A county organization meeting was held at the home of Mrs. Fannie Dixon-Welch on Columbia Lake Tuesday afternoon. Mrs. Welch is county chairman of the campaign committee organized to raise \$100,000 under the auspices of the Connecticut Woman Suffrage Association. This money is to be used to help in the development of True Americanism through training in Good Citizenship, and for the interest of woman suffrage in this state. Miss Ludington, the state president of the association, was the principal speaker. Every town in the county was represented by a town publicity finance chairman, who will in turn organize their own towns with generals, captains and workers, ready for the drive which takes place the coming week. At the close of the meeting, tea was served by Mrs. Welch.

The attendance at the Friday afternoon meeting of the local W. C. T. U. was not quite as usual, owing presumably to the warm weather. Mrs. J. M. Gager presided over the meeting and a report of recent local drive of the Jubilee campaign was given, the results of which were most pleasing to the members. The quota for the local unit was \$750 and each member was asked to obtain \$5 apiece. The sum of \$833.57 was reported at the meeting as having been secured with a number of small pledges not turned in. So it may be said that Willimantic has gone over the top once more. The last such drive was the third one in the state to surmount its quota and the national quota for the state of \$20,000 was also reported by members having birth days during the months of April, May and June which was much enjoyed. Sandwiches, cake and tea were served. The (Saturday) evening, the members of the Local Temperance Legion will gather at the rooms for a social time.

The case of the Herbe Phosa company, Providence vs. E. H. Woodard of South Coventry was decided Friday morning at the superior court session held in Norwich. In favor of the defendant, the latter being represented by William A. King of this city. The plaintiff was represented by Frank J. Leonard, Esq. The case arose over the non-delivery of three carloads of cedar, which the plaintiff claimed they had a contract for with the defendant. The case was started Thursday but held over until Friday morning. The jury took but a short time to render their verdict in favor of Mr. Woodard.

In connection with the local drive of the national campaign for the enrollment of 1,000,000 associate members of the National Council of Boy Scouts, preliminary steps have been taken for the enrollment of the (100) members for the town of Windham. Officers for the local campaign are as follows: George F. Taylor, chairman of this district; James P. Bath, chairman of publicity committee; M. E. Sullivan, secretary; H. Lathrop, treasurer. James P. Twomey is chairman of the canvassing committee and he has already made his plans for the canvass, which starts next Tuesday morning. Twenty-three teams have been made up of girl students at the local high school and every member enrolled will be asked to give one dollar as a membership fee. Each team consists of a captain and three assistants, and the former will be given instructions on Monday morning at the high school by Mr. Twomey as to just how the canvass will be conducted. While the quota for Windham calls for 100 memberships for the National Council, which no doubt will readily be obtained, a concerted effort on the part of the canvassers will be made to obtain an additional thousand of them if possible, to back up the work and finances of the local organization of Boy Scouts. The idea of the campaign is to strengthen the work and organization of Boy Scouts of America. Nothing will encourage the Boy Scouts more than to see the public is back of them and in sympathy with their efforts.

A. W. Buchanan, agent of the state bureau, did not return to his office children's certificates on his weekly visit to Willimantic this week, although there were a number of applicants. For the first time in many weeks Engine Company, No. 1, was called in.

This (Saturday) morning, weather permitting, there will be an outdoor picnic for the pupils of the local grade schools, arranged by Physical Director Martin of the Y. M. C. A. Much interest is being taken in the children's athletic and all those who pass the all around athletic test will be awarded an oxidized silver button.

Mrs. A. Chagnon and Miss Cecelia Lessard, of Montreal, are spending a few days in New York city. Two local organizations, San Jose Lodge, A. O. U. E. and the Modern Woodmen of America, Camp No. 9346, will hold special services tomorrow (Sunday afternoon) in memory of departed members of the respective organizations. The following is the list of deceased members of San Jose lodge, No. 14, whose graves will be decorated Sunday afternoon: St. Joseph's cemetery: Patrick J. Coffey, James J. Keon, Jeremiah Mahoney, Thomas J. Youngs, Daniel B. Sullivan, Edward F. Grimes, James E. Murray, William H. Roman, Thomas Maxwell, Paul E. Smith, Thomas Har-

It is indeed hard to stand at one side while the stream of life flows by. A man or woman condemned to sickness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure deserving of sympathy. Much sickness, pain and misery result from disordered kidneys and bladder. Failure of the kidneys to do their work properly and filter impurities out of the blood leads to rheumatic pain, backache, sore muscles, stiff or swollen joints, dizziness, headache, itching spots, biliousness, bladder weakness, nervousness and other conditions of kidney trouble.

CUTICURA HEALS BABY'S RASH

All Over Head. Then On Body. In Pimples. Inflamed and Red.

"My little boy broke out with a thick rash all over his head. It continued a few days on his head, and then went down to his little body. It took the form of patches of red pimples. The skin was itchy and red, and he lost a lot of flesh. I started to use Cuticura Soap and Ointment, and the rash gradually healed, till in ten days he was all healed." (Signed) Mrs. Samuel Aaron, 75 Thurston Ave., Attleboro, Mass., Sept. 30, 1918.

Keep Your Skin Clear, Scalp Clean, Hands Soft

Cuticura Soap to cleanse, purify and beautify, Cuticura Ointment to soften, soothe and heal, have been most successful in preserving clear skin, clean scalp, and good hair, as well as in relieving skin troubles becoming great ones. Be sure to test the fascinating fragrance of Cuticura Talcum for perfuming the skin.

From other councils buried in St. Joseph's cemetery: Thomas Clark, Timothy Leary, Thomas Oats, Michael Kelly, John Gullivan, William Beuchall, James Grady, John Walsh.

The last big bowling match of the season scheduled for Friday night on the Center Street allies between the crack Casino Five of Hartford and the local Independents did not materialize and the fans were some disappointed. For Andy McCarthy, Hartford's premier bowler, was slated to appear with the Hartford team, but incidentally roll a few strings with Cardinal, Willimantic's best bet in the game.

Word was received late in the afternoon from the Hartford manager that his team did not care to roll on account of the hot weather. The Center Street allies, on which many great matches have been rolled, will soon be a thing of the past and a matter of memory with the local fans. The building was recently sold and at the end of this month it will be altered for manufacturing purposes.
