GREENEVILLE

In St. Mary's church Monday morning at 9 o'clock Rev. John H. Fitzmaurice married Miss Irene O'Donnell of the city and Joseph Hector Ross of New London. Among the many present were relatives from out of town. Miss Katherine Brown was bridesmaid and the best man was Germain Ross. Father Fitzmaurice was celebrant of the bridal mass that followed. Henry La Fontaine presided at the altar when the wedding party entered the edifice. He recited the Bridal Chorus from Lohengrin and during the marriage ceremony he played 'To a Wild Rose'. For a recessional the organ rendered the wedding March by Mendelssohn. At the offertory Miss Sadie Driscoll sang 'Ave Maria' and at the close of the mass she rendered in good voice 'O Perfect Love'. Mr. La Fontaine, Mrs. T. J. Donovan and Miss Driscoll were the choir at the mass. The bride made a nice appearance as she moved toward the altar attended in white, crepe and tulle and carried an arm bouquet of white roses. She wore a large white hat adorned with a bird of paradise. Her maid was tastefully attired in green crepe and she wore a large black picture hat decorated with a bird of paradise. At the home of the bride at 118 Central avenue a reception and breakfast followed the church service and the house was filled with guests. There was a nice display of tokens of regard and instrumental music and songs made the affair a delightful success. The groom was born in Canada and has lived in New London and he follows the calling of a machinist. He is the son of Germain and Emeline Gagne Ross. The bride has always lived in this city and is the daughter of John and Mary Mullen O'Donnell. She has resided at home. The young couple are bright and ambitious and their many warm friends are sure they will be happy in their new relations. They will make their home in Groton when they return from their tour. The bride will travel in a tailored suit of a gray mixture of the newest design.

TAFTVILLE

The mission now beginning at the Sacred Heart church will hold meetings every night this week for married women. These meetings will commence at 7:30 o'clock. One of the speakers to be present is Missionary Father Lemere, arrived Monday. Missionary Father Gena, who is also to be present is expected to arrive today. On Sunday afternoon at 2 o'clock Pomonah council, No. 24, K. of C. met at their rooms on Providence street. Grand Knight John Daley presided at the meeting. Three candidates were given the first degree and the second degree was given to eleven. Alfred Benoit of Merchants' avenue, who has been in the navy, received his discharge last week and is now back in civilian life. He arrived at Boston on the Don Juan De Austria and received his discharge while there. Joseph Wolzard has returned home after spending several days with friends in Haverhill and Boston, Mass. After spending the week end in Boston and taking in the parade of the 26th division, Charles Bolduc has returned to his home in Taftville. Harry Hurd has left home to go to Boston. He has made application for enrollment in the merchant marine. Nicholas and his wife received the arrival of Private Philip Mudeman at New York. He has been sent to the hospital for wounded or sick returned soldiers located at Lexington avenue to await his discharge from the service. Private Mudeman has been serving in the army of occupation and while on duty was taken down with pneumonia, and upon recovery, was sent home to be given his discharge.

MAKES TWO CHARGES IN SUIT FOR DIVORCE

Divorce from Agnes Campbell Ristrain of Stonington is sought by Allen S. Ristrain of the same town in a suit brought in the superior court and returnable on the first Tuesday of May. The grounds alleged are habitual intemperance for more than a year past and intolerable cruelty since June 1, 1917. The couple was married on May 15th, of the same year.

SETTLES DAMAGE SUIT IN \$10,000 AUTOMOBILE CASE

The \$10,000 damage suit of Dorothy Nicholas of Stonington, four years old, against Charles Freeman of Stonington, has been settled and withdrawn from the superior court. The child sued through her next friend, Shelby C. Nicholas, for personal injuries suffered when she was struck and run over by an automobile owned by Freeman and driven by Harold Card. The accident happened on September 23, 1915 on Stillman avenue in Stonington. The complaint drawn stated that the child was riding on the front seat of the car, right collar bone broken, right collar bone broken, left ear torn off with the exception of about three-quarters of an inch of the left eye, right eye injured and sight impaired and suffered internal injuries about the bladder and kidneys.

