STONINGTON UNION BAPTISTS GATHER BUSY BUSINESS MEN

Hold Annual Convention With Church at Jewett City—Two Day Session Ended on Thursday—Had Attendance of 300—Pass Resolutions For Nation-Wide Prohibition and Evangelistic Campaign.

(Special to The Bulletin.) The 146th anniversary of the Stonington Union Association was observed at the Baptist church in Jewett City, on Wednesday and Thursday. Rev. J. B. Knowles, of Volun town, as moderator, presided at the first of Wednesday's meetings. Miss George Sparks at the piano. The rules of decorum were read by the clerk, Rev. J. W. Payne. Deacon E. S. Osborn, Sterling Hill and Deacon Charles Anderson of Volun town were appointed tellers. The clerk read three letters which were not published in the folder from Groton, Healdsburg, Keokuk and Jewett City church letter of welcome written by Deacon J. E. Phillips. Rev. Lucien Drury of North Stonington read scripture and offered prayer. The morning address was by Rev. C. S. Nightingale of Moosup. His text was 1 Samuel 17:47. His topic was, 'What does our Christian Faith predict as to the outcome of the war?'

In part he spoke as follows: Right does not always win. In the fight with alcohol right has lost ten thousand times. Also the fall of ancient empires, and of Christ in a real and practical sense. Be careful and not draw deductions from spiritual truths in a temporal realm. His text shows that right does not always win. If it did there would be no room for real Calvary in the history of men and nations. Calvary is real success.

He summed up his discourse by saying: Remember the strength of the enemy—the danger of disorganization inherent in democracy—the advantages of democracy and might must enlist right in its cause. The offering for the widows and orphans fund was received. Deacon Elias P. Wilcox of Mystic was elected moderator. The report for the committee on arrangements was given by Rev. M. D. Fuller, pastor of the Jewett City Baptist church. The tellers cast one vote that the clerk should succeed himself and also receive the usual remuneration.

New Pastors Introduced. Two new pastors were introduced and responded to the introduction. Rev. J. G. Osborne of Mystic and Rev. M. D. Fuller of Jewett City. Mr. Fuller asked the audience to rise and sing 'Blest Be the Tie and the Shake Hands with the Next Neighbor.' It was moved that the visiting brethren be given a place of honor in the meeting of the association.

The obituary report was given by Rev. F. W. Tholen, of Preston City, showing forty-seven deaths reported from the churches. Prayer was offered by Rev. O. G. Buddington. Rev. O. G. Buddington, Rev. A. B. Coates dismissed the morning session. Dinner was served in the vestry by the ladies of the church under the direction of Miss Ida L. Foster. Mrs. Charles Gardner in charge of the dining room.

Women's Missionary Meeting. Miss Fish of Mystic presided at the meeting of the Woman's Foreign Mission society in the afternoon. Mrs. Osborne read the report and offered prayer. Mrs. Briggs, a missionary from Japan was introduced and gave a most interesting description of the work of Captain Rockwell and the Gospelship 'Fuku-Maru.' By this means there have been over 300 converts made to the Christian religion among the islands of the Japan sea, where no missionary had ever been. Mrs. H. Wolf of Mystic reported \$265.95 as the total contributions and also spoke of the Junior work. The apportionment is increased twenty-five per cent this year. Each president is asked to see that one-quarter of this apportionment is raised by June 20. Mrs. Thompson gave information regarding the Reading contest, for which a loving cup was offered.

Committees Appointed. The moderator then took the chair and Rev. Lucien Drury conducted the devotional exercises. Standing committees were appointed as follows: On resolutions, Rev. J. G. Osborne of Mystic; Finance, Mrs. M. G. Plunkett of Jewett City; Deacon E. S. Osborn, Sterling Hill and Deacon Charles Anderson of Volun town; Obituaries, Rev. Lucien Drury, North Stonington; W. E. Spicer and Rev. J. B. Knowles, Echoes from the Northern Baptist Convention were given by Rev. O. G. Buddington.

