"DANDERINE" A NORWICH INTERVIEW

Mrs. Brown Tells Her Experience. The following brief account of an interview with a Norwich woman five years ago, and its sequel, will be read with keen interest by every citizen.

Mrs. Margaret Brown, 240 West Main Street, Norwich, says: "My back and kidneys were in a bad way. I suffered a great deal from a dull, heavy ache in my back. It gradually grew worse until it was almost impossible for me to get out of bed mornings. I was in that condition for nearly a year, trying different medicines without help. Finally I heard of Doan's Kidney Pills and got some at Sevin & Son's Drug Store, and I found they were just what I needed. They made me feel like a different woman, better than I had felt for years. My kidneys are now acting regularly and the pains have left."

OVER FIVE YEARS LATER, Mrs. Brown said: "Doan's Kidney Pills certainly are excellent and they do what is claimed for them. At times, when a cold settles on my kidneys and causes my back to ache, I use Doan's and they never fail to give me prompt relief."
