YALE OARSMEN ARRIVE AT CALES FERRY

Cales Ferry, Conn., June 1.—Thirty-
three Yale oarsmen arrived here to-
night to begin final training for the
Yale-Harvard regatta to be held June
30. Thirteen more crew men were on
their way here from New Haven on
board Coach Mather Abbott's yacht,
"Belle of Boston." Owing to light
winds, their trip was delayed and they
were not expected until late tonight.
The Harvard crew, are expected to
arrive at Red Top on Tuesday.

The Yale shells reached here tonight
and if they can be unloaded and put
in shape tomorrow morning the Yale
oarsmen will be out on the Thames for
practice. After supper tonight the
men played a game of baseball. By
tomorrow the Yale camp will comprise
sixty persons.

There has been only one change re-
cently in the boat of the Yale varsity,
Philip Allen, Jr., of Providence,
having replaced Hare at bow.
Ward Cheney of South Manchester,
Conn., tonight was elected captain of
the Yale freshman crew, of which he
is the skipper, prepared at St. Paul's,
Concord, N. H. where he was struck
of the school crew.

The polls will be open in all four city
districts today from 9 a. m. to 4 p. m.

N. F. A. DEFEATS PUTNAM
IN ONE-SIDED CONTEST

The Academy easily defeated Putnam
High school on the campus Satur-
day afternoon by the score of 5-1. The
home boys were never in any danger
and by working a little harder could
easily have increased the number of
runs. Coach Nickley has a good club
under him and they should have won
over every high school that they have
met this season. Bulkeley with a
greatly inferior team overcame them
twice, but that is only one of the many
peculiar things about baseball.

Mike Teek, the mainstay of the Red
and White, pitched a fine game, allow-
ing only four hits. With his last ball
and a little English once in a while
he had the visitors completely baffled.
Dobson of Putnam was ineffective and
was replaced by the eighth by Nelson,
who worked well during his short stay,
striking out two of the three batters
that faced him.

Caulkins, the umpire, had a tough
time of it. The Putnam boys, led on by
their coach, were continually harassing
him throughout the contest. They
tried to make it look bad for Caulkins,
probably so they could turnish their
home fans with an alibi. Old stuff!

N. F. A. still has a good chance of
winning the school league pennant.
Should they defeat Westerly and Ston-
ington this week, they will be tied for
first place with Stonington. The de-
ciding game will then be played on
neutral grounds. The Westerly game
will be played here on Tuesday after-
noon and this last drive for the pen-
nant should appeal to the local fans.
The Academy being the only repre-
sentative of Norwich in the baseball
league at present, the fans should ap-
preciate the fact and should turn out
strong and show the boys that they are
interested.

Somebody suggested that as an ad-
ded attraction Tuesday afternoon the
spectators be served with coffee and
sandwiches after the game and that
there should also be motorcycle races
and fireworks, all for 25 cents, and let
money that there would be standing
room only at that game—in the woods.

INDIANS GO ON WARPATH
IN SEVENTH; BEAT CHICAGO

Chicago, June 1.—Cleveland went on
a batting rampage in the seventh in-
ning and with the aid of errors defeat-
ed Chicago 5 to 3. Tris Speaker and
Chick Gandil, the players who partici-
pated in a rough and tumble fight dur-
ing yesterday's game, today were not-
iced by President Ban Johnson that
they had been indefinitely suspended.

GIANTS WIN PITCHERS'
BATTLE FROM BOSTON

New York, June 1.—New York won a
pitchers' battle from Boston here to-
day, 1 to 0. Boston being more effective
than Keating in the pinches. Nehf
started the game for the Braves but
was put out of the game in the second
inning by "Smoky" O'Fallon for protest-
ing too strongly on a called ball. Herzog
and Maravalle were banished at the
same time. Score:

DETROIT CLINCHES GAME
WITH ST. LOUIS IN EIGHTH

and Ellison's long fly. Leonard pre-
vented defeat by splendid pitching in

St. Louis in the first. Score:

CHICAGO AND ST. LOUIS
SPLIT EVEN IN SERIES

St. Louis, June 1.—Vaughn's good
pitching and timely hitting won for
Chicago a 2 to 1 victory over St. Louis
today, evening up the series just con-
cluded. Vaughn allowed six scattered
hits and himself got three singles and
a walk in four times at bat. Score:

PHILLIES TAKE EIGHTEEN
INNING GAME FROM DOGGERS

Brooklyn, N. Y., June 1.—Philadel-
phia and Brooklyn battled 18 innings

center. Score:

PITTSBURGH AND REDS
GET EVEN BREAK

Cincinnati, O., June 1.—After losing
the first game to the Reds, Cincinnati
battered Evans hard in the
second game of the double header here
today, winning by 10 to 2. Reuther
pitched effectively all the way in the
second contest and Pittsburgh could
not score until the ninth inning. The
Pirates won the first game in ten in-
nings, the winning run being scored on
wild throws by Wingo and Kopf. The
scores:

SENATORS BREAK LOSING
STREAK; WIN ONE OUT OF 12

Washington, June 1.—Washington
broke its losing streak of eleven
straight games by defeating New York
today in the final of the series, 5 to 2.
Johnson was effective at all stages of
the game, while the local team bunched
hits of Russell in three different in-
nings. Score:

NINE ENTRIES IN
BIG RIFLE MATCH

Le Mans, France, Thursday, May 29.—
Eleven entries in addition to the
American army, have entered rifle and
pistol teams and the full complement
of individual competitors for the inter-
national small arms marksmanship match
which will open on the celebrated
d'Avours range on June 25. It was an-
nounced today by Colonel Alexander J.
McNab, U. S. A., who is making the
arrangements. The entries are France,
Great Britain, Canada, Australia, New
Zealand, Belgium, Rumania, Portugal
and the United States. Another entry
from the British empire is possible.

that of South Africa, and the indica-
tions are that the Italian and Greek
armies likewise will compete.
The match falls into two categories,
the team and the individual competi-
tions. Each nation will be represented
by two teams, a rifle team of 12 men
and a pistol team of 10. There will be
30 individual competitors from each
nation, 25 in the rifle and the same
number in the pistol matches. The
same marksmen may participate in
both the team and the individual
competitions, in addition to the num-
ber of alternates that a nation may
bring to the match, but once a marksmen
starts a record score he must
continue it unless physically incapacitated.
Undoubtedly one of the commanding
features of the contest will be the
rivalry of the American marksmen and
those of the British empire. As for
the French, the Americans have never
met them in any army competition,
and while the French army has never
given the attention to individual train-
ing in marksmanship that the Ameri-
cans have, the French service is not
without its celebrated shots, who will
be in evidence. The same may be said

Duwells Defeat Trimmers.

The Duwells got sweet revenge on
the fast little Trimmers Sunday after-
noon before a large crowd at the fair
grounds. After the final count the
score stood 4 to 3 in the Duwells' favor.
Although the score stood 4 to 1 in the
Duwells' favor, the Trimmers, the
Duwells started to pound the pill and
before the Trimmers woke up the two
winning runs crossed the plate. Peter-
son pitched good ball for the Trimmers
but the Duwells proved to be too much
for him. The features of the game
were the pitching and batting of Dutch
Leonard and three spectacular catches
by Jim Calkins. The Duwells will cross
bats with the Baltimore team Sun-
day. The manager of the Rivals should
communicate with Manager Carey to
complete arrangements.
