

Says Pile Remedy Worth \$100 a Box

I have had itching piles ever since my earliest recollection. I am 63 years old and have suffered terribly. I have tried many remedies and doctors, but no cure. About eight weeks ago I saw your ad. for Peterson's Ointment. The first application stopped all itching, and in three days all soreness. I have used only one box and consider I am cured, not feeling any return of the trouble for six weeks. You have my grateful, heartfelt thanks, and may everyone that has this trouble see this and give your ointment, that is worth a hundred dollars or more a box, a trial. Sincerely yours, A. Newb, Columbus, Ohio.

Peterson's Ointment for piles, eczema and old sores is only 35 cents a box at all druggists. Peterson Ointment Co., Inc., Buffalo, N. Y.

Firemen Hold New Year's Eve Banquet

The members of Chemical Co. No. 1 royally entertained fifty guests at a New Year's Eve spread at the Main street station Wednesday evening. Among those present were Chief Charles J. Connel, Deputy Chief Dennis Brennan of the Central Fire Station, Capt. Henry R. Taft of Chemical No. 2, West Side station, Capt. Alvin D. Lewis of Chemical Co. 3, Falls station, Alderman J. H. George, chairman of the board of fire commissioners, and Councilman John R. Fowler and Councilman Edward Crooks, members of the board of fire commissioners. The dinner was a most interesting talk on the danger of smoke in burning buildings by Capt. Henry R. Taft. Capt. Taft told of the chemical action which takes place when certain combustibles take fire, causing a deadly smoke which is very injurious to the firemen who have to force their way through smoke filled buildings. Death is often caused by this poisonous smoke. Capt. Taft spoke of the need of more men and additional apparatus for the department.

Capt. Dennis Brennan was the final speaker. He took occasion to warmly thank Capt. John E. Blackburn and the members of his company for the royal welcome which they had extended. After a rising vote of thanks to Chemical No. 1, the banquet broke up and a social hour followed. Victrola selections, made possible through the generosity of the Talking Machine Shop, added much to the pleasure of the evening.

The roast pig supper was prepared under the direction of Henry E. Danforth and adjutant Charles E. The members of Chemical Company No. 1 are as follows: John E. Blackburn, captain; John J. Lynch, Arthur Buckley, Patrick Brennan, Henry E. Danforth, William B. Brown, Howard Brown, the last three named being call men.
