WESTERLY

A regular session of the Westerly probate court was held Tuesday afternoon, Judge Edward M. Burke presiding. The will of William L. Clarke was presented for probate, and continued to July 20, on request of Attorney Samuel H. Davis, who is named as executor in the will, and Attorney John Ferguson, who appears for Jessie Clarke Ferguson, wife of Dr. Alexander Ferguson. Under the will the estate is to be divided into three equal parts and to be given to the Seventh Day Baptist Missionary society, the American Tract society and granddaughter of testator Jessie Clarke Ferguson. The will was executed June 28, 1917. Mr. Clarke died May 15, 1920. William G. Cheever was appointed guardian of the person and estate of Arthur A. Cheever, Jr., a minor, son of the late Mr. and Mrs. Arthur A. Cheever, late of Framingham, Mass. Bond \$300. Clarence E. Roche, appraiser.

The Wash. Trust company, executor of the estate of Elizabeth Bonner, presented first and final account of estate, which was approved for record. In the estate of Lucy A. Sullivan the first and final account of George W. Taylor, administrator, was presented, and continued to July 20. Inventory of the estate of Sarah F. Crumb, showing valuation of \$22,870.40, was received for record.

In the estates of Frances E. and Ethel Marzole, minors, the petition of the mother, guardian of the estates, was authorized to sell real estate of minors, at not less than \$1,104. Bond \$2,000. The Industrial Trust company, executor of the estate of James M. Thompson, who died in 1912, presented inventory showing a valuation of \$149,648, which was ordered recorded. In same estate, first and final account was presented, examined and approved for record.

It is said there is to be a contest over the will of William L. Clarke on the ground of testamentary incapacity. Mr. Clarke was for many years a member of the Westerly senior council, serving several terms as president. He was for more than a quarter of a century president of the Seventh Day Baptist Missionary society, and at the time of his death was president emeritus.

While not a prize winner at the annual tournament of the Rhode Island State Firemen's League at Bristol, the Westerly Firemen's association made a satisfactory showing. It was the first tryout of their recently acquired hand engine City of Lowell, and the men who manned the brakes were not on to the kinks of the machine but which came to them in the contest. At it was the Westerly machine stood ninth in a field of fourteen, leading some of the crack machines of the state which, like the Lowell, had an off day. The Lowell has a record far in excess of the longest stream thrown on the paper at Bristol, and when worked at its best is claimed to be a sure prize winner. The squirting distances made by the several hand engines follow:

Catcher Geoffrey L. Moore, son of George C. Moore, of the George C. Moore company, had his right leg fractured just above the ankle, while making second base Monday in the White Rock-Bradford game, at White Rock. He was catcher for White Rock. Young Moore was running hard for second and was intercepted by Dolphin and thrown. The umpire decided in favor of Moore and gave him a base, before it was known that Moore's leg was broken. While playing football with his college team in Worcester he received like injury, but had fully recovered.

A fire alarm was sent in Monday night at 10 o'clock for a small blaze on the roof of the residence of William Madge in Hill street. The fire department extinguished the blaze before any damage of consequence resulted. The cause of the fire is said to be an innocent sparkler thrown on the roof, the latter being caused by the heated rod end of the sparkler.

Alvin W. Mawson, recently of the navy, who lost his left foot, by reason of entanglement with a hawser, pitched the White Rocks to victory, in the game of baseball, Sunday, with South Kingston by a score of 15 to 2. Mawson is a resident of Pawtucket, graduate of the Stonington High school, was pitcher for the champion school team and captain of the football team when the baseball season closed. He is now a student in the Pace and Pace School of Business Administration, Boston. Mawson played baseball Sunday in his old time form, but was furnished a runner.

Miss M. Alice Dove, money order clerk in the Westerly post office, has returned home from the Rhode Island hospital. Miss Dove was a passenger from Providence on a night train June 18. While going down the steps of the subway at the local railroad station, her

foot caught in the corrugated-stair tread and she was thrown to the cement pavement, striking on her face. Her nose was fractured and she sustained other injuries. Soon after the accident Miss Dove was taken by automobile to the hospital.

While Westerly cannot claim that Presidential Nominee Harding or any of his relatives past or present, ever resided in the town, or anything like that, a local taxpayer has a personal acquaintance with the senator, was neighbor and schoolmate, and has kept close tabs on his political career. She is Mrs. Davis C. Anderson, a large property owner at Watch Hill, with a winter home in Ohio.

Raymond Dowd has been appointed by the treasury department assistant janitor of the post office, succeeding Nicholas J. Craddock. Mr. Craddock has been transferred to the post office department and appointed a parcel post carrier, operating a motorcycle with side car equipment.

Joseph Anderson, while operating a motorcycle, Monday evening, in turning from Crandall avenue to the Shore road was struck by an automobile operated by a naval officer. Mr. Anderson was severely cut and bruised and a bone of his left foot fractured. The fault was wholly with the automobile operator, and satisfactory adjustment was promised Mr. Anderson. He was well to the right of the highway when the automobile, that was going in the opposite direction, swerved to the left and struck the motorcycle, throwing Mr. Anderson off. The motorcycle was wrecked.

A large limousine named Dilan, was driven Sunday night off the road at Hatch Hill and overturned in the swamp diagonally opposite the post office. None of the occupants of the car was seriously injured. A large and powerful wrecking car from Hartford hauled the limousine from the marsh after righting it, and then proceeded to Hartford with the wrecked automobile.

GERMAN FARMERS BELUCANT TO SURRENDER FIREARMS

Berlin, July 6.—There is a reluctance on the part of some German farmers to surrender their firearms, due to "the legitimate desire to protect their homes against marauders." Ministers of Agriculture Braun said to a Tagblatt representative. He added, however, that a number of farmers have been "storing arms deliberately for subversive purposes," but said these were not as numerous as generally believed.

"If the people only will keep their heads," Herr Braun said, "I do not believe there will be any organized outbreak on the near future. The rural situation at this time inspires confidence."
