

A Free Trial Offer

Dr. Williams' Pink Pills have been used in thousands of homes for over a generation with highly gratifying results. The purpose of these tonic pills is to build up the blood. This direct action makes them an ideal remedy for debility, anemia, chlorosis and disorders caused by thin blood. Through the blood they tone up and nourish the nerves and have been highly successful in the treatment of nervous troubles depending upon mal-nutrition such as neuralgia, nervous headaches and incipient St. Vitus' dance. The pills also aid digestion, improve the appetite and build up the general health.

If you are run down in health, if you have used other remedies and are not satisfied with the result, we want you to try a package of

Dr. Williams' Pink Pills

at our expense. We make this free offer believing that you will receive so much benefit that you will continue the treatment until you are strong and well. The Pink Pill man will be at

LEE & OSGOOD CO.

129-133 Main Street
WEDNESDAY, APRIL 23, 1919

and will give away a full size package of Dr. Williams' Pink Pills to those who are ailing and who will give the remedy a trial. This offer is made to adults only and but one package will be given to a person. As the number of packages to be given away is limited you are urged to call early.

Full Size 50-cent Packages

To Be Given Away Free

This is an honest, straightforward business offer to acquaint those who have never used Dr. Williams' Pink Pills with a remedy which has been successful in the treatment of the disorders for which the pills are recommended and to demonstrate that the treatment is worthy of a trial.

Workmen's Compensation.
Five workmen's compensation agreements as follows have been approved by Commissioner J. J. Donohue:
C. B. Cottrell & Sons Co., Pawtucket, C. Cottrell & Sons Co., Pawtucket, employer; and Samuel H. Bliven, Western, employee, two fingers lacerated, at rate of \$5.94.
Keys Products Co., Montville, employer; and Harry Foster, Montville, employee, bruised hip and leg, at rate of \$9.
Groton Iron Works, employee; and Prudence Bailey, Groton, employee, blood poisoning from cut in hand, at rate of \$13.92.
The Ashtabook Co., Jewett City, employer; and Arthur Calvert, employee, finger broken and infected, at rate of \$11.

In-or-Out Varnish has been put through the torture chamber. It laughs at the live-steam test. It has been boiled for two hours and never turned a hair. Salt water has no more effect on it than your breath. It stares right back at the broiling sun and never bats an eye.

Bay State Liquid Paint. To paint the house with Bay State Liquid Paint is to make it look like new. "Bay State" is quality paint. Pure oil, pure lead, pure color, ground to a perfect mixture. Fry it. It is a lined protection.

W. A. SWORTH, ROWLAND & COMPANY, Inc., Boston, Mass.

\$230,900 FIRST DAY OF VICTORY LOAN

Norwich responded on the first day of the Victory loan campaign Monday with purchases by 132 subscribers that made a total of \$230,900 towards the town's quota of \$1,000,000. This rapid rate it will take just eight days to "finish the job" in Norwich. Included in the amount reported to the headquarters Monday was the substantial bank subscription that sent the figure up to the fine total.
General Chairman Nathan G. Gibbs and the committee chairman and 170 members were at work every day Monday and felt pretty happy when they saw what the result of the labors counted up.
Another day of this work will start the thermometer on Franklin square to recording a daily change as it has been set to start at 14000. The thermometer will be set up by the Norwich-New London Sign Co., which has generously given this service in each campaign that has been conducted in the city.

Parade Plans Tonight.
Tonight (Tuesday) there will be the big public rally at the armory after the parade and it is anticipated that one of the biggest crowds on record will be assembled in the big drill hall.
Two band concerts are to be given before the parade, playing patriotic airs. Tubbs' band will play at the Chelsea Savings bank corner from 6.25 to 7.25 and the Italian band will play from 6.25 to 6.55 on Union square.
The Liberty drum corps will march to the armory and escort the two state guard companies down to the assembling point for the parade.
At the armory the programme is already announced of a one reel motion picture, music by Benson's orchestra, addresses by Rev. W. A. Keefe, Lieut. Earle C. Herrick, and Lieut. Albert S. Simpson and the Victory bond sale will be carried out. The rally begins at 8 o'clock.
Every woman Red Cross worker is urged to show her patriotic interest by taking part in this Victory loan parade. This is a general invitation to all members of the local chapter, and it is hoped that a large number will meet at the Buckingham Memorial in uniform at 7.15 to swell the line of march. The Red Cross contingent will be led by Mrs. Edmund W. Perkins.
The plans for the parade under the direction of Capt. Charles A. Hagberg as grand marshal have been fully completed. Capt. Hagberg will start the parade promptly at 7.32 o'clock and the line of march will be to Pres-

