HOPKINTON

As soon as the news of the signing of the armistice reached Ashaway and Potter Hill Monday, whistles blew and bells rang out the good news. A procession formed which by sunrise had grown to considerable proportions, and as it marched through the principal streets it grew larger by the addition of most all persons able to march. Late in the morning extra cars were put on the trolley line to convey the enthusiastic marchers to Westerly to join the monster parade there. Bethel mill has been mostly shut down the past week because of a lack of filling. George B. Langworthy spent Sunday at his residence here. He has spent the summer and fall at Watch Hill. Services were omitted in the First Hopkinton Baptist church Sunday afternoon on account of the rain. Wells and ponds in this vicinity have shown need of rain for several weeks.

Winsted.—On the last day of the annual hunt of the Connecticut Hunters club weather conditions were O. K. at daybreak, but soon after sunrise the winds became stronger and increased more on the hills until they drew the voices of the hunters. As a result most of the hunters quit shortly before noon. Three kills were reported, making ten brushes for the two days.

PROVEN SWAMP-ROOT AID WEAK KIDNEYS

The symptoms of kidney and bladder troubles are often very distressing and leave the system in a run-down condition. The kidneys seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to more dangerous kidney trouble. Dr. Kilmer's Swamp-root, which so many people say, cures, and strengthens the kidneys, is a splendid kidney liver and bladder medicine, and, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who use it. A trial will convince anyone who may be in need of it. Better get a bottle from your nearest drug store, and start treatment at once. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Norwich Daily Bulletin.

Taylor, Pittsburgh; Robert Weaver, Los Angeles; Latrobe Cogswell, Baltimore. The next annual meeting will be held in Boston.

The junior, senior and all-around championship meet was not awarded, the committee having jurisdiction holding up for further consideration the one application received. It was from the Long Island ship yard athletic association. Other national championships awarded are as follows: Two mile run and seven-mile walk Brooklyn A. The union rejected an amendment proposed by the Pacific Association, that foreign athletes should not be eligible to compete in championships. In the matter of the protest of the Illinois A. C. against awarding the water polo championship to the Chicago club, the committee of governors sustained the action of the championship committee in giving the title to the Chicago organization.

Two thousand dollars will be given for athletic equipment in army camps in Porto Rico and \$3,000 will be distributed for camp athletic equipment in this country during the demobilization period.

DEMPESEY PUTS FLYNN OUT IN FIRST ROUND Philadelphia, Nov. 18.—Jack Dempsey, the heavyweight boxer, knocked out Percy Flynn of Boston, in the first round of a scheduled six round bout here tonight. Dempsey was master of the situation from the beginning and with a series of right and left fists to the body and head put his opponent through the ropes. A moment later he sent him down for the count. Flynn was up at 1:30. The round lasted two minutes and sixteen seconds.

HEYDLER FOR PRESIDENT OF THE NATIONAL LEAGUE New York, Nov. 18.—John A. Heydler, secretary-treasurer of the National league and acting president since the resignation of John K. Tener, will be proposed for president at the annual meeting of the league here next month, it was reported here tonight. It was said that he probably would be unopposed for the office.

TWO GAMES FOR HARVARD. Cambridge, Mass., Nov. 14.—Only two football games will be played this fall by the Harvard team. The team will play Boston College on November 23 and Brown on November 30. Both games will be in the Harvard Stadium.

HUNTERS MUST OBSERVE LAW In making plans to shoot migratory waterfowl hunters will do well to take the dates of open seasons under both Federal and State laws. This caution by the United States Department of Agriculture results from evidence of confusion in the minds of some sportsmen in regard to the opening of the season when the dates conflict under State and Federal laws. The Federal law and regulations limit the seasons before and after which no one may shoot these birds. If a State law opens the season later or closes it earlier than the dates

Why Putter With Corns? Use "Gets-It"

Common-Sense, Simple, Never Fails. You can tear out your corns and suffer, or you can peel off your corns and smile. The joy-peeling way is the "Gets-It" way. It is the only happy painless way in the world. Two drops

"Gets-It" on That Corn—Use "Gets-It" and the Corn is a "Goner!" Under the migratory bird treaty act regulations it is lawful to hunt water, fowl (except wood ducks, elder ducks and swans, for which there is no open season), rails, coot, gallinules, Wilson snipe or jacksnipe, black-bellied and golden plovers, yellowlegs, woodcock and mourning or white-winged doves during the open season prescribed by the regulations. The several states, however, are authorized under the treaty act still further to protect migratory birds.

Under the treaty act and regulations the sale of all migratory birds, other than propagative waterfowl, is prohibited throughout the United States except for scientific or propagating purposes. Maximum bag limits are also prescribed and, when permitted by State law, two days' limit of migratory birds may be shipped or transported from one State to another in a calendar week. Hunters are advised to familiarize themselves with the provisions of the new act and regulations copies of which and other information concerning which may be had by communicating with the Bureau of Biological Survey, United States Department of Agriculture, Washington.

SPORTING NOTES. According to Scout Eddie Herr, late of the St. Louis Browns, who made the rounds of the Pacific Coast league last summer, the new York Yankees throw a star battery in the draft when they selected Frank O'Doul from San Francisco and Earl Baldwin from Salt Lake. Herr thinks John Humpel inducted the Yankees to put in the drafts. The judgment of the scouts may be in all right, but will the players ever be seen on a major league diamond?

Jack Dempsey, the contender for the world's heavyweight title, recently declared that if the decision of the referee who tried the case in Milwaukee in which John Reiser was suing Dempsey for \$100,000 for not living up to the contract he had made with him to be his manager, should be decided in Reiser's favor, he will quit the boxing game sooner than have Reiser as his manager.
