DAVIS THEATRE

Big Feature Photoplay Bill Today—Ray's New Photoplay Has Powerful Theme—Numerous Thrilling Incidents Make His Own Home Town, Notable.

The new Paramount picture, His Own Home Town, starring Charles Ray, is said to be one of the most exceptional interest and which affords Mr. Ray one of the best roles he has enacted in many months.

The story deals with the corrupt operations of a political ring in a small town and with the efforts of Jimmy Duncan to rid the city of this degrading incubus.

The picture, which will have its first presentation in this city at the Davis theatre Thursday, Friday and Saturday was produced under the supervision of Thomas H. Ince, which in itself is a sufficient guarantee that the usual high standard established by Paramount is amply maintained.

Other features on this bill are Pauline Starke in "The Progress of a Little Country Girl" who gets lost in the big city; Benjamin Chapin in the seventh chapter of the "Son of Democracy" entitled "Down the River, and Current Events."

Ambassador Gerard's My Four Years in Germany Coming to Davis Theatre Next Week.

Ambassador Gerard's My Four Years in Germany, the remarkable photoplay adapted from the story by Ambassador Gerard and filmed under his personal observation and direction will be presented at the Davis theatre beginning next Monday, for three days.

There is but one verdict heard from those who have seen the picture and that is "Wonderful" and "wonderful" it really is. The United States government co-operated in the making of it and the president, his cabinet and high Washington officials saw it and praised it.

The portrayal of the Kaiser and his staff; the treatment accorded the English and Russian prisoners by the Germans; the capture and deportation of the Belgian women; the killing of young and old; the shooting of other prisoners on their road to prison camps in order to have fewer to feed, all these and much more are shown in a picture as to the day almost hurt, but quite necessary for a proper appreciation of what is going on in that part of the world at present.

The wonderful finale showing how America has at last prepared herself for the fray is one of the most striking pictures ever screened and had the sanction of the censor for its fitting. The whole picture is an object lesson that should be seen by every man, woman and child for its educational value alone.

BREED THEATRE

Francis X. Bushman and Beverly Bayne in Cyclone Higgins, D.D., a Five-Part Metro Production, Feature Today.

Francis X. Bushman and Beverly Bayne head the bill at the Breed theatre today and tonight in Cyclone Higgins, D.D., in this amazing comedy drama Mr. Bushman shows his ability as an out and out character actor with charming Beverly Bayne to help him.

The picture is a corking good one and is very much out of the ordinary for these famous co-stars. Pearl White and Antonio Moreno are also seen in The House of Hate, the continued photoplay with a thrill every minute.

A two-part Mack Bennett comedy titled The Pullman Bride, featuring Gloria Swanson, Mack Swain and Chester Conklin and the famous Burton Holmes travel series complete the bill.

AT THE AUDITORIUM

Last Show of the Broadway Revue Company.

Beginning today and for the balance of the week, afternoon and evening, Nonsense Outdone will be the last offering of the Broadway Revue. As the title suggests it is a show for laughing purposes only and is said to be a hummer from start to finish, interspersed with catchy songs, witty dialogue and clever comedy throughout. In these strenuous times a person or an organization who can make a man forget high taxation, cost of living and the rigors of war is a national benefactor and should be encouraged to the limit. There is no question that the Broadway Revue company has succeeded in this purpose.

CATARHIAL DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing will be permanently lost. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface of the Eustachian tube. Medicine acts through the blood on the mucous surfaces of the system. We will give you a hundred dollars for any case of catarrhal deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All drug stores, 75c.

pose and their last big laugh will be the crowning point of that achievement. Patrons of the Auditorium should not fail to avail themselves of this last opportunity and join in the lingering hilarity.

The picture programme will be one of the best ever shown at this theatre, which will include Neil Shipman and Cyrus Thompson Brady in A Girl From Beyond, a story of love and vengeance, the scenes being taken in New York and the golden southwest, showing Miss Shipman in one of her strongest roles, and is pronounced a thriller.
