## Dining Room Outfit, Complete 8 Pieces, Built of Sturdy Oak, Specially Priced at \$125.00

For real values in these days of high prices here is one that you can't find the equal of. Because of an over-stocking of oak dining room furniture due to a sudden influx of orders placed months ago, we desire to move these sets quickly—that's the cause of this great value.

Just as you see it illustrated, this outfit has a 42-inch extension table, big buffet with mirror cabinets and drawers as shown, and six slip-seat leather upholstered diners—each piece built of oak in either fumed or golden finish. A limited number of these sets available at that low price.
