A DANGEROUS TROUBLE

Norwich People Tell How to Act in Time. Kidney diseases are very dangerous. They come on silently, gain ground rapidly, and cause thousands of deaths that could have been prevented by proper treatment in the beginning.

Nature gives early warnings of kidney disease—backache, twinges of pain when stooping or lifting, headaches and urinary disorders. If these symptoms are unheeded, there is grave danger of dropsy or fatal Bright's disease.

Doan's Kidney Pills have earned a reputation for their effectiveness in kidney troubles, and are known and recommended the world over. Norwich testimony proves the merit of Doan's Kidney Pills to our readers.

Mrs. A. D. Lathrop, 3 Stanton Ave., says: "I am recommending Doan's Kidney Pills, because I have used several other medicines for attacks of backache and found none as good as Doan's. They give great relief, always strengthening my back. I also recommend Doan's Kidney Pills, because I think they will help others."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lathrop had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

TURKS ARE DEPARTING THE CHRISTIAN GREEKS

From the Flourishing Regions of Turkey Along the Coast.

New York, Aug. 2.—More than 350,000 Christian Greeks have been deported by the Turks from their homes in the flourishing regions of Turkey bordering on the coast, notably from Samos, Aivali, Trebizond, and Smyrna, according to a report from the Greek foreign office to the relief committee for Greeks of Asia Minor given out here today.

"These Christian Greeks," says the committee, "who have been among the most peaceful and prosperous of the peoples of Asiatic Turkey, have been from the first, marked for spoliation and slaughter because of their thrift and their faith, both of which are capital crimes in the eyes of their oppressors."

"They have been taxed out of business, their homes and property confiscated and themselves driven into the deserts to die of starvation."

"These suffering exiles look to America as their only hope. During the fiscal year which ended June 30 last this committee sent \$40,226 to help keep them alive until they should be freed from the yoke of their oppressors and allowed to return to their homes."
