

DANIELSON AND PUTNAM NEWS

DANIELSON

Supervisor Horace P. Turner gave out the following figures showing the enrollment in schools in Killingly and in the town of Brooklyn: Danielson, School street school, 226; Goodyear, 152; Daville, 127; Attawaugan, 79; Ballouville, 62; East Killingly, 38; Center, 58; Valley, 27; South Killingly, 27; Sparks, 2; Tuckers, 2; total, 835. Brooklyn—East Brooklyn, 81; Center, 62; Bush Hill, 15; Gilbert, 14; total, 172.

John Kilbrass and Make Lak are the Danielson men who died as the result of injuries received in a motorcycle accident that took place near Warren, Mass., according to information that has been obtained by Chief John McFarland of the police force. The men were employed in a local mill and had ridden the motorcycle into Massachusetts on a brief outing. The bodies were not brought here for burial.

With the coming of fall there again is a demand here for apartments far exceeding the supply. The housing condition is again acute, notwithstanding the fact that there has been a large increase in the number of available apartments, due to the active building of the past three years, especially in Industrial Park. There is immediate need here of at least 50 apartments, and this would only ease the demand, not relieve it entirely.

The following was taken from the Orleans County (Vermont) Monitor: Mr. and Mrs. Chauncey S. Skinner of Orleans, announce the engagement of their daughter, Ruth Margaret Skinner, to Ensign Lester A. Bill of Danielson, Conn. Miss Skinner is a graduate of Wheaton college, having received her degree in 1917. She has been teaching most successfully in Proctor Academy, Andover, N. H. During the sixth Liberty Loan Campaign Miss Skinner for several months with the Liberty Loan Committee of the Second Federal District in New York city. Ensign Bill is a son of Judge Arthur G. Bill of Danielson. He is an electrical and mechanical engineer and before his enlistment in the navy was plant engineer of the New England Westinghouse Company. Upon completion of the Officers' Training course at the U. S. Naval Academy, Annapolis, he was assigned to duty on the U. S. S. Albatross, being an engineer officer until the recent acceptance of his resignation from the service.

The funeral of Rita Lamoureux, 4, daughter of Mr. and Mrs. Henry Lamoureux, was held from the Gaudette home in Union street Thursday morning, burial being in the cemetery. Mrs. Lamoureux is the widow of the late Martin T. Burns, who was the general director. The child became ill while visiting here from Moosup, their home town. The family formerly lived in Danielson.

Up at Woodstock fair, an innocent bystander who was asked as to whether the fleece of a fine ewe was all wool, at the same time, Webster, the end of the line and using their persuasive powers with trolley patrons who show inclination to ride on cars running on the Connecticut rail.

At the synagogue on Main street Monday evening, October 13, at 8 o'clock, Miss Mary Shuman of New York and Jacob Wolf of this city were united in marriage by Rabbi Lomonosky. Many relatives and friends attended a reception following the marriage ceremony. Mr. Wolf is successfully engaged in business in this city, where he and his bride will make their home.

The Danielson Circuit league, which includes representatives of churches in Jewett City, Moosup, Sterling, Danielson and this city, has a meeting scheduled to be held here on Saturday evening of next week. Today (Friday) George E. Shaw will leave for Jefferson, N. H., where he will be guest of a meeting of members of the New England Jewellers' Golf association. Mr. Shaw is a member of the Putnam Country club and much interested in golfing.

PUTNAM

Rev. C. A. Butterfield of Springfield will speak at the Congregational church here Sunday in the interest of the Pilgrim Memorial fund. Mayor A. W. Allen will be at New Britain Saturday as one of the executives of Connecticut cities attending the welcome home celebration for the soldiers returning from Europe.

All traffic through Grove street was suspended Thursday because of excavating being done there. Traffic was cleared through side streets or diverted by way of the Country club into Killingly.

Exceedingly large amounts of freight continue to be moved through Putnam over the lines of the New Haven road. Next Thursday will bring the last of the scheduled half-holidays, under the summer agreement, to the clerks of Putnam.

Concession holders at Woodstock fair in some cases stepped over the bounds late in the day and had to be warned against venturing into gambling enterprises on penalty of a fine. Since the trolley company's telephone system was interfered with on the northerly end of the local line, special officers have been assigned to duty in that section.

From South Main to King street, through Grove street, the new cement roadway will extend from curb to curb, between the gutter lines as originally planned. The change was arranged for after a conference here between city officials and State Highway Commissioner E. B. Johnson.

Saturday of next week Selection C. E. Pierce, L. M. Keith and Joseph LaPalma and Town Clerk David Plaga will be in session for the purpose of making new voters. There are 100 candidates in Putnam who have filed applications to be made electors.

