

2 TROUBLES FROM MY AGE

Mrs. Baney tells how Lydia E. Pinkham's Vegetable Compound Helped Her Through the Change of Middle Life.

Rochester, Ind.—"My troubles were from my age and Lydia E. Pinkham's Vegetable Compound helped me wonderfully. I took doctor's medicine and other patent medicine, but the Vegetable Compound has helped me more than anything I have ever taken. I am thankful to the one who recommended it to me and will surely do my part in telling others that the medicine has done for me."

JEWETT CITY

Miss Flora Lambert and Ernest Benjamin were married by Rev. J. J. McCabe at St. Mary's rectory at Jewett Monday afternoon. The bride wore a navy blue tulle gown with white hat. Her carriage bouquet was white carnations. The bridesmaid was the bride's sister, Miss Rosanna Lambert, who wore navy blue and carnations and a white hat. The best man was Robert Olsen. A reception was held at the bride's home on Hill street. The received gifts of silver, cut glass, linen, furniture and china. Mr. and Mrs. Benjamin will live in a newly furnished home on Madison street after a wedding trip. Mr. Benjamin is a member of the U. S. C. M. club, during the war, gave no dues time to Red Cross work. Until a few months ago, Mr. Benjamin with his brothers, owned a farm in Jewett but they now live in Jewett City, where he is employed in Aspinook blackberry.

Miss Ellen Wilcox is one of the honor students in the graduating class at North West Academy.

Miss Ellen Wilcox is one of the honor students in the graduating class at North West Academy. Miss Alice Blair is one of the sixteen who are to read essays on the great meeting of the 10th of the class from Jewett City area. Misses Isabel Marshall, Lottie Pease, Irene Brickley, also Royal Babcock, Jewett City is proud of the high standing of so many of its graduates. The school graduates each year, who enter their schools in various places.

WESTERLY

There is a spirit of sociability at the business meetings of the Westery town council, that does not prevail in all incorporated bodies. During the sessions members address each other in the most familiar way and such remarks as: "What do you fellows think about it?" "How about it, cap," and the business is transacted just as extensively as if the meetings were conducted along the strictest parliamentary lines.

At the meeting Monday the councilmen declared in favor of a safe and sane observance of Independence Day, with all such explosives barred that require a special permit for their sale under the state laws. That action was taken after the reading of communications in advocacy, received from Edward H. Buffum, chairman of the fire prevention committee of the Westery Board of Trade, and from Irvine O. Chester, secretary of the Washington County Board of Fire Underwriters.

Clerk Everett E. Whipple announced that the next regular meeting of the council, according to established rule, would be held July 5, unless otherwise authorized by the council. Due to the death of Charles G. Craig and the absence of George C. Moore, who is in England, only five members remained, for members must be present to constitute the required quorum. George C. Harper stated that he would be away from town the week of July 5th on business. The council adjourned for the next regular meeting to be held July 12.

Tavern licenses were granted as follows: T. Edward H. Buffum, Harold Dalton, John G. McCreaney, John F. Chempin, A. D. Cushing, and E. E. Langworthy. A virtual license was granted to Thomas McFarlane. James Brown, a member of the fire police, was appointed a constable with out pay.

William H. Champlin was granted permission to move two dwellings, 1118 and 1121, from Bradford to a lot owned by Ida Beverly on the Watch Hill road. Mr. Champlin said the buildings were to be removed on wheels and the total height would not exceed thirteen feet.

Russell L. Slocum reported that he had enumerated 1807 dogs, and the accompanying bill of \$121.46 was ordered paid.

The traffic ordinance was adopted in regard to the thirty minutes parking of vehicles in sections of Broad, Main and Hill streets, to be in effect June 16. The penalty was fixed at a fine of not less than \$2 nor more than \$20, or ten days in jail.