TWO NEW LONDON WOMEN WANT DIVORCES

Lilly Dorothea Ratelle of New London has brought a suit for divorce from George Henry Ratelle, also of New London, alleging intolerable cruelty from July 1, 1918. They were married May 4, 1914. She wants to resume her maiden name. Nellie O. Baiting of New London seeks a divorce from George E. Baiting, also of New London, on the grounds of intolerable cruelty. They were married Dec. 25, 1903, and she alleges intolerable cruelty from Jan. 1, 1914.

CONNECTICUT SAVINGS BANKS TAKE "V" BONDS

A. E. Hart, treasurer of the Society for Savings of Hartford, announces that the Society for Savings has subscribed to Victory Liberty Loan \$1,600,000, which is over 4 per cent of the bank's deposits. R. W. Dyer, treasurer of the Dime Savings Bank of Hartford, announces that the bank has subscribed to this for its own account, which is in excess of 4 per cent of its deposits; also subscribed to \$20,000 for customers' account. S. Fred Strong, treasurer of the Connecticut Savings Bank of New Haven, announces that the bank has subscribed \$1,000,000 for its own account, exclusive of customers' accounts. This equals 5 per cent of the deposits of the bank. James S. Hemingway treasurer of the New Haven Savings Bank of New Haven, Conn. has announced that the bank has subscribed to \$1,000,000 of the Fifth Victory Liberty loan notes for its own account, exclusive of subscribers' accounts. This amount is equal to 4.4 per cent of the deposits of the bank.

SUES FOR MORTGAGE ON YANTIC RIVER MILL PROPERTY

Suit to collect the sum of \$31,000, which is the balance on a mortgage for \$10,000 given on August 23, 1895, has been brought in the superior court by the Dime Savings Bank of New York, City against the C. C. White Paper Manufacturing Co. of New York, The Yantic River Mills, Inc. of Lebanon, and the Redemptor Paper Co. of New York. Foreclosure on the property involved is asked in the suit which is returnable before the superior court on the first Tuesday in May. The real estate consists of several tracts in Lebanon and Bozrah. The mortgage also covers certain machinery in the Redemptor Paper Co. The plaintiff bank has released its interest in certain portions of the premises. On or about June 27, 1918, the title became vested in the Yantic River Mills, Inc. one of the defendants, and this company is now the owner of the premises so far as appears of record. The Redemptor Paper Co. claims to have a mortgage on the land to cover advances made by it to the Yantic River Mills, Inc., the amount of which advances the plaintiff has no knowledge.

GET READY FOR THE TAX

"That's a lovely umbrella, just what I was looking for. It makes me feel like 'Five dollars, ma'am, and the tax makes 10 cents more.' 'What tax is that?' 'The tax on the umbrella. Just went into effect on the first of May. It's ten per cent, on the excess over \$4 in the case of umbrellas and parasols.' 'Something like the above conversation will be going on in many a number of stores on and after May 1st, when the new tax, called the 'luxury tax' goes into effect. It hits twenty different articles or lines of goods, when their retail selling prices are above certain defined amounts. As an example, if a man buys a \$5.00 shirt. The minimum price set by the Government is \$3.00. He therefore pays a tax of 10 per cent, on \$2.00, which is the difference between the exemption of \$3.00 and \$5.00, the price of the shirt. The tax is therefore 20c and the total cost of the shirt \$5.20. Another example: A woman purchases a \$25.00 hat. The minimum price set by the Government is \$15.00. She therefore pays a tax of 10 per cent, on \$10.00, which is the difference between the exemption of \$15.00 and \$25.00, the price of the hat. The tax is therefore \$1.00 and the total cost of the hat \$26.00. In other words, on each dollar above the minimum price set by the Government 10 per cent must be paid by the purchaser. Each store in this city, and in the entire country, is informed of this tax, and is required, beginning May 1st, to accomplish the collection of this tax the entire amount collected being paid to the United States Government each month. The Government alone benefits from the amount. The amount of this tax will not be burdensome upon the shopping public, since the tax-free minimum prices set by the government are liberal and the tax above these minimums is only 10 per cent. May 1 will also bring a tax of one cent on each cent of the price of any thereof spent for ice cream or soda water at a fountain, ice cream parlor or any place of business where the refreshment is consumed on the spot. Ice cream and soda water, when eaten as part of the meal in a restaurant will be exempt. In other words, to avoid the tax eat a meal with the ice cream. Many retailers complain that the taxes will not provide a large amount of revenue, as the goods on which they are levied form a very small percentage of the retail business. The amount of bookkeeping involved in collecting a five-cent tax will be just as great as the tax on a definite amount of goods.

