### Coit Agency Sells Washington Street Property.

Through the agency of Archa W. Coit, the estate of Richard S. Parker has sold to Mrs. Henry Coit, the very desirable residence property known as 253 Washington street, consisting of a two and one-half story frame dwelling. The house which was built by the late William H. Davenport is thoroughly modern throughout, and is one of the most attractive residences in that section of the city. Mr. Murray is electrical engineer for the Shore Line Electric Railway. He moves to Norwich with his family from North Carolina, and will occupy the property in the near future.

### Kingston Fair to be Big Event.

It is with added interest that the final arrangements for this year's Kingston county fair which opens on Sept. 10, are being made by the board of directors. The fair, which has been the most attractive and profitable of its kind in the county for many years, is expected to draw a record crowd.

### At event of unusual interest.

An event of unusual interest is that on Governor's Day ex-President Taft will deliver an address in addition to the annual address by the governor, R. Livingston Metchum. It is expected that these interesting features will draw a record crowd. Ex-President Taft is engaged in many many activities and he is a speaker of unusual interest. His earnest wish for world peace has put him very much in the public eye, and while he stands squarely for a fight to the finish, he has advanced ideas on helping organize the world to make future wars impossible. His usual competitive exhibit of fruit and vegetable specimens will of course take place at the fair, and it is expected that they will excel any displayed at previous fairs. In addition to this number of educational experiments and exhibitions dealing with agricultural problems will be given for the benefit of the farmers in the vicinity, but they will be none the less interesting to the city people.

### Special plans have been made for a series of excellent vaudeville entertainments under the direction of Sam Baldwin, consisting of a number of acts, as follows:

A musical comedy act, clown act, quartet, comedy, singing act, strong tumbling act, dog act, monkey act. There will be two performances each day, one at 10:30 a. m. and at 1 p. m.

### AUDITORIUM.

For today and tomorrow at the Auditorium theatre The Uncle Sam's Belles Company presents an entire new production, including costumes, scenery and songs, entitled A Hot Old Time, headed by that funny comedian, Jack Van, who is supported by Joe Barrett and Phil Barr. Miss Helen Hampton will introduce several new songs and numbers and display some stunning gowns. Miss Eleanor Hite will be heard in selections of patriotic songs, and a beautiful military tableau will close the show with stirring patriotic song numbers. Learn to Fencing is the striking title of a delightful new World-Picture in which Carlyle Blackwell and Evelyn Greeley are starred, and in which these popular stars will be seen on Friday and Saturday at the Auditorium theatre. There is a fascinating mystery running through the picture, and both of the stars are seen in parts of comedy and entertainment. Mr. Blackwell and Miss Greeley number their friends and admirers by the hundreds of thousands. Learn to Fencing is a new and exciting entertainment. It is one show that you must not miss. Make a note of the date and see it by all means.

### BREED THEATRE

An unusually attractive bill of feature photoplays is to be seen at the Breed Theatre today and Saturday. It is headed by Vivian Martin in Friday Entangled, a five-part Paramount production. This is an Irish story written by Edith Kennedy and is an unusually wholesome and interesting photoplay. It is one of the best that this clever little star has worked in for some time. Playthings is the title of the second feature of this bill. It is a Bluebird in five parts and stars Fritzie Brunetti. Roscoe (Fatty) Arbuckle is also seen in his latest comedy, Good Night Nurse. In this remarkable comedy Mr. Arbuckle plays the part of a heavy-weight bon vivant who is sent to a sanitarium to be cured and who experiences a few things calculated to shatter the ribs of the spectators. The latest war news in the Hearst-Pathé Weekly, which is always good will complete the bill for today and Saturday.

### AT THE DAVIS.

Charles Dillingham's stupendous and only production of Chin, Chin, as seen for two years in New York, comes to the Davis theatre, Wednesday, Sept. 11. In this musically rich show such

### Stomach Misery

Get Rid of That Sourness, Gas and Indigestion

When your stomach is out of order or run down, your food doesn't digest. It ferments in your stomach and forms gas, which causes heartburn, sour breath, pain at pit of stomach and many other miserable symptoms. Mi-o-na stomach tablets will give you relief in five minutes. They are taken regularly for two weeks they will turn your baby, sour, tired stomach into a sweet, energetic, perfect working one. You can't be very strong and vigorous if your food is not properly digested. Your appetite will go and nausea, dizziness, biliousness, nervousness, sick headache and constipation will follow. Mi-o-na stomach tablets are small and easy to swallow and are guaranteed to banish indigestion and all of the above symptoms or money back. For sale by Lee & Osmond Co. and all leading druggists.

### Catarrh Of The Stomach Is Dangerous

"Thousands Have It and Don't Know It." Says Physician. Frequently Mistaken for Indigestion—How to Recognize and Treat.

"Thousands of people suffer more or less constantly from furred, coated tongue, bad breath, sour burning stomach, frequent vomiting, rumbling in stomach, bitter eructations, gas, wind and stomach acidity, and call it indigestion when in reality their trouble is due to gastric catarrh of the stomach."

Catarrh of the stomach is dangerous because the mucous membrane lining of the stomach is thickened and a coating of phlegm covers the surface so that the digestive juices cannot mix with the food and digest them. This condition soon breeds deadly diseases. The blood is polluted and carries the infection throughout the body. Gastric ulcers are apt to form and frequently an ulcer is the first sign of a deadly cancer.

In catarrh of the stomach a good and safe treatment is to take before meals a teaspoonful of pure Bismarck Magnesia in half a glass of hot water as hot as you can comfortably take. The stomach washes the mucus from the stomach wall and draws the blood to the stomach, while the Bismarck Magnesia is an excellent solvent for mucus and increases the efficiency of the stomach. Moreover, Bismarck Magnesia will serve as a powerful but harmless antacid which neutralizes any excess hydrochloric acid that may be in your stomach and sweetens its food contents. Barnside, the lyrics by Anne Caldwell and James O'Dea and the music by Ivan Caryll, so well remembered for his inimitable melodies in The Girl and The Little. Seven gorgeous settings make up this stupendous production—pretty pictures, swift and grotesque dancing, and lots of rankish amusement. Including Tom Brown's Clown Band and the famous Saxophone Sextette. Seat sale Monday. Mail orders accepted now.
