

SUMMER SCHOOLS AT NAVAL STATIONS

Washington, July 15.—Summer schools for the training of youths between the ages of 16 and 20 years were opened today at the Hampton Roads and Great Lakes Naval Training Stations. Enrollments for the schools were received at the naval recruiting station the applicants were required to pass the ordinary qualifications for enlistment in the navy. Provision for these schools was made in the last annual appropriation bill. Those attending are required to enroll for three months in the naval reserve force. They will receive the pay of

DEM. NOMINEE COX STARTS FOR WASHINGTON TODAY

Columbus, O., July 15.—Gov. James M. Cox, democratic presidential nominee, spent most of today attending to executive duties at the statehouse preparatory to his departure tomorrow for Washington, where he will confer Sunday with President Wilson. Prior to his leaving, in the afternoon, the governor will receive eight leaders of the national women's party who are to present arguments that he urge the Tennessee legislature to ratify immediately the federal suffrage amendment in order that women may vote in November.

Suffrage leaders who will confer with the governor at 3 p. m. were arriving tonight. Those scheduled to speak tomorrow are: Mrs. H. O. Havemeyer, New York City; Miss Alice Paul, national chairman woman's party, New Jersey; Mrs. James M. Hester, Columbus; Mrs. Florence Bayard Gillies, Wilmington, Del.; Miss Mary Stewart Hinch, Henderson, Ky.; Mrs. Margaret Crahan Jones, Seattle, Wash.; Miss Anita Pollitzer, Charleston, S. C.; and Miss Mary Winsor, Haverford, Pa.

Governor Cox indicated today that his speech of acceptance may be entirely silent on the prohibition question. When asked whether prohibition would have a place in it, the governor stated that it was the custom to confine the speech to a discussion of the party platform. The platform is silent on prohibition.

Returning delegates from the San Francisco convention and other party leaders with whom the presidential nominee has discussed campaign plans are said by Governor Cox to be strongly in favor of establishing three headquarters—eastern in New York, central at Chicago and western at San Francisco. The governor was non-committal on the question of establishing central headquarters in Columbus, declaring that this rested entirely with the national committee.

Governor Cox intimated today that while in Washington he may confer with members of the federal trade commission relative to data for use in the campaign. He said no other conferences had been arranged to his knowledge, but that former Congressman T. T. Anshery is making all arrangements for his Washington visit.

BENSON TO GIVE DECISION IN LONGSHOREMAN TROUBLE

Washington, July 15.—Continuation of the working agreement between the shipping board and longshoremen employed at the various ports of the country was discussed at a conference today between Chairman Benson and representatives of the International Longshoremen's association. At the conclusion of the conference Chairman Benson said a decision in the matter would be announced by the board in the near future.

At the invitation of Chairman Benson representatives of the board's ship operators, the department of commerce, the department of labor and the war department attended the meeting.

The present agreement provides for a national adjustment commission having jurisdiction over wages and working conditions of the longshoremen working on the board's vessels. Provision also is made that unless either party gives notice of withdrawal sixty days before expiration the agreement shall continue in force for another year.

Longshoremen seek continuation of the agreement, it was said after the conference, as it centralizes negotiations with the board.

New York ship operators also endorse the agreement, it was stated, contending that its discontinuance would disturb the already unsettled conditions in the harbor.

The shipping board will carefully consider the views expressed and will undoubtedly announce its decision in the near future. Chairman Benson announced: "The board stands for equality of opportunity of employment for any properly qualified longshoreman and is earnestly seeking the best means to promote stability and harmony in the great longshore industry."

The last award of the adjustment commission under which the men are now working and which provides for 30 cents an hour for an eight hour day extended until Oct. 1, but it was asserted that the conference was concerned solely with the advisability of continuing the working agreement.

VALUABLE PROPERTY IN NEW HAVEN ENDANGERED BY FIRE
New Haven, Conn., July 15.—Frame buildings containing machinery, a wharf, coal sheds and bunkers with hoisting apparatus of the Connecticut Adamant Plaster company and the Konold Coal company, on the waterfront, were burned tonight. The losses aggregate over \$25,000.

