DEATH OF TAX COLLECTOR ROBINSON

Robinson was first elected on the democratic ticket but his unexcelled work in this office earned him the honor of being nominated on both tickets and for many years he has been the only nominee for the office of tax collector he has served faithfully and well and it will indeed be hard to find a man who can so capably fill the place.

Mr. Robinson was born in Norwich on March 23, 1845, the son of Maria D. and the late Thomas B. Robinson. He traced his ancestry back to the Mayflower and his grandfather, Thomas Baker, was commissioned a captain in the War of 1812 by Governor Gerry of Massachusetts. Mr. Robinson received his early education in the schools of Norwich and after leaving school took up the printing press as his craft in the office of the Norwich Bulletin. For 14 years he remained with The Bulletin, then going to the Norwich Record, where he was one of the compositors on the first edition of the paper. After leaving the printing business Mr. Robinson conducted a news and cigar store in the old Shannon building, in which he continued until his election to public office. Besides being printer, Mr. Robinson was a telegraph operator, having picked this up during his spare moments and it was he who first received the news over the wire of the battle of Sanluis in June of 1888.

On January 23, 1888, he was united in marriage with Miss Frances Rebecca Mather of this city. Mr. Robinson was a member of the Norwich Gardeners Lodge, No. 46, K. of P., and the New England Order of Protection. At one time he was a member of the old Waukegan Hook and Ladder Company, No. 1. He is survived by one son, Harold T. Robinson, and his mother, Mrs. Maria D. Robinson. Another son, Arthur, died several years ago. He also leaves an infant son, Mrs. and other relatives in that city. In the passing of Mr. Robinson the community suffers a loss that is deeply felt by everyone and those of his family who remain have the sympathy of everyone who knew Mr. Robinson.

He was first elected to the office of city tax collector on June 6, 1898, and town tax collector on Oct. 3, 1898, succeeding George L. Griswold in both offices. Mr.