Mr. Brown of Westerly was introduced as having attended this association 72 years ago and made a few remarks. A. B. Coates, D.D., of Hartford, gave an address on the 'Full Significance of Laymen's Drive.' He said it is a religious movement born and carried on in prayer. It is a happy one because it completed the circle of the churches' activities. It is a potential force in the building up of the church of God. The plan is that the laymen of every church shall organize, not for the purpose of raising money but for greater evangelistic work.

Rev. Mr. Atha of Groton gave the report of the missionary committee. The missionary committee appointed Rev. G. A. Atha, Groton; Deacon D. L. Phillips, Jewett City; Deacon S. Robbins, Preston; Rev. O. G. Buddington, Ticonderoga; Rev. M. D. Fuller, Jewett City; Deacon Wilcox, Mystic.

Spoke on Temperance. Rev. E. W. Potter, secretary of the State Temperance Union spoke of the work and the necessity of getting legislation to raise the amendment, and working for wartime prohibition. It was moved that at some convenient time before the association closed a meeting be called to organize a 'Laymen's Association.' It was voted that Rev. O. G. Buddington, J. G. Packer and Rev. F. S. Robbins be a committee to look over the financial table.

Supper was served in the vestry at 6 o'clock. Evening Service. At 7 o'clock Miss Towne of Hartford gave a talk on Sunday School Instruction to Children Under Twelve Years of Age. The evening devotional service was led by Rev. E. G. Boardman.

The Baptist Sunday School orchestra, Rev. Mr. Fuller, leader, played two selections, 'God Wills It' and 'Father's Mass.' The choir under the direction of Mrs. C. H. Prior with Miss Annie Robertson, organist, sang 'Benedictus in A' by Ashford. During the offering the orchestra played 'Pilgrim's Chorus.' Rev. J. G. Osborne delivered the evening address, his subject being the Call of the Hour. He gave some of the reasons why we have not been up to the standard of cooperative selfishness. Democracy has not failed. Public opinion in general molds all things. The general effect of it is to bring about a desire for a certain object. There is a temptation to sham altruism. The call of the hour is to

Science Helps Them Out After Recklessly Abusing the Stomach

The most reckless man in regard to health is the busy business man. At home he pushes out his wife to eat. He bolts his food without proper mastication, and seeps on his stomach an extra ounce of food. He is unable to carry without breaking down. His overworked stomach is crying for help. It appeals to him for relief in various ways: Expulsion of sour gas, water-brash, sour taste in mouth, flatulencies and the shortness of breath, bad breath, etc. One Mi-na-na tablet taken with or after each meal will help him. It relieves from dyspepsia-wonderfully. It aids the stomach in the work of digestion and must be taken.

Mi-na-na tablets are sold by Lee & Osmond Co. with a rigid guarantee to ensure complete relief of all stomach troubles, or money back. They make eating a pleasure. They clean and purify the stomach and bowels and puts vigor and strength into the overworked tissues of the stomach and the rest of the body. Sold by leading druggists everywhere.

men and resolve to see this war through. II—With the knowledge of the splendid work for God among our soldiers and sailors, and the splendid work of the Y. M. C. A. and similar agencies for good, and pledge our hearty support to all such and to our own Baptist war commission. III—That in the interest of the conservation of money, food, fuel, transportation facilities and man power, needed for the speedy winning of the war to make our country safe and democracy, we petition our senators and representatives in congress to urge the speedy consideration and adoption of the Barkley bill, House bill 1718—for the strict prohibition of the manufacture and sale of intoxicating drinks during the period of the war, and a copy of these resolutions be sent to our senators and the representatives from this congressional district. Resolved, also, that in the interest of making democracy safe for the world by ridding the nation of its most prolific source of crime, we agree by every right means in our power to work for the election to the general assembly of our state for 1918 of senators and representatives who will declare themselves in favor of ratifying the proposed amendment to the federal constitution prohibiting the traffic in intoxicating liquors for beverage purposes.

IV—Believing that the spirit of God has brought to us in these meetings a positive call for definite evangelistic effort, and realizing the value of the knowledge of Jesus Christ, and also the undertaking of a persistent, definite special effort for the winning of souls to the Master. As an aid to the accomplishment of this work, we suggest that the pastors volunteer their service at this time and place as may be desirable under the direction of our missionary committee. V—In view of the increase of the widows and orphans fund, resolved, that we recommend to the trustees such increase of the amounts paid to beneficiaries as may be desirable and possible.