A heavy rain which had just fallen was a factor in limiting the sweep of the flames. The Yale Brewing company's

large plant and a new mill and kilns of the plaster company were close by and for a time these appeared to be involved but the fire got no foothold in either. The blaze apparently started from sparks from a hoisting engine stack.

PUNISHED FOR INCITING MANCHURIAN BRIGANDS

Washington, July 15.—Charging that the Anfu party leader, Tuan Chi Jul, former Chinese premier, had incited Manchurian brigands, General Chang Tso Lin, military inspector of Manchuria, has served notice on President Hsu Shih-Chang that he proposed to organize an expedition with a view to occupying Peking until General Tuan, has been punished.

This information was received today in a Peking despatch to the state department which also reported that all rolling stock on the Peking-Mukden Railway had been sent to Manchuria.

Another despatch to the department dealing with the situation in China growing out of the revolt of General Tuan and Hsu Shu-Cheng against the present government said that a Japanese statement had been published to the effect that Japanese instructors attached to armies commanded by General Tuan had been recalled.

President Hsu was reported to have issued a mandate ordering troops of the contending factions back to their original posts in order to preserve the people from the miseries of a civil war.

START OF REVOLT AGAINST GOVERNMENT OF BOLIVIA

Lima, Peru, July 15.—The revolt in Bolivia against the government of President Jose Gutierrez Guerra started at two o'clock Monday morning, according to details of the movement received here today from La Paz. The president, learning earlier of the conspiracy, took refuge with several of his ministers in the American legation.

The government palace guard held out for only a short time before surrendering and joining the insurrection. Two persons are reported to have been killed, one of them the former intendente of La Paz and the other a soldier, and several wounded.

Guerra, according to the advices, recognizing that the coup d'etat was successful, early Monday signed a brief formal resignation.

Rumors of a counter-revolution apparently are unfounded, late advices stating that Bautista Saavedra, who headed the revolt, is in full control of the situation. Tranquility is reported throughout Bolivia, although news from eastern Beni province still is unavailable.

LIMITATION OF K. OF C. PILGRIMAGE TO FRANCE

New Haven, Conn., July 15.—Limitation of membership in the Knights of Columbus pilgrimage to France for the unveiling of the Lafayette statue by Marshal Foch, August 21, has been requested by the French government through its official tourist bureau. The announcement made by William J. McGinley, supreme secretary, from headquarters here, today stated that the membership will be set at 250. Originally the figure was set at 1,000. It was then reduced to 500 owing to prospects of limited accommodation, and now it is to be half that

BUSES ARE RUNNING AS USUAL IN BRIDGEPORT
Bridgeport, July 15.—No arrests had been made of jitney drivers up to noon today, although the buses were being run as usual through the regular routes. Lieutenant Patrick J. Flagan became chief of police at noon, succeeding John H. Redgate, retired. No orders have been issued by the new department head in regard to enforcement of the jitney ordinance, effective today.

The Connecticut company today added a number of cars to its service and have announced that more will follow as soon as crews may be obtained. Mayor C. B. Wilson held a conference today with traffic officials and jitney men's association officers, which was still in session at noon.

BRIEF STATE NEWS
Danbury.—The feed stores of the city have joined the Wednesday afternoon closing movement during the summer months.
Hartford.—According to the will of Mrs. Martha Mertens Woerner of Hart-

ford, the First German Methodist Episcopal church of this city will receive a bequest of \$300.

Thompsonville.—A carrier pigeon fell exhausted in Thompsonville the other night, and Mrs. C. O. Hamton is caring for it. The bird, evidently on a flight, carries the marks 191821314.

Madison.—This town now boasts two golf links, the old Madison golf links with James Langlands as professional and the Madison County club's new links, west of West Warf, on the old Bull farm.

Unionville.—Master Edwin Hanney, son of Mr. and Mrs. Charles E. Hanney, has made a name for himself as a speller. In the town spelling test in April he won first place. In the group contest, winners of ten towns taking part at Bloomfield in May, he again won first place. At New Haven July 7, when ten winners of group contests, representing 100 towns, for a state contest, Master Hanney came out in first place. He was graduated this summer from the grammar school as valedictorian.
