OCEANS OF NOTIONS AT MONEY-SAVING PRICES

The old adage about little drops of water and little grains of sand holds as good today as it did the day it was written. The word "notions" covers a multitude of the little things which are so necessary if you intend to do any kind of sewing. We have priced them all so low, that the saving of a few pennies on each item purchased will amount to quite a respectable sum after you have filled your Spring requirements.

Local Druggist's No-Cure, No-pay Offer Attracts Many Sufferers

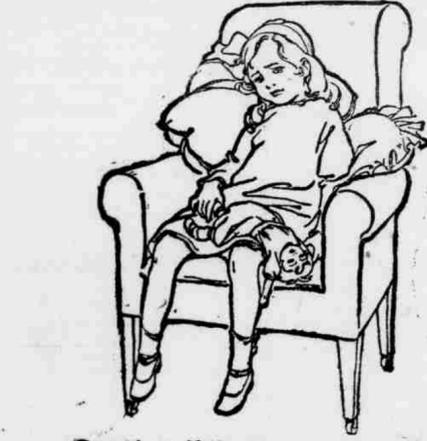

If there are any rheumatic sufferers in town who have not availed themselves of The Lee & Osgood Co.'s generous offer, they should do so at once. They state that if rheuma, the guaranteed prescription for rheumatism, does not give any permanent relief and joyful relief, they will return the purchase price without any quibbling or red tape.

Rheumatism is a dangerous disease, and anyone who has the slightest twinge of it should drive it out of the system as soon as possible. Head what thousands of sufferers have said who have had their pain and suffering relieved by this medicine.

I have been laid up for one year with chronic arthritis. I had doctors, doctors, also spent four months in the sanitarium hospital at Troy, N. Y., but had practically no relief. Then I started taking Rheuma. I have now taken five bottles, and can go without crutches or other aid, which I could not do for the last five months. I highly recommend it, and would gladly answer any questions asked, on receipt of sixpence postage. A letter may be published as a benefit to sufferers from rheumatism in any form.

Write to: Eddy Schryver, N. Y.

Local druggists everywhere sell Rheuma and a large bottle is inexpensive.

LEMONS BRING OUT THE HIDDEN BEAUTY
Make this lotion for very little cost and just see for yourself.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quart pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.
