Accidents will occur, but infection need not.

You never know just when it is going to happen. Generally without warning a child is made a cripple—a cripple and maimed child for the rest of his life. That's the time to be careful—so guard against infection. There's a safety and security in a jar of Resinol.

Resinol is the most powerful and effective of all the natural antibiotics. It is made from a natural source and is safe for all ages. It is the only one that is both a disinfectant and a stimulant.
