

CHANEY OUTPOINTS CHAMPION KILBANE

Jersey City, N. J., Dec. 29.—Young Chaney of Baltimore outfought and outpointed Jonny Kilbane, an eight round bout here tonight, in the opinion of a majority of the New York morning newspaper writers.

Chaney weighed 132 pounds and the champion 135. The Baltimore boxer took the aggressive at the start and although not so clever as Kilbane of ten sent in blows so fast that the titleholder was frequently forced to clinch. Chaney took the first, third, fourth and seventh rounds, and Kilbane the second and eighth. The fifth and sixth were even.

The best blow Kilbane landed was in the second round when he placed a right smash in the eye. In the last round Kilbane tried to score a knockout but Chaney fought back hard.

Jeff Smith of Bayonne knocked out Jack Coyne of Orange, N. J., in the second round. Smith weighed 147 and Coyne 155.

Gene Tunney, light heavyweight champion of the American expeditionary force, scored a knockout over Bob Pearce of Chicago in the second round of an eight-round match here tonight. Tunney weighed 175 pounds and Pearce 164. The bell saved Pearce in the first round, when he was down from a right uppercut to the head. His seconds threw in the sponge in the next round after the second knockdown.

Tom Cowler, the English heavyweight, won in the third round from Al Reich of New York, who was disqualified when his seconds sprayed him with water while on the canvas. The weights were: Cowler 212, Reich 208.

Reich did well for a minute of the first round but took the defensive thereafter. He was beaten twice in the second round, the bell ringing as the count reached six on the second knockdown. In the third round, he went down from a light push blow.

Hines prevented Harry Greb of the United States navy from meeting Annie Ratner, the A. E. F. middleweight champion.

HOT WEATHER MAY EFFECT HARVARD-OREGON GAME

Pasadena, Calif., Dec. 29.—The exceptionally hot weather of the last few days has resulted in a decision to begin the annual New Year's Day Tournament of Roses football contest, between teams representing Harvard and Oregon universities, this year at 2:30 p. m. instead of at 3 p. m. It was announced today by the football committee.

This action was requested by coaches "Shy" Huntington of Oregon and Bob Fisher of Harvard, who advocated the later starting hour because of fear that the hot weather might continue.

Harvard players were lectured this morning by Coach Fisher on what was said to be contemplated changes in the Crimson's mode of attack brought about by their view of the practice of the Oregon's eleven. This afternoon they held secret practices on several new formations.

FINANCIAL AND COMMERCIAL

GENERAL SETBACK IN MARKET

New York, Dec. 29.—With call money unimpeded from 2 to 2 1/2 per cent and back to 1 1/2 per cent, and 8 to 8 1/2 per cent bid for short time loans, the stock market today experienced another general setback in which many recent gains were wholly relinquished.

The stiffer money tendencies occasioned little surprise, despite last Saturday's favorable bank statement. It was generally anticipated that the Federal interior banks would find it necessary to strengthen their reserves to meet January interest in dividend payments.

In conservative financial circles it was freely predicted that the early weeks of the new year would witness further advances in interest and discount rates with attendant stiffening of quotations for commercial paper.

Other developments which gave momentum to the day's extreme declines of 2 1/2 to 3 points included the publication of numerous unfavorable statements of railroad earnings for November and further unstable conditions in foreign exchange.

Incidentally the interest of England weekly statement revealed a heavy decrease in liability reserves and the American dollar went to a higher premium in Paris.

Traders sought to extract a degree of comfort from the forthcoming return of the railroads to private operation and a broadening demand for railroad equipment and copper, but these factors exerted little more than temporary influence.

Metal shares were relatively strong with a few specialties, notably American Woolen, the entire list rallying irregularly in the final dealings. Liberty shorts covered hurriedly in the U. S. Steel and a few other leaders. Sales amounted to 1,235,000 shares.

Bonds were hesitant on the changes shown by speculative selling of Liberty and international issues also inclining slightly downward. Total sales par value were \$23,250,000. Old U. S. bonds were unaltered on call.

Junior League Basketball

The Baltic Bantams who were supposed to play the Ramblers of Tataville, failed to appear and the Ramblers claim the Bantams forfeit the game. The Ramblers were very much disappointed at the non-appearance of their antagonists as they always enjoy defeating this aggregation of would-be tossers. The game would have ended the same way, however, so it is simply a matter of regret at the loss of an hour's fun.

NEW HAVEN PAPER SKEPTICAL OF LEONARD-DUNDEE FIGHT

The New Haven Journal-Courier appealing to the sporting public for better sports apparently believes the common Leonard-Dundee fight a frame up and cites the law in the following comment:

The New York game of prize fight promoters who conspired to stage the so-called championship fight between Benny Leonard and Johnny Dundee in this city, January 18, for the lightweight title and reap a harvest of at least \$100,000 have oversteered themselves and by their duplicity brought about a distinctly unbearable situation. From reports coming into this office it is safe to say that about everyone in the city, not connected with the enterprise in any way, is irrevocably opposed to the impudable scheme of a twenty-round battle between the above men principally because it is not on the level and is against the law.

The reasons are many, as heretofore stated in these columns, and owing to the aspersions being cast upon an honest effort to elevate the sporting game, instead of pushing it deeper into the mire, the law on prize fights is published below:

General Statutes of Connecticut. Revision of 1914. Section 6241. Prize Fighting. Every person who shall be principal or second in any prize fight in this state shall be imprisoned not more than five years or fined not more than one thousand dollars (\$1,000.00) or both.

A contest in which blows are struck, which are intended or calculated to stun, disable or knockout either of the contestants, or in which either contestant is counted out or otherwise declared defeated, because of failure to resume the contest within a certain time, shall be deemed a prize fight within the meaning of this statute.

Section 6242. Witnessing or aiding in prize fighting. Every person who shall be present at any prize fight, to aid, abet, or assist therein, or give countenance thereto, or who shall aid or encourage such fight, in this state, without being present thereat, shall be imprisoned not more than two years or fined not more than five hundred dollars (\$500.00) or both.

SALES AND EARNINGS For the three years ending December 31, 1919 (two months estimated), total sales amount to \$10,047,438.55, or an annual average of \$3,349,146.00. Net Earnings for the same period total \$1,221,604.94, or an average of \$407,201.00 annually. Net Earnings for the four months ended Oct. 31, 1919, were at the annual rate of \$669,000.
