WESTERLY

The will of David Franklin Stillman, the oldest bank clerk in New England, who died December 14, 1919, was admitted to probate by Judge Edward M. Burke in the Westerly probate court Tuesday afternoon. To his son-in-law, William M. Marr, is bequeathed his watch and books. The sum of \$100 is given for the perpetual care of his grandfather's burial lot in Hopkinton cemetery and \$75 for the perpetual care of lot of testator in River Bend. He leaves all of his real and personal estate and household furniture to his wife, Frances J. Stillman, during her natural life. Upon her death the estate is to be divided equally between his daughters, Violetta S. Marr and Ethel Stillman. The Industrial Trust company was made executor of the estate. The bond was fixed at \$10,000 and Judge Oliver H. Williams appointed appraiser.

The will of Mary L. Stillman, who died December 15, 1919, was admitted to probate. All household effects are given to her daughters, except antique clock, table and chair. The clock and chair is bequeathed to Reginald Dean and the table to Louis Stillman. One-fifth of the rest and residue of the estate goes to Flora L. Eliscoz and four-fifths to Annie L. Dean. Samuel H. Davis and Annie L. Dean were confirmed as executors. Bond \$5000. Eugene E. Pendleton appraiser.

How to Keep Age-Lines and Wrinkles Away

Don't forget that the woman who smiles will have a skin more free from wrinkles than the woman who frowns. When wrinkles begin to appear it is a good plan to bathe the face once a day for a while in a hairless solution made by dissolving an ounce of powdered soap in a pint of witch hazel.

This is remarkably effective in erasing the hateful lines, not only because of the astringent action, which tightens the skin, and thus frons out the lines, but also because of a helpful tonic effect which improves capillary circulation and nerve tone. There is nothing better for flabby cheeks or chin than twice a day the application of the powdered皂olite.

JEWETT CITY

In spite of a blinding snow storm the annual meeting of the freemen of the borough of Jewett City held in the town building Monday evening, was unusually well attended. There was much more largely attended than usual. The meeting was opened by acting warden Thomas McBroome. He being called away later, Burgess William Johnstone took the chair. The reports of clerk and treasurer, E. H. Gray, were read and approved. By vote of the meeting a tax of five mills was laid to meet the current expenses for 1920.

The following letter to the warden was read by the clerk of the borough, Edwin M. Gray:

Mr. Horace W. Mallhotts, Warden, Jewett City, Conn.

Dear Sir: This company is considering an extensive building program in Jewett City or in Charlotte, South Carolina. Before attempting to carry forward any of our plans we will have to obtain a macadamized or a decent road leading from Main street down through our village to the end of Ashland, also taking in our property on Hill street. We already have plans for a housing proposition costing from \$150,000 to \$200,000. These plans are not to be carried out in Jewett City until we can secure proper transportation for incoming and outgoing freight, as well as decent transportation to our office on Ashland street. There is no question but that both the condition of the roads of both Hill and Ashland streets. And we are sure that you will bear us out that these should be improved. The warden would estimate it a pleasure to appear before your board with our plans at any time you could make it convenient to have him meet with you. Personally, the warden thinks this matter should come before a borough meeting, but he is willing to appear before the officials and take it up with them, and then appear before a borough meeting to attend to the matter proper and without question it means a lot in the way of further population for Jewett City, and to the taxpayers and the merchants.

If we do not build in Jewett City the proposition may be carried to our southern group of mills.

Very truly yours,
L. M. CARPENTER, Agent.

Ashland Cotton Company.

Pursuant to the plan of proposed immediate action in this important matter the board of warden and burgesses will secure estimates of cost for gravel and macadam roads for Hill and Ashland streets, submitting the same at next meeting, February 2.

The report of George H. Prior, fire marshal, was given, showing that there were seven fires during the year with a loss of \$2,615.

Jan. 6, 6.30 a. m.—Chimney fire in house owned by Samuel Norman on Main street. 15 gallons of chemical used. No damage reported, cause, foul chimney.

Jan. 31, at 5.30 a. m.—Building owned by Slater Mills, No. 19 Main street, foul chimney, 30 gallons of chemical used; damage \$50.

May 27, 4.30 p. m.—Samuel Norman house, Main street; foul chimney, 6 gallons chemicals; no damage.

June 12, 6.30 a. m.—Building owned by Loretta Green, Railroad avenue, occupied by Joseph Glowaski, saloon; cause, cigarette in sweepings.