Robert W. Perkins, of Norwalk, of the Shore Line Electric Railway company, in a letter to the council, stated that he had filed with the public utilities commission a new rate of fares. The council, to the effect of June 16, Rhode Island, and asked for the cooperation of the people of the towns of Westery and Hopkinton. Mr. Perkins stated that he would like to see the council receive the lines Rhode Island had been operated at a distinct loss. With interest and taxes not considered, the receipts were not equal to the actual operating expenses. He requested that to occur operation would be a hardship on the people and communities now served, and there was hope that the proposed increase in fares on a nickel basis, with increased patronage, will meet the expense of operation. Although there had been an increase of more than 100 per cent in fares, the net result in operation, there had been no increase in fares. Under the new rates the fares will be from Westery to Watch Hill 15 cents, to Bradford 25 cents, to Aspinook 15 cents, to Watch Hill 25 cents, and to Aspinook 15 cents. No vote was taken, but the sentiment of the council was in favor of the proposition.

The Westery Woolen company petitioned for a license to erect a building on a large addition which was proposed to the west of Potter Hill which would double the capacity. If construction was begun, it would be a considerable increase in the town's population. The company would purchase a tract of three acres with two small cottages thereon, from the town of Westery, in exchange for the land to be used for the building. The license is valid for ten years the period given to other manufacturing industries.

Local Licenses

Westerly Lodge, Local Order of Moose, is arranging for a parade and field day July 5, Lodges from all sections of Rhode Island have been invited.

The Ladies Aid Society, Truman H. Newbury has opened their summer home at Watch Hill.

Miss Mary Whipple, teacher specialist in Columbus, Miss., is at her home in Westery.

The members of Charity Relief Lodge of Masons of Westery, will be entertained at Pawtucket Lodge, Thursday evening.

STONINGTON

J. Murray Henry, son of Mr. and Mrs. John Henry, who served as a construction engineer at the plant of the New London Ship and Engine company, Groton, has gone to Paintsville, Kentucky, where he will engage in the oil business.

The case against Pasquale Capronia, of Groton, arrested by the police in Stonington, has been continued to June 12, by the Stonington town court.

Mr. and Mrs. William W. Walsh, of Westery, N. Y. guests of Robert C. Stanton and family, Saturday and Sunday.

Mr. and Mrs. Frank Foster Dodge have as their guest, Miss Harriet Mason, of New York.

Mrs. Edward C. Streeter and children, of Boston, are at their Red Brook summer home.

Mrs. R. P. Emory, of Kennebunkport is the guest of Mr. and Mrs. Joseph F. Joseph.

Mrs. Ephraim H. Williams of New York is visiting at the home of Mrs. Sully T. Stanton.

HOPKINTON

At the town election Tuesday, June 1st, the citizens' ticket won for the fourth consecutive year. One of the candidates who had republican competitors showed majorities ranging from 58 to 88. Elmer E. Kenyon, for town clerk, Harry A. Spenser, for two assessors, Robert C. Conon and Henry D. Bailey, for members of the school committee, to serve for one and three years, respectively, were not opposed.

The closest contest was for district clerk in voting district No. 1, Charles N. Kenyon winning over Everett P. Mathewson by one vote. Elmer E. Kenyon, the new town clerk, who formerly served the town as town councilman and has given much attention to civil and probate law and will no doubt give efficient service in his new office.

Miss Clara Fashley has returned home from her service as teacher of music at Internorm college, Bristol, Va.

Mrs. Flora Gray has returned home from a visit in Pawtucket.

Mr. and Mrs. Walter D. Blake of New London and Thomas A. Griev and family of Norwich were guests Sunday at the home of Daniel E. Blake.

Mr. and Mrs. Ernest W. Tinkham are at the home of their daughter, Mrs. Charles W. Jolley, in consequence of the destruction by fire of the cottage at Quononcontaug Beach which they had hired for the summer.

Miss Violet Jolley had a party Friday in celebration of her sixth birthday.

FITCHVILLE

Peter Gribbon of Hartford is visiting his father, John Gribbon.

Mr. and Mrs. Charles Kingberger are entertaining for two weeks the Kingberger's mother, Mrs. McGinn, of Providence.

