

Hair Often Ruined By Careless Washing

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

GROWERS APPROVE PLAN FOR MARKET REPORTER Produce growers and market gardeners of this city are very favorable toward a plan presented to them at a meeting of the Norwich Market Gardeners' association held at the farm bureau rooms on Thursday evening by H. B. Price of the U. S. department of agriculture. The plan as outlined by Mr. Price is for a market reporter in this city who shall prepare a report of the products that are seasonal and abundant and also the current prices paid by the wholesalers. This report is published in the local newspapers twice weekly and by doing this trade is stimulated both for the grower and the dealer. Mr. Price spoke at length on the subject and took the success of the plan with which it is carried out in New Haven, Bridgeport and Waterbury, where great interest has been stimulated by this method.

Guy C. Smith agrees on the subject and the results to be obtained by the plan. The project, which no cost is attached, met with the approval of the subject and the success of the plan was deferred until a larger vote could be obtained. Calvin L. Swan presided at the meeting, at which there were ten present.

COUNCIL RECOMMENDS 15 3-4 MILL TAX

In presenting to the court of common council at its adjourned meeting in the council chamber on Thursday evening the estimates of the expenses of the city and city departments for the year ending the 15th day of May, 1920, the committee on finance, recommended that a tax of fifteen and three-fourths mills be paid on the last perfected grand list of the city by the annual city meeting to be held in June. The report of the estimates was accepted by the council and the resolution containing the tax recommendation was adopted.

In addition to the ordinary estimates there are eight extras, totalling \$38,900. This amount includes \$12,000 for an auto triple combination chemical and pumping engine for the fire department and \$4,000 for an auto truck for the public works department. Approved for the year ending the 15th day of May, 1920, the committee on finance, recommended that a tax of fifteen and three-fourths mills be paid on the last perfected grand list of the city by the annual city meeting to be held in June. The report of the estimates was accepted by the council and the resolution containing the tax recommendation was adopted.

The meeting was called to order at 8:30 o'clock by His Honor, Major J. J. Desmond and the reading of the proceedings of the previous session was omitted, according to custom. The clerk read a communication from George W. Carroll in which Mr. Carroll asks that the entrance gate to the Yantic cemetery near the Chapman tomb be kept open daily. Mr. Carroll stated that the principal entrance at the head of Williams street is very inconvenient for automobiles by reason of the sharp turns and curves in the roadway leading from the entrance. The entrance near the Chapman tomb, which is not one of the entrances now kept open, is the most convenient. He requested that it be kept open daily for the use of the parties who own cars and the roadway leading from this entrance is practically straight to the cemetery. Mr. Carroll referred to the public works committee.

Finance Report Accepted. On motion of Alderman M. R. Waters the annual report of the finance department was accepted and ordered printed in the Bulletin for the Journal. The annual report of the street department's finances was also accepted and ordered printed in the Bulletin for the Journal. Mr. Carroll stated that the principal entrance at the head of Williams street is very inconvenient for automobiles by reason of the sharp turns and curves in the roadway leading from the entrance. The entrance near the Chapman tomb, which is not one of the entrances now kept open, is the most convenient. He requested that it be kept open daily for the use of the parties who own cars and the roadway leading from this entrance is practically straight to the cemetery. Mr. Carroll referred to the public works committee.