June 28, 2 a. m.—Storage sheds owned by Loretta Green, cause of fire unknown; damage to shed and adjoining buildings \$600, stock and fixtures \$1,900. This includes loss on fire of June 24, \$800 feet of hose laid.

Dec. 15, 12.15 a. m.—Building owned by Dominick Matrol, Green avenue, cause, foul chimney, 20 gallons of chemical used. Damage \$30.

Dec. 1, 10.30 a. m.—Building owned by Mrs. Clara E. Higgins, Meadow Brook. Cause foul chimney, 5 gallons of chemical used; no damage reported.

Last year the borough's fire loss was only \$44, according to the report of E. M. Gray, treasurer, the balance in the treasury Jan. 8 is \$1,008.21 as against \$651.67 at the same time one year ago. The expenses of the borough for the year are as follows: Streets \$1,752.33; police \$1,206.68; interest, \$3,547.50; water, \$1,221; printing, \$91.75; election expenses \$72.55; fire department \$1,724.53; street lights \$2,000; electric light plant \$7,788.72; miscellaneous \$385.70; insurance \$29.92; clerk and treasurer, \$178.62; David Hale Panning park \$23.21; garage \$400.10; total \$21,657.05. Total \$1,537.05. Running expenses 1918, \$2,905.59.

At sunrise Tuesday, a scene of winter splendor was revealed hardly to be excelled. From eight to ten inches of snow resembling frozen feathers fell during Monday afternoon and early evening in the fields and woods where it has remained undisturbed there is plumb sixteen inches.

In connection with the storm the mercury did some phenomenal acrobatic stunts. At 3 o'clock Tuesday morning, the thermometer registered 15 degrees above zero; the storm had stopped and the stars were out. At 8 o'clock, only three hours later, the mercury had dropped to 15 degrees below zero. At six, borough readings were variously reported from 10 to 17 below. At F. C. Whiting's and at the Jewett City Creamery it was a flat 20 below.

Ice fishermen are interested in the new law, which went into effect Tuesday, Jan. 20, which says the close season for fishing in lakes and ponds shall be from Jan. 20 to May 1 inclusive. There has been practically no ice fishing in Griswold this winter. Local fishermen are wondering if the present law which reads lakes and ponds, will be construed to mean the Pachaug and Quinebaug rivers, in the Ashland pond the Pachaug river, and in the Quinebaug river the Aspinook pond?

The following officers-elect of Reliance Lodge, No. 29, I. O. O. F., were duly installed Monday evening by District Deputy Grand Master E. P. Kinney and staff of Norwich:

Noble grand, William McCullough; vice grand, Lemuel E. Green; recording secretary, David H. Bothwell; financial secretary, George A. Haskell; treasurer, George W. Robinson; warden, Joseph Wharton; conductor, John Davy; R. S. S., Samuel Thatcher; J. S. S., John Potts, Jr.; O. G., Hugh Davis; I. G., George H. Thornton; R. S. N. G., S. A. Thompson; I. S. N. G., Jacob Sauter; R. S. V. G., Jacob Wechsler; L. S. V. G., Walter Benjamin; chaplain, A. D. Tripp; S. P. G., Clarence Chase; janitor, G. W. Robinson; trustee, three years, David A. Bothwell.

There were interesting remarks for the general benefit of the order by District Deputy Grand Master Kinney on the occasion of congratulating the order for its good attendance and the general interest manifested. The new-

George Washington shaved himself

ON occasion. One of these occasions was when his faithful servant allowed his hand to slip—whereupon the General arose in his wrath and finished the job himself; for the Father of our Country was very properly fond of a good, clean shave.

And in his simple shaving kit may still be seen his equally simple razors. While their model is many hundred years old, they have never been bettered in *left*, or *shearing width*, or *right shaving angle* on the face.

At such times when his old servant failed him, Washington would have appreciated the guarded, two edged blade of the Durham-Duplex because he would have found it nothing more than his own well-loved model *made safe*.

DURHAM-DUPLEX
A Real Razor—made Safe

Exactly the same shape and balance in the hand that uncounted generations of shavers have brought to perfection—with these extra advantages: (1) a guarded blade that can't cut your face. (2) a double-edged blade for economy's sake. (3) a detachable blade for the luxury of a fresh edge at a moment's notice.

(4) a stropable blade, so that you don't have to throw good steel away. And it's the longest, strongest, keenest, best-tempered blade on earth. Seven million shavers have found that the Durham-Duplex gives them more shaving mileage than any other safety razor. Get your Durham-Duplex today.