Mrs. Henry Fischer and daughter Grace returned home recently after spending several days with Mr. and Mrs. Albert Harris.

William Curtis of Superior, Wis., is visiting Miss Eva Dickinson of Fitchville.

WESTERLY

Intelligence Journal, delivered the address at a meeting of the Rhode Island Association of Congregational Ministers in East Providence Monday afternoon. Subject: Some Modest Reflections on the Art of Public Speaking. The devotional service that followed the business session was led by Rev. George J. Bloomington. In the discussion on church membership, Rev. Frederick A. Macdonald, Westery, spoke on Interesting New Members. Rev. W. Seelye in Standards for Uniting and Rev. Frank Butler on Dismissal of Members. Rev. Edward L. Marsh gave an address on Our Relation to the Pilgrim Tercentenary. There was a general discussion of the latest denominational news.

Since the first day of April last, the union granite cutters of Westery have been on vacation, having at first declined to endorse the agreement of union officials and manufacturers for \$8.50 for an eight hour day until September 1, and thereafter at the rate of \$4 for eight hours. The company's offers have been rejected, even as late as last Friday night. This was in line with the action taken by cutters in other New England granite centers. In Barre and other places to the eastward of here, the manufacturers yielded Sunday and agree to pay the original demand of \$8 for an eight hour day. The local granite cutters met Monday morning, and served notice that they were ready to return to work at the established rate. It is expected that nearly all of the men will be at their jobs today (Tuesday).

At a meeting of Calvary Baptist church, Monday evening, it was unanimously voted to extend a call to Rev. Lewis A. Walker of Abington, Mass., to become pastor of Calvary church. It is understood the call will be accepted. Rev. Mr. Lewis has been pastor at Abington, Mass., for the past eight years. He is highly recommended and comes to Westery after consultation with Rev. Nathan E. Wood, D. D., a former president of Newton Theological institute, and father of E. B. Wood, librarian of the Westery Memorial Library association. Calvary church has been without a pastor since the resignation of Rev. F. C. A. Jones last November.

The Rhode Island party, numbering forty-nine, arrived in Chicago at three o'clock Monday afternoon. They were provided for the republican national convention Sunday noon, in three special cars, including Governor Beecher's private car. The party went to the west on the famous train Wolverine of the New York Central railroad. Westery's representative in the party is Harry R. Milner.

More than one-third of the churches in the Roman Catholic diocese of Rhode Island have subscribed their allotments in the push to raise \$250,000 for the new Providence college. Up to Sunday the subscriptions amounted to \$180,000. Included in the churches that have subscribed their allotments in the church of the Immaculate Conception, the church was \$1250 and the amount raised Westery. The allotment of the Westery is \$2,200.

Miss Daisy Hilber Peabody, daughter of Mrs. Mary E. Peabody and Adolph Hirschfeld, of Fortness Monroe, Va., was married to a young man of the same name, of the same name, at the home of the bride in Siquira street, Rev. Clayton A. Burdick officiated. There was no bridesmaid or best man and the ceremony was witnessed by the family members only. This is a common return they will remain in Westery until July 20 and then go to Panama. Mr. Hirschfeld was graduated from the school of the United States Electric Co. and will engage in his profession as a civil engineer in Panama.

The Falls company are to build a garage, 12x18, at 23 Grosvenor street. The building is to be of frame construction. The house for C. V. Pendleton on present street is practically completed. All that remains to be done is the completion of the interior work which will be accomplished this week. The house for Jeremiah Lynch has been boarded in during the past week and is ready for the cladding. The interior work will soon be started.

The contract has been awarded to erect a new foundry building at Fort Truman for the United States Electric Co. of New London. On the present site are a number of buildings which will be slightly altered and remodeled. The new building will be of reinforced concrete construction, with steel trusses. Steel sash, skylights and a ventilating system will be required. The new plant will be used for the manufacture of a new product in the machine world, under a patent granted G. E. Jones of Boston, consisting of an electric riveter and heater, that will heat the drive into steel at the same operation, saving a great deal of time and labor. The estimated cost of the structure is about \$50,000.