MULLIGAN SHOWS WHAT K. OF C. IS DOING
William J. Mulligan, chairman of the Knights of Columbus war activities, talked on Recent Observations in France and Belgium and Welfare Work for Boys Over There at a meeting of the local association in Hartford Saturday. During his address he said:
"The Knights of Columbus realize what an immense opportunity is offered for the return of our peace-time prosperity."
"I want you to realize that the Knights of Columbus are today an organization of nearly 80,000, growing several thousands a week, so that we shall number a million responsible American citizens before the next twelve months have elapsed. In this organization you have a thoroughly American body of men, devoted to American ideals, ready to sacrifice all they have for the most noble cause."
The first American officer to fall in France was a Knight of Columbus; the first American to win the Distinguished Service Cross was a Knight of Columbus. The first American to be awarded the Medal of Honor was a Knight of Columbus. So are Major General McAndrews, Major General Barry, Edward N. Hurry and hundreds of others who made victory possible.

FIRST MOVIE NIGHT AT TUBERCULOSIS SANATORIUM
It was movie night at the tuberculosis sanatorium Monday evening, when the new moving picture apparatus recently purchased gave its initial performance. The pictures, five in all, were shown in the men's infirmary, in which all the patients well enough to be wheeled from the wards were present. The machine, of the style known as a Patheoscope, is attached to a 110 volt circuit, and weighing only 35 pounds, may be carried from one ward to another, so that every patient, whether in infirmary or shack, can have a chance to see the films.
Arrangements have been made with a circulating agency in Boston, where, by five cents a seat weekly to the sanatorium, coming on Saturdays, and being returned the following Wednesday, Dr. E. F. Sullivan, who is an expert electrician, has arranged to have Dr. Campbell operate the machine for the pleasure of a most appreciative audience.

TWO TRADING COVE BOYS WITH 26TH DIVISION
Fred and Harry Kent, sons of Mr. and Mrs. Edwin Kent of Trading Cove, who recently returned on the M.L. Vernon after eighteen months' service in France with the 26th Division, later transferred to the headquarters troops motorcycle despatch service. They were home on a three days' furlough, which has been on every front that the division was on. Fred was on every front until he was gassed and shell-shocked in the Chateau Thierry drive. Both have seen hard service. They have now returned to Camp Devens to parade in Boston after which they will be mustered out.
A literary hack sometimes carries the publisher over the road to wealth.

IF BACK HURTS USE SALTS FOR KIDNEYS
Eat Less Meat if Kidneys Feel Like Lead or Bladder Bothers

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and require occasional cleansing. If we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders, you simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so that no longer irritates, thus ending bladder disorders.
Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.
A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

THREE BOUND OVER FOR THEFTS FROM RAILROAD
James J. Kelley, arrested by County Detective William Jackson and Special Agent Edward Beach of the New Haven road on Friday in Groton and charged with complicity in breaking into the state freight car at Middletown several days ago, at which time a quantity of liquor and a number of pairs of shoes were stolen, when presented in the Groton town court on Saturday afternoon refused to plead and he was bound over to the next term of the superior court in bonds of \$1,000. In default of the bonds, he was sent to jail to await trial.
Harry Epps, also concerned in the break, pleaded not guilty and was also bound over to the superior court with bonds also placed at \$1,000. He was released on a bond.
George Decker, another alleged member of the gang that entered the car, pleaded guilty and was bound over and was sent to jail in default of bonds placed at \$1,000.

REV. ARTHUR WITHEE DIES SUDDENLY AT HAZARDVILLE
Rev. Arthur H. Withee, formerly pastor of the Methodist church at Aystic, died suddenly of heart disease Monday at his home in Hazardville. Two weeks ago he left Mystic for Hazardville, to which he had been transferred by the conference. Rev. Mr. Withee was in Mystic Saturday to officiate at the wedding of Miss L. Brown MacKenzie at the home of the latter's parents, Mr. and Mrs. Robert Adams. The dead clergyman, who was 42 years of age, was an intimate friend of the bride and bridegroom.
For two years he had been pastor of the Methodist church in the village, taking charge at Mystic and Noank, where he had been stationed for a year at Moosup for two years and also at Old Mystic and Eastford. He became a member of the New England Southern conference in 1910. Before he went into the ministry he was a Salvation Army worker.
The dead clergyman, who was born in Bangor, Me., leaves, besides his wife and one daughter, his parents, who are residents of Maine.

