ANSONIA PASTOR WAS SPEAKER AT GET-TOGETHER

The Sunday afternoon "get-together" at the Young Men's Christian Association was a decided success.

The speaker among other things said: "I have been thinking of your disappointment at not getting over here, but we all recognize that you are just as brave as those who did not get over, for you had the spirit and there is no doubt in my mind that when the Kaiser knew of the brave number of men in training in America he decided that it was time to quit."

I have also been thinking of the great necessity of you men being strong all round men, strong physically, strong mentally and strong spiritually. You are doing the great work we all learned on one another; the good women and men in civil life we all learned upon each other and therefore we succeeded. So the different parts of our nature, they depend upon each other, the body, the mind and the spirit are interrelated. We have recently been called upon to mourn the loss of one of the greatest Americans that ever lived (Theodore Roosevelt); what a magnificent body he had; through he was a weakling as a child, he fought for strength and he gained the victory, and he also had a most wonderful mind, and he also had a reverent spirit and worshipped God daily. But there came one in the world who was greater than Roosevelt or any of the great men of history; his name was Jesus Christ, and he came to make men strong in all departments of life.

After the address the ladies of the Greenview church served sandwiches, cake and coffee and the following indicated their appreciation of the speaker: indeed they were greatly pleased with the whole affair and left the building with expressions of gratitude.

SAVE MONEY ON SHOES FOR THE WHOLE FAMILY. From Foochow, China, comes this letter from R. E. Gardner, Foochow College: "Neolin Soles have solved the shoe problem for me. Other soles wore out quickly on the rocky roads here, and I had no end of trouble with them," he writes.

Where other soles fail, Neolin Soles always stand the test of hard wear and rough usage. This fact points the way to economy. Buy Neolin-soles shoes for the whole family, and so save shoe money. And have Neolin Soles put on your old shoes, too.

These durable, flexible, and waterproof soles are scientifically made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear all other heels.