A building permit has been granted to the National Bank of Commerce for the erection of its new bank building at 265 State street. It will be of terra cotta construction, with brick veneer and marble trim. The roof will be of concrete and will require a number of skylights. The front of the structure will be set with four massive columns of white marble and the general design will be Colonial. In the basement will be several storage vaults, and on the first floor will be the securities and safe deposit vaults, as well as the main banking room and officers' quarters. On the second floor will be the women's locker and rest-room, directors' room, and another room for the office. The cost of the building is estimated at \$125,000.

Ground has been broken for a house and garage to be erected on Hillside road for Charles R. Stevens. The house will be of frame construction, 34x25 feet, two stories high, with eight rooms and bath, and fitted up with all modern improvements. In the rear will be the garage, which will also be of frame construction, 10x22 feet, for three cars. The two buildings will cost about \$8,500.

The John Turrello Bros. Co. will erect a new building at 571 Bank street. It will be of brick construction, 18x108 feet, one story high, with a flat gravel roof and cement floors. In the rear will be used as a boiler room. When completed it is the intention of the owners to rent the new building to a dry cleaning concern. It will cost about \$5,000.

A Massachusetts firm has been awarded the contract for furnishing the dirt at the new pumping station at the Mansfield State Training School.

At the church Sunday, the 26th, the services were patriotic. Rev. William Prying, pastor, preached a sermon on Memorial. The quartet—Mrs. Ben Livesley, Mrs. A. Mott, J. S. Westcott and A. Mott—sang a memorial selection, Peacefully Asleep.

Rev. Mr. Williams of the Danielson Congregational church spoke at the evening service, giving a helpful talk from Paul's life. The church orchestra led the congregation in singing.

After the evening services a good number met in the church to give wreaths for the soldiers' graves under the charge of J. A. Atwood. Fifty wreaths were made.

Another Cleveland Suggestion

Strawberry Shortcake and Strawberry Puffs

IT was formerly the custom to make shortcake with strawberries but now delicious shortcakes are made with other fruits, including raspberries, blackberries, loganberries, bananas, peaches and oranges; dried or stewed fruit, and all varieties of canned fruit. Other fruit, if, of course, can be substituted in following recipes:

Old-Fashioned Shortcake: 2 cups flour, 1/2 teaspoon salt, 3 tablespoons sugar, 4 teaspoons Cleveland's Baking Powder, 3 tablespoons shortening, 1/2 cup milk, 1 quart berries. Sift dry ingredients; cut in shortening; add milk to make soft dough; smooth out lightly. Bake in greased deep layer cake tin in hot oven 20 to 25 minutes. Split and spread between layers with crushed and sweetened berries or other fruit.

Strawberry Puffs: 1/2 cup shortening, 1/2 cup boiling water, 1/2 cup flour, 1 teaspoon Cleveland's Baking Powder. Heat water and shortening in saucepan until boiling point; is reached, add sifted flour all at once and stir vigorously. Remove from the fire as soon as mixed and add unbeaten eggs, one at a time, beating mixture thoroughly; add baking powder; mix well and drop by spoonfuls 1/2 inches apart on greased tin. Shape into circular form with wet spoon. Bake 30 to 40 minutes in moderate oven. With sharp knife cut near bottom to admit following filling:

STRAWBERRY FILLING: 1 egg white (unbeaten), 1/2 cup granulated or 1/4 cup powdered or confectioner's sugar, 1/2 cup drained strawberry pulp, 1/4 teaspoon Cleveland's Baking Powder. Place all in bowl and beat with wire egg whip until very stiff.

FRESH STRAWBERRY ICING: Crush 5 large strawberries with a little sugar and a few drops of lemon juice, and let stand until juicy; then mix in gradually 1/2 cup of confectioner's sugar; and spread on top of each puff.

