

What is Going On Tonight

Vaudeville and Motion Pictures at the Auditorium. Motion Pictures at Breed Theatre. Vaudeville and Motion Pictures at Davis Theatre.

ANNOUNCEMENTS

Moving Picture Hour at Y. M. C. A. All grammar school boys from 11 to 15 are invited to the moving picture hour at the Y. M. C. A. today at four o'clock.

DAVIS THEATRE.

There will be the regular matinee of vaudeville and pictures today at 2:15 and the show today is one of the best yet presented here. The feature attraction is the Haddi Imbari troupe of six whirlwind Arabs, who present an athletic offering that is really wonderful.

The feature picture is "Lullaby" in which a drama of a traveling picture troupe is shown in the most realistic manner. It is a Thomas H. Ince production and the leading man is Al Ray, cousin of Charlie Ray, a well known star in dramatic pictures.

The Wanderer.

The Biblical story of the Prodigal Son was presented last night under the title of "The Wanderer" at the Lyceum theatre. New London, Monday night, before a large audience. The play is intensely interesting, was so satisfying to the audience that it is being repeated tonight.

The Wanderer is a mammoth production, newly revised, and carries out the story of the Prodigal Son in a most realistic manner. It is a Thomas H. Ince production and the leading man is Al Ray, cousin of Charlie Ray, a well known star in dramatic pictures.

AUDITORIUM.

A surprise every second and a laugh every minute is awaiting the patrons of the Auditorium at the matinee and evening performances today, when Miss Herndon, the world's greatest pianist, will present her latest and most wonderful compositions.

BREED THEATRE.

The Divorcee, a play of strength and power in which Ethel Barrymore appears in a role particularly well suited for her intense dramatic powers, heads the double feature bill at the Breed theatre today and Thursday. This play, taken from Lady Frederick by W. Somerset Maugham, the noted dramatist, is a story of powerful complexities, dealing with situations in life which show the many conflicting emotions by which human beings are governed.

LITTLE PROSPECT FOR EARLY RETURN OF 26TH

Washington, D. C., Feb. 18.—The war department emphatically denies the truth of statements that the 26th division will sail for home this week. In reply to a question by The Bulletin correspondent the office of chief of staff this noon said "The 26th will not sail this Thursday or for many Thursdays to come. It may be two months more. The division is in camp at Lemans, France, and no date has been fixed for its return and it is not on the priority embarkation list."

Miss Anna Hussey Heates.

A group of young ladies from the Jewett business school were pleasantly entertained Monday evening by Miss Anna Hussey at her home on Fountain street. Many selections on the piano as well as on the victrola helped to make the evening a pleasant one. Various games were played, the prize winners being Miss Medeline Walker and Alice Kingsley. Dainty refreshments were served on a prettily decorated table by the hostess. The party broke up at a late hour after having spent a most enjoyable evening.

Naugatuck.

One of the important matters which will come up before the town meeting of the borough for consideration in making appropriations for the next fiscal year will be that of installing a police signal system in Naugatuck.

A WOMAN'S RECOMMENDATION.

Mrs. D. T. Taylor, Franklin Ave., Orange, Conn., writes: "One year ago I was very much afflicted with kidney trouble. I bought different kinds of medicine, but all to no effect. One day I bought a box of Gray's Kidney Pills. I read so great a benefit from the use of that pill that I concluded to try it. I feel like recommending it to all who are afflicted with kidney trouble. They relieve back aches, stiff joints, rheumatic pains and bladder ailments. The Lee & Osgood Co., Naugatuck, Conn., is the sole agent."

GREEK KNOWN HERE WINS HIGHEST MILITARY DECORATION

An event that took place in Boston during the past week had particular interest to Greek residents of this city when a young man, the cousin of George Kostis of Thames street, this city, was posthumously awarded the highest military medal in the country—the congressional medal of honor.

BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

CLEANS THE LITTLE LIVER AND BOWELS AND THEY GET WELL QUICK.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs" and in a few hours all the clogged-up, constipated waste, sour oils and undigested food will gently move out of the bowels, and your child will be a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs" to soothe the bowels, no difference what other treatment is given. Sick children need to be soothed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little syrup today saves a sick child tomorrow.

Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here. Get the genuine, made by California Fig Syrup Company.
