25; water, \$4,028.56; gas and electric, \$35,872.05; finance, \$6,162.35; police, \$2,621.48; street lighting, \$274.75;

Public Works Department, \$41,113.39; fire department, \$5,254.55; finance, \$5,888.53.

Park Board Asks \$5,000. In making its twelfth annual report, the board of park commissioners, of which Fred W. Perry is chairman, asked for an appropriation for \$5,000 for next year.

The following was its report for the past year: Of the work outlined a year ago, to be done in the year now closing, sufficient has been accomplished to justify the claim that no real progress has been made with the general scheme of park development than that made in any similar period of former years.

The first work of the past year was to finish the Washington street path with its bridge, which bridge, though had been commenced in the previous year. Then followed the completion of the band stand, this being the first permanent band stand in Norwich.