Made from Cream of Tartar derived from Grapes. All measurements for all materials are level.

FREE: By all means get the "Cleveland's Superior Recipes" and "Recipes Showing How Cleveland's Superior Baking Powder Saves Eggs—Contains helpful recipes. Free for the asking. Write: 120 William Street, New York City.

Laborers and Hod Carriers Return to Work

The strike of the laborers was called off on Saturday as was the hod-carriers' strike, and both returned to work on Monday morning. The laborers had demanded 70 cents per hour and the hod carriers were asking for 85 cents per hour and after three weeks the master builders presented a counter agreement in which they agreed to give the laborers 60 cents per hour and the hod carriers 70 cents per hour. This agreement was rejected at first by the laborers and hod carriers but was finally agreed upon. The strike has more or less held up building during the past three weeks and practically no work has been done that required either the laborers or hod carriers.

Charles A. Chamberlain, who recently purchased the Platt estate known as Rocklawn, has been granted a building permit by the Marshall Howard L. Stanton to erect a frame garage on the property. This will accommodate two cars and will have a concrete foundation and floor. The walls will be of spruce with clapboard siding. The roof will be done in composition shingles. George A. Boucher has the contract.

August P. Hoelck of Hamilton avenue is to erect a frame garage at his home. The building is to be 14x28 feet with a concrete foundation and floor. Frank Ulrich has been granted a permit to erect a barn on Marvin street. The barn will be of frame construction and will be 20x30 feet. The cost will be about \$225.

At the church Sunday, the 26th, the services were patriotic. Rev. William Prying, pastor, preached a sermon on Memorial. The quartet—Mrs. Ben Livesley, Mrs. A. Mott, J. S. Westcott and A. Mott—sang a memorial selection, Peacefully Asleep.

Mrs. Herbert P. Williams has opened her home here for the summer.

Norfolk—With the closing of the 21st annual June festival at the Music Shed the soloists, musicians and many noted guests have left town.

Removes Hairy Growths Without Pain or Bother (Modes of Today)

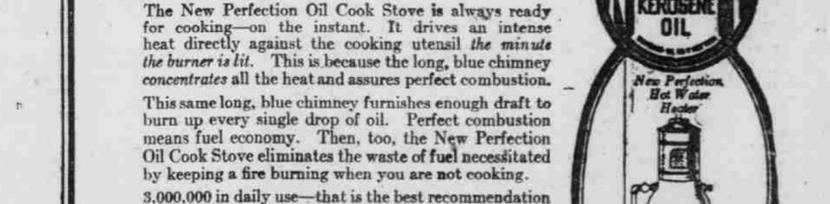

It is not necessary to use a painful process to remove hairy growths, with a little Beldone handy you can keep the skin entirely free from these beauty destroyers. To remove hair, make a stiff paste with a little powdered delatone and water. Spread this on the hairy surface and in about 2 minutes rub off, wash the skin and the hairs are gone. To guard against disarrangement, be careful to get real delatone.

LIFT OFF CORNS!

Doesn't hurt a bit! Sore corns lift right off with fingers. Magic!

The Day's Catch to Fry!

Home and Hungry! That's the time you don't want to wait while a cooking fire is started. You want the frying pan sizzling or a piping hot oven to make quick biscuits.

The New Perfection Oil Cook Stove is always ready for cooking on the instant. It drives an intense heat directly against the cooking utensil the minute the burner is lit. This is because the long, blue chimney concentrates all the heat and assures perfect combustion.

This same long, blue chimney furnishes enough draft to burn up every single drop of oil. Perfect combustion means fuel economy. Then, too, the New Perfection Oil Cook Stove eliminates the waste of fuel necessitated by keeping a fire burning when you are not cooking.

3,000,000 in daily use—that is the best recommendation for the New Perfection. It comes in one to four burner sizes. Sold by dealers everywhere.

For your further convenience, the New Perfection Water Heater. Hot running water at low cost. Ask your dealer.