Next Thursday will bring the last of the scheduled half-holidays, under the summer agreement, to the clerks of Putnam.

There were no special developments during Thursday in the situation that has developed in Webster, over the fact that Shore Line cars are now running through to the Massachusetts line. It is stated here, however, that the union trustees in Webster, end of the line are using their persuasive powers with trolley patrons who show inclination to ride on cars running on the Connecticut rail.

LIBERTY HILL

William Knott and a friend from New York spent the week end with the former's parents, Rev. and Mrs. John H. Knott. Rev. W. F. English of Hartford, secretary and treasurer of the Connecticut Missionary society, will preach in Liberty Hill church next Sunday morning.

So much damp weather has caused much damage to beans. Potatoes are rotting badly, but it is said that the weather has been very favorable for an abundance of potatoes in the north, especially in Aristotle county, Maine. Corn is maturing slowly but the frost is holding out and a few days of sunshine will be a great benefit.

SOUTH LYME

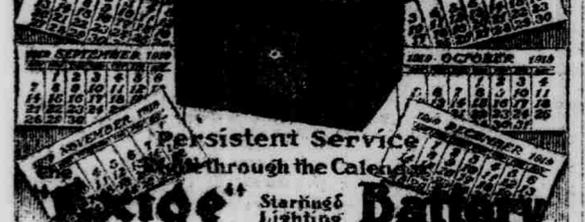

Mrs. Laura Peck and daughter, Laura, left for New York Tuesday. Miss Peck will enter Columbia college. While in New York Mrs. Peck will visit Mrs. A. H. Miller, of Jersey City. Mrs. Lizzie Beers, who has been visiting Mr. and Mrs. F. C. Payne, returned Saturday to her home in Willford.

William H. Slate of Barre, Mass., spent last week with relatives here. The peer man who is going down hill needs a substantial check.

A Sure Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then rub it off entirely. To do this, just get about four ounces of plain, completely dissolved and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

Yes, will and all itching and itching of the scalp will stop instantly, and your hair will be soft, lustrous, glossy, silky and rest, and look and feel a hundred times better.

EAST WOODSTOCK

Mr. and Mrs. Bailey of North Scituate, Mass., recently visited Mrs. Belle Withy and daughter, Jessie. Miss Louise Linderman enters Connecticut college, New London, Monday next.

Miss Jessie Withy left Thursday for Boston to join the Bailey family. They will spend the year in Cleveland, Ohio, being connected with the institute there.

Mrs. Agnes Paic, of Thompson, a former resident, sang a solo, No Nights There at the Congregational church, Sunday morning. The selection was much enjoyed.

Mrs. E. L. May is again confined to the house with an attack of erysipelas. Henry Bosworth, of Eastford, died at the Day Kimball hospital, Wednesday noon from an internal trouble. He has twelve children, those residing here being George, Ned, Burton, Wendell and Marguerite.

GALES FERRY

The Thames Coal Co. are now accepting orders for delivering coal by Gales Ferry, having extended their delivery system—adv.

All the world loves a winner—with the exception of the loser.

STOMACH TROUBLES ARE DUE TO ACIDITY

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache and inability to retain food, are in probably nine cases out of ten simply evidence that excessive secretion of acid is taking place in the stomach, causing the formation of gas and acid indigestion.

To stop or prevent this souring of the food contents of the stomach and neutralize the acid and make it bland and harmless, a teaspoonful of burghol Magnesia, a good and effective corrector of acid, should be taken in a quart of glass of hot or cold water after eating or whenever gas, sourness or acidity felt. This sweetens the stomach and relieves the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use.

Local friends have recently received word of the death of Mrs. William Clayton. For years her husband, the late William Clayton, was overseer in the finishing room of the Yantic Woolen Company.

Edward A. Jones is spending a few weeks at the Jones' cottage at Pleasant View.

James Henry of Shinnecutt Falls, N. Y., former resident here, is in ill health.

Crawford Ranges

Make Poor Coal Do Good Work The coal may be poor—hard, dirty, half slate—but a Crawford Range will give you the benefit of all the heat your fuel can produce. Crawford Ranges are built with large Fire Boxes, wide Heat Flues, and Cup Joints to conserve and use all the heat. In these days of inferior fuel a Crawford in the kitchen means satisfaction. The model illustrated—the Home Royal—has the Crawford Single Damper, making it possible to regulate the oven temperature by placing an always-cool Knob at "Bake" "Check," or "Kindle," and a Dock-Ash Grate which makes it easy to keep the fire free from clinkers. Crawford Ranges are made in many styles—each built to give a lifetime of service, and possessing more features than all other makes combined. Ask us to explain the advantages of the various styles.