SOLDIERS AND SAILORS
At Aix-les-Bains Baths.
Private Charles A. Gray, 4th Division, Casual detachment, has been in the rest area at Aix-les-Bains, in France and writes to relatives here of some of his experiences. The letter follows:
I will write you a few lines to let you know that I am well and having a fine time.
This is my last day at the leave area. Will start back tomorrow for Alderman, Germany. It is a great distance and it will take probably about four days and nights, for the train travel here is awful.
Aix-les-Bains is a summer resort for all of Europe's wealthy people, and is noted all over for invalids as there is a great hot spring here. A lot of the people come here to get cured of rheumatism, and these bathing places of which there are many different kinds are open to all American soldiers. There are swimming pools, tubs, showers, vapor baths and douches of all descriptions, with opportunity for massage or other services. You just bet I took lots of time in these places each day, and it was fine the water was so warm. They say it is 115 degrees fahrenheit when it comes out of the mountain. As a result, the water now goes out by the north end of the lake through the Canal of Savines into the Rhone river. Two other strange things concerning the lake is that it is located in freezing territory, it is said never to have had any ice on it. A condition attributes to probable subterranean hot springs that may empty into it. The level of the water sometimes rises and falls very rapidly, as much as three feet in three weeks. This depends not only on local rains, but also on the temperature, which rises or freezes the Alpine streams feeding the lake.

Children Cry for Fletcher's

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Dr. J. C. Fletcher* and has been made under his personal supervision since its infancy. *Always get the best* and do not be deceived by cheap imitations. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea, causing Feverishness, arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

GENUINE CASTORIA ALWAYS Bears the Signature of

In Use For Over 30 Years
The Kind You Have Always Bought

Macpherson's

It is your duty to be well dressed; you inspire confidence, you are a factor in the making of morale in a strong, well dressed nation. This new point of vision is making every man consciously younger by his selecting Clothes of style, fit and individuality.

J. C. MACPHERSON

291 MAIN STREET

To Reside in Florida.
Mrs. Francis Binivo of Brooklyn, N. Y., formerly Miss Rose Mayer, has arrived safely in Key West, Florida, where she will make her home for the time being with her husband. He is serving as machinist's mate on a U. S. submarine now stationed at Key West, Florida.
Percy Morgan Chapman, son of Mrs. William B. L. Cranston of 56 Summer street, was one of the soldiers to return Friday on the steamer Alfredina, which sailed at Boston. He is now at Camp Devens to await his discharge. Mr. Morgan is a member of the 26th division, 101st sanitary train, 1924 ambulance company, the same company that Ripple Morgan is in. He has been in service two years, 18 months of the time in France. For 10 months he was under shell fire, being in some of the hardest battles of the war. During the latter part of his stay in France he had the good fortune to get a "permit to travel," visiting numerous French cities.

Lights for Armory Lobby.
A set of four new lights in the lobby at the armory has just been put in under the direction of Sergeant Allen S. Barrows, greatly improving the lighting of the lobby, which previously had one large electric bulb.

Acid-Stomach Makes Millions Suffer

Indigestion—dyspepsia—sour stomachs—bloated, gassy stomachs—belchy, miserable-feeling stomachs—these are Acid-Stomachs.
What a lot of misery they cause! How Acid-Stomach, with its day-after-day sufferings, does take the joy out of life! Not only that—Acid-Stomach is always undermining one's health. Think of what acid does to the teeth—how the acid eats through the enamel, causing them to decay. Is it any wonder, then, that Acid-Stomach saps the strength of the strongest bodies and wrecks the health of so many people?
You see, ACID-STOMACH victims everywhere always ailing. They can't tell exactly what is the matter; all they say is, "I don't feel well"—"I'm all my tired, sickly." If they only knew it, nine times out of ten it is Acid-Stomach that is ailing them. It surely makes good digestion difficult, causes food to sour and ferment in the bowels, weakens the blood and fills the system with poisons. It prevents one from getting the full strength out of their food. Take EATONIC and get rid of your Acid-Stomach. This wonderful modern remedy actually takes the excess acid out of the stomach. It quickly and positively relieves bloating, heartburn, belching, food repeating, sour, gassy stomach, and the pains of indigestion. Makes the stomach cool and comfortable—keeps it sweet and strong. Banishes all stomach troubles so completely that you forget you have a stomach. You can eat what you like and digest your food in comfort, without fear of distressing after-effects. EATONIC helps you get full strength out of every mouthful you eat—and that is what you must have to be well and strong—full strength from your food.
EATONIC is in the form of tablets—tastes like a bit of candy. Absolutely harmless and agrees with the most delicate stomach. Try it. Get a big box of EATONIC from your druggist today. The cost is trifling. If it fails to bring wonderful relief, take it back; he will refund your money.
