The naval reserve boys in Jewett City received Tuesday a notification from Rear Admiral J. H. Glennon, at the headquarters of the Third naval district, that the naval reserve forces of the United States are being reorganized by the navy department for the purpose of mobilization training and drill. The boys were required to answer a list of questions and informed among other important matters that the law requires a minimum of 38 drills per annum and of two months active service during each enrollment. This active service may be performed in one period of two months or it may be divided into cruises of 15 days per year for each year of the four-year enrollment. The

boys were informed that it is of the utmost importance to the navy and to the country that the reserve force shall be ready for immediate mobilization at their stations in case of future hostilities, and were urged to bear constantly in mind the admonition of George Washington: In time of peace prepare for war.

At the democratic caucus Tuesday evening John F. Lennon was chairman and Alpherie LeClaire was clerk. The following nominations were made:—Warden, J. H. McCarthy; Burgess, John A. ECZEMA CAUSED YEARS OF INTENSE AGONY

"I have suffered intense agony from eczema on my leg and other parts of my body for years, and received only temporary relief from other preparations. It is only a month since I started to use PETERSON'S OINTMENT, and there is no sign of eczema or itching. You can refer to me.—George C. Talbot, 27 Penfield Street, Buffalo, N. Y.

"I've got a hundred testimonials, says Peterson, of Buffalo, just as sincere and honest as this one. Years ago, when I first started to put out PETERSON'S OINTMENT, I made up my mind to give a big box for 25 cents, and I am still doing it, as every druggist in the country knows."

"I guarantee PETERSON'S OINTMENT because I know that its mighty healing powers is marvelous. I say to every one who buys a box that it is rigidly guaranteed for eczema, salt rheum, old sores, blind, bleeding and itching piles, ulcers, skin diseases chafing burns scalds and sunburn and if not satisfactory any druggist will return your money."

SUES FOR \$5,000 FOR INJURIES BY AUTOMOBILE

Antone and Sarah Menghi, husband and wife, of New London, make a claim for \$5,000 damages in a suit brought against the Connecticut Company because a trolley car of the defendant company ran into and damaged the Menghi automobile and injured Mrs. Menghi.

The accident happened on June 23, 1919, on the Cheshire road in the county of New Haven. The automobile

was overturned and damaged to the extent of \$750. It is claimed Mr. and Mrs. Menghi were thrown out and Mrs. Menghi received severe bruises about the head, body and limbs and shock to her nervous system.

The case is returnable before the superior court on the first Tuesday in January.

Don't hide your light under a bushel. It's best to cover your faults—if it is big enough.
