Best of Cooking with Economy

The New Perfection Oil Cook Stove is the perfect and most economical stove.

The reason for its great fuel saving lies in the perfect and complete combustion of every drop of oil. Then, too, you are not wasting fuel by keeping a fire burning when you are not cooking.

The New Perfection provides the hottest flame for cooking—the high, white-tipped blue flame. You can have intense heat instantly by regulating the handle. Further regulation gives you an even blue flame for slow boiling or simmering. Comes in 1, 2, 3 and 4-burner sizes.

For your further convenience—the New Perfection Water Heater—quickly heats running water. It is easily connected to any circulating water system. Simple and very economical.

Each regimental commander will assemble his officers at least once each day for instruction and discussion.

FIFTEENTH ANNUAL MEETING OF MASONIC VETERANS The Masonic Veterans Association of Connecticut will celebrate its fiftieth anniversary on June 24th of this year, and its fiftieth annual reunion of the association will be held at Derby on that date.

The Masons will be the guests of King Hiram Lodge of Derby, and it is very appropriate that they should meet with this lodge as the association was formed and held its first meeting at Derby under the auspices of this lodge.

The meeting will be called to order at seven o'clock (daylight saving plan), by the venerable master of the association, John O. Rowland.