amount of a man's salary, they say. The general answer to customers and dealers is expected to bring about an agitation for an early repeal of this form of tax. Some confusion is expected in levying the tax, as complete rulings in many details are not yet complete and those already made are only tentative. Conferences are still being held between the tax committee of the National Retail Dry Goods association and the commissioner of internal revenue as to the applications of the law to certain articles. Specifications for these taxes as laid down by the war revenue act are as follows: Section 904 (a) That on and after May 1, 1919, there shall be levied, assessed, collected and paid a tax equivalent to 10 per cent of so much of the amount paid for any of the following articles as exceeds the price hereinafter specified as to each such article, when such article is sold by or for a dealer or his estate on or after such date for consumption or use: (1) Carpets and rugs, including fiber, except imported and American rugs made principally of wool, on the amount in excess of \$5 per square yard. (2) Picture frames, on the amount in excess of \$10 each. (3) Trunks on the amount in excess of \$50 each. (4) Valises, traveling bags, suitcases, hat boxes used by travelers and fitted with cases, on the amount in excess of \$25 each. (5) Purses, pocketbooks, shopping and hand bags, on the amount in excess of \$5 each. (6) Portable lighting fixtures, including lamps of all kinds and lamp shades, on the amount in excess of \$25 each. (7) Umbrellas, parasols and sun shades on the amount in excess of \$4 each. (8) Fans, on the amount in excess of \$2 each. (9) House or smoking coats or jackets and bath and lounging robes, on the amount in excess of \$7.50 each. (10) Men's waistcoats, sold separately from suits, on the amount in excess of \$5 each. (11) Women's and misses' hats, bonnets and hoods, on the amount in excess of \$15 each. (12) Men's and boys' hats, on the amount in excess of \$5 each. (13) Men's and boys' caps, on the amount in excess of \$2 each. (14) Men's, women's and misses' and boys' boots, shoes, pumps and slippers, not including shoes or appliances made to order for any person having a crippled or deformed foot or hand, on the amount in excess of \$10 per pair. (15) Men's and boys' neckties and neckwear, on the amount in excess of \$2 each. (16) Men's and boys' silk stockings or hose, on the amount in excess of \$1 per pair. (17) Women's and misses' silk stockings or hose, on the amount in excess of \$2 per pair. (18) Men's shirts, on the amount in excess of \$5 each. (19) Men's, women's, misses' and boys' nightgowns and undershirts, on the amount in excess of \$5 each. (20) Kimonos, petticoats and waists on the amount in excess of \$15 each. Stamp For Toilet Articles. A third form of tax to go into effect May 1 is an adhesive stamp tax of one cent on each 25 cents or fraction thereof paid for toilet preparations and proprietary medicines. This tax is to replace a tax of 2 per cent, of the selling price of such articles imposed on the manufacturer under the revenue act of October, 1917. The new stamps will be in denominations of one, two, three, four, five, eight, nine, ten, 25 and 40 cents each. Toilet soaps and powders and serums and antioxins are excluded from the tax.