These five resolutions were adopted by a standing vote. In front of our heartfelt appreciation of the splendid hospitality of the good people of the church in Jewett City. We have enjoyed your pleasant homes, your beautiful streets, your beautiful auditorium and your dining hall with its galaxy of beauty expertly interested in the satisfying of the cravings of appetites. We would like to see you again. The moderator was empowered to make any corrections in the proceedings. After the collection, Miss Brown was invited to speak a few minutes longer. It was moved that the reading of the constitution be suspended as to the reading of the minutes. Rev. Mr. Fuller offered the closing prayer and pronounced the benediction.

JUNIOR FOOD ARMY HAS 36,000 ENROLLED Boys and Girls in Connecticut. With Litchfield, Middlesex and Tolland counties we have under cultivation 130 acres of potatoes, making a total of 838 acres under cultivation by Junior Food Army members at the present time. The live stock project, which has had the choice between pigs, sheep, poultry and calves, has shown great preference for poultry. A total of 24,120 birds being cared for by 2614 members.

Rearing Over 2,000 Pigs. The pig project has claimed the attention of 1232 members, who are rearing over 2,000 pigs. This is about four times the number of pigs raised by club members last year and indicates that Connecticut boys and girls have taken seriously Herbert Hoover's declaration that a pig is as good as a shell in the war with Germany. The calf and sheep project are being taken up this year for the first time, but nevertheless 416 boys and girls are raising these types of live stock. At present 127 boys and girls have signed up to raise over 2,000 lambs. Although considerable difficulty is being experienced in securing the sheep, the needs are being filled.

The food saving project which is mainly driven by 1601 members. The cooking project has 3360 members, many of whom have already completed their work. The drive for 20,000 canning members is being started in response to the call from the United States Department of Agriculture for one million jars of fruit and vegetables canned this season by Connecticut boys and girls. The following quotas for canners have been assigned for the various counties: New Haven county, 330 members; Fairfield county, 4690 members; Hartford county 4690 members; New London county 4690 members; Litchfield county, 1340 members; Windham county, 338 members; Middlesex county, 238 members; Tolland county, 536 members. There are already 3483 canning members enrolled and these will be credited to their home county in the canning drive.

Every sweet girl graduate thinks it is up to her to reform some man.

BOY SCOUTS CHALK

"417" ON CITY WAISTS Their Way of Boosting the War Savings Campaign This Week. If you see a little human jumping jack in khaki hop-skipping along your sidewalk, decorating it with the mystic talisman "417" don't try to stop him or shoo him off. He has the law on you. He's a Boy Scout with a fistful of chalk, boosting War Savings Stamps with the backing of the government. Stringent ordinances exist against defacing things even to marking over public or private property. In some towns children are ever forbidden to map out "hop-scotch" layouts. But the law is off on Boy Scouts and the war stamp numerals "417." Mayor Desmond with the Chief of Police concurring has declared it open season for Boy Scouts thus to perform.

So the uniformed young future heroes are chalking "417" in front of houses and stores wherever they will as the spirit moves, reminding the elder and the younger too, that \$4.17 invested now in a War Savings Stamp will come back to you in 1923 worth a full \$5.00. It is a profitable investment, and helps your Uncle Samuel expand his war muscles.

SUES JOHNSON ESTATE FOR CLAIM OF \$7,000 Henry D. Johnson Was Financial Advisor For the Late Borrah Doctor. Suit to collect a claim for \$7,000 has been brought against the estate of the late Dr. Nathan Johnson of Borrah, by Henry D. Johnson of this city who makes the claim for rendering services at the late doctor's request as confidential advisor, attorney and agent. The plaintiff states in his complaint that these services were rendered from August 2, 1918 to the date of the doctor's death on April 17, 1917, and consisted of purchase of securities, making investments of Borrah, the taking full charge of the doctor's financial interests.

Internal Revenue Collector's Schedule. William T. Connor of New London, deputy internal revenue collector was in Baltic on Thursday for the collection of the taxes due from pool rooms, liquor dealers and motor boat owners and is to be in Central Village and Plainfield today (Friday) at the Norwich post office building on Saturday, and in the Norwich police court room from Monday, June 24 to Wednesday, June 26. His hours are from 10 a. m. to 6 p. m.

