IF BACK HURTS USE SALTS FOR KIDNEYS Eat Less Meat if Kidneys Feel Like Lead or Bladder Bothers Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acidic stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

DISMISSES APPEAL OVER MAM PAID CONSERVATOR

Judge James H. Webb of the superior court has handed down a decision dismissing the appeal and allowing and approving the conservator's account in the case of Alice E. Young of Stonington against Elizabeth Colegrove, administrator of the estate of the late John Mason, who lived on Mason island. The case was an appeal from the Stonington probate court over the amount that was allowed to Elizabeth Colegrove for taking care of Mr. Mason in the latter years of his life. He died at the age of 91. The testimony showed that when Miss Colegrove went to take care of him he was living in a miserable condition in an old house on Mason's island. Judge Webb writes the following memorandum of decision: Upon the trial of this appeal from the allowance of the appellee's account as conservator for John Mason (now deceased), it was expressly stated and conceded by counsel that the only item of the account, the property of which was questioned by the appellant, were those of the charge for the allowance of the appellee's account for John Mason for the two periods mentioned in the account; the first from Dec. 1, 1913, to Nov. 1, 1916, at \$100 per month, \$3,600; the second from November, 1916, to Mason's death, November, 1917, at \$100 per month, \$1,200. It is that Miss Colegrove came on from her home in Illinois in November, 1913, at the express request of Mason, to undertake to care for him and his household, with the full
