WESTERLY TO HAVE HONOR ROLL

Will Be Placed in Front of Town Hall — To Contain From 300 to 400 Names — Police Will Have to Get Along Without Summer Uniforms—Council Meeting Disposes of Much Business.

The members of the Westerly town council at their regular monthly session in the council chamber at the town hall building Monday morning, voted to place a board in front of the town hall on which will be posted the honor roll of the Westerly young men who are serving their country in the army and navy. A committee of four, consisting of Councilmen Frederick E. Fowler, Howard E. Thorp, Town Clerk Everett E. Whipple and Herbert F. Clark, was appointed to take charge of the compiling of the names and have them posted in proper form. It is estimated that between 300 and 400 Westerly young men are in the service.

GAS IN THE STOMACH IS DANGEROUS

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion." Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart. It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any drugist a few ounces of Bismarck Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloated right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bismarck Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

An application was received from the local labor union, signed by Edwin L. Sawyer, secretary, for permission to use the town hall on the evening of Sept. 7, when a mass meeting will be held for the purpose of showing the patriotic stand taken by labor in the great world conflict. The members of the council were invited to take seats upon the platform with the speakers that evening. The application was granted.

John Genereale came before the council with a bill amounting to \$120 for rent due him. The bill was contracted by the late Henry Staples. It appeared that Staples had received assistance from the town through the department of the overseer of the poor, but it was held that the town was not responsible for his rent. Genereale was referred to Ellery Barber, overseer of the poor.

A communication was read from Judge John W. Sweeney, asking that the council appoint a suitable committee to place a valuation upon the property owned by him which is desired for the new sewerage system. Judge Sweeney in his letter stated that the present committee had never placed a valuation on the land required for the purpose. Town Solicitor Harry B. Agard explained that it was not the fault of the committee. He said the water board had found that a smaller amount of land would be needed and that unofficially he had informed the committee not to take further action on the present vote. He said that Everett A. Kingsley, a member of the committee, had conferred with Mr. Sweeney. Solicitor Agard was appointed a committee to take up the matter with Mr. Sweeney.

As the date for the new regular meeting of the council falls on Labor Day, it was voted to meet on the following day, Sept. 3. The council will hold a special session on Wednesday for the purpose of canvassing the voting list to procure the names of the
