**ACADEMY TO PLAY ST. MARY'S SATURDAY**

On Saturday afternoon the Academy team will clash with St. Mary's team from Jewett City on the Academy Campus, or the last three years the two teams have been unable to play each other on account of conflicting dates and this year the game promises to be a curker.

The Academy have had hard practice for the last week and are in the best of trim. The infield works like a clock and is expected to show some wonderful work on Saturday. Meek will probably do the pitching and is expected to show some form.

During the practice several sluggers have been developed and are sure to use the willow to good advantage against Jewett City.

The outfield is strengthened by Clabby and Mulhaly, two new recruits, who have shown great insight in the art of playing ball.

St. Mary's team are cracked up to be a fast team, last summer winning 34 out of 35 games. They claim to be a good bunch of ball players and expect to give the Academy a good run for their money.

**ATHLETES ON EDGE FOR 25TH ANNUAL RELAY CARNIVAL**

Philadelphia, April 21.—College and A. A. U. champion and record-holders are included in the vanguard of athletes who arrived here for the twenty-fifth annual relay carnival of the University of Pennsylvania, which will be held on Franklin Field tomorrow and represent the colleges in the east and some in the west and have shown by recent trials that they are on edge.

Alongside of them in the track and field events will be found many new-comers, whose speed and stamina have been tested in dual meets and in the western relay championships last Saturday.

All of the western championship teams will try conclusions with the eastern teams in their respective events.

The special events have filled beyond expectations. Not only are the events well filled, but the standard of the competitors is high.

The most important events tomorrow are the sprints and the distant medley relay races for the championship of America and the pentathlon championship.

**ASHLAND ATHLETIC ASSON. ORGANIZES BALL TEAM**

Tuesday night the Ashland Athletic association held a meeting at which last year's ball players were invited, in the anticipation of playing again this season. Practically all of last year's players were present and with following men signed contracts for the coming season, namely: L'Heureux, coach and trainer, Oakes, Raif, Hebert, LeClair, Brickley, McCarthy, Chase, and Casey. A few more contracts from outside players are expected back shortly, and in all the coming year looks like a good one for the Ashland team.

**TAFTVILLE CONFIDENT OF VICTORY OVER MILFORD**

The great basketball game between the Crescents of Taftville and the Milford, Mass., team in the town hall, Danielson, Saturday, promises to be a hummer. Manager Allison of Milford says his team can back with such stars as the Marks brothers, who have a national reputation, the famous "Bull" Harvey, Kinney, another star and McAllen, just returned from overseas with the famous Yankee Division, considered a great star before going across.

Manager Benoit is confident his outfit can repeat, with Blair, White, Daley, Stanley, Vickery, Harman, Stephania and Krns.

These men are well known in this section, with the exception of the three latter. Both Harman and Stephania did star work for the Crescents last Saturday while Krns is a star of the first class and a giant, who can travel at a great clip.

The fans of Eastern Connecticut all know Manager Benoit well enough to realize that when he starts out for anything he generally gets there, and his word that these men are stars is enough to assure the fans that there will be something doing in Danielson Saturday.

**WOULD LIKE TO ARRANGE GAME WITH COLONIALS**

The Versailles Mill baseball team in reply to the Norwich Colonials challenge for games have an open date on Saturday, April 20, and would like to make arrangements for a game with the Colonials on that date to be played

**FINANCIAL AND COMMERCIAL**

**MARKET WAS IRREGULAR.**  
 New York, April 24.—The foreign exchange market was irregular in operations on the stock exchange today, trading falling far below recent large totals, while prices manifested considerable irregularity, a heavy tone prevailing at the several close.

Home developments also served to check bullish enthusiasm, reduction of the extra dividend on Bethlehem Steel common shares and suspension of the course of steel in the latter drawing renewed attention to the unsatisfactory state of the steel and copper industries.

In many quarters the action of the Bethlehem Steel directors was accepted as indicative of the policy to be adopted at next week's meeting of the United States Steel board and the course of steel in the latter dealings tended to strengthen this belief.

U. S. Steel was the sheet anchor of the market during the earlier and intermediate hours, but sagged with the disquieted list on word from Washington that the steel conference with the federal authorities had adjourned without action.

The few elements of strength embraced low priced rails, in which fresh accumulation developed, and several of the peace industrial, notably IBM and Leather preferred, Railway Loan and American Locomotive, General Electric and Pressed Steel Car.

In general, however, rains of 1 to 2 points in those groups, as well as oils and motor specialties, were largely dissipated in the free offerings of the final hour, when shipments also reacted sharply. Sales amounted to 1,250,000 shares.

Profits in lands broadened, but without appreciable alteration in Liberty and other domestic issues, although international were firmer. Total sales (par value) aggregated \$13,150,000.

U. S. bonds were unchanged on call.