Hartford—Sixty special policemen have been sworn in by Mayor Richard J. Kinsella for duty at the Colt factory.

Banner Month For Recruiting. Major W. A. Mercer, commanding Connecticut Recruiting District, states that June will probably be the banner month for recruiting in Connecticut. So far over two hundred men have been sent away via volunteers from this state. Major Mercer also states that while the all service is closed the signal corps, of which the aviation formerly was a part, is open to men skilled in the following trades: Cable, telegraph and radio operators, inside and outside wiremen, electricians, machinists, photographers, men familiar with construction and maintenance of telephone systems, chauffeurs, repairers of autos, gas engines, cable splicers, moving picture men, camera, glass, experts, cooks, clerks, buglers, horsemen, cobblers.

Putnam Man Enlists. Lafayette L. Veilleux of Putnam has enlisted at the New Haven recruiting station and has been sent to Fort Slocum, N. Y. As for the city real estate owner, his power lies in his front feet.

WANT MORE YEOMANETTES FOR NAVAL RESERVES

Recruiting Station Here Has Enlisted Only One to Date. Yeoman Joseph MacDonald is still receiving enlistments to the naval reserve at his office in the mayor's office at the town hall and by next Tuesday will have enough on hand to have the doctor and the enrolling officer come here from New London to make the physical-examinations and enroll these new recruits. So far only one yeomanette has been enlisted. There is a call for more and the yeoman would like to have some more expert stenographers and typographers to enroll their names for this navy service. The yeoman also calls attention to the fact that now is the time for those young men to enlist who have become 21 since the 5th of June, 1917, and that those who get into the navy now stand the best chance for promotion.

The latest to enlist are the following: James Sahan, 192 West Town street, Fred Gauthier, Hanover, Raymond French, 21 Mulberry street, Joseph P. Farrell, Henry Clark, Central Village.

FLY THE FLAG FOR WAR SAVINGS CAMPAIGN

Work Starts This (Friday) Morning in Town of Norwich. Hang the flag out this (Friday) morning sure. The War Savings Campaign starts today in deadly earnest, and when the week is over it is expected that every adult within the borders of the state will have finally and publicly enlisted to help do his or her bit to help the fighters. Get your flag out at sunrise, and let it fly every pleasant day until June 28th. It's a good habit to indulge in and helps us all to remember that our help is needed to the utmost.

Lift Off Corns!

"Freezone" is Magic! Lift any Corn or Callus right off with fingers—No pain!

Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. It doesn't hurt one bit. Yes, magic! Why wait? Your druggist sells a tiny bottle of Freezone for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without scratching or irritation. Freezone is the much talked of ether discovery of a Cincinnati genius.

PATRIOTIC PROGRAMMES FOR FOURTH OF JULY

General Outline is Suggested By State Council of Defense. Suggestions of program and features for community celebrations of Independence Day have been forwarded to the chairman of War Bureaus and Town Committees of the Connecticut State Council of Defense by the council.

A program of patriotic outdoor exercises has been suggested as a model and in keeping with the aims of the Council of National Defense. Among the suggested features are: Singing of patriotic songs by the Liberty Chorus and audience the reading of President Wilson's message to the Congress.

Nervous Run-Down Woman

Tells How Vinol Creates Strength Diked, Tenn.—'I live on a farm and keep house for six in my family. I got into a nervous, run-down condition so it seemed as though I would die. A friend advised me to try Vinol. I have been greatly improved by its use and am better and stronger in every way.'—Mrs. H. H. Goodwin. The reason Vinol was so successful in Mrs. Goodwin's case is because it contains beef and cod liver peptides, iron and manganese peptonates and glycerophosphates, the very elements needed to build up a weak, run-down system and create strength. FOR THE GRADUATE

Commencement Day stands out as one of the big occasions in life. It celebrates the first achievement to receive public recognition. It is a proud day for graduate, parents, friends. It is very natural that an occasion of such importance be commemorated with fitting gifts of permanent value. The custom of making gifts to graduates is a pretty one. Perhaps we can help you select a suitable gift. We have chosen our stock with that idea in mind.
