It was announced that the case of Louis Friedberg of Norwich had been adjourned. The case was then ordered nolle prosequi on payment of costs of \$4.50.

Friedberg was charged with reckless driving in connection with the collision of his car with one owned by Michael Maszola July 28th last. Two accidents occurred on Main street Wednesday both being slight and no one being injured to any extent.

Dennis Haggerty, parcel post carrier of the local postoffice, struck Alex Carey, small daughter of Mr. and Mrs. Andrew Carey of Valley street, inflicting slight abrasions about the legs. Mr. Haggerty was driving his motorcycle up Main street and the motorcycle was damaged when suddenly, about opposite the Hooker House, the little girl came out from behind a large auto truck.

An application of the brakes failed to avoid an accident, the result being that the girl was thrown to one side. Haggerty picked up the child and carried her home where Dr. C. E. Simonds stated that the injuries were slight.

The second accident occurred when Alex Ellison of Windham tried to pass by Dr. F. M. Smith's car while the latter was backing his car to the curb as the traffic rules require. Ellison struck the rear of Dr. Smith's car damaging it slightly. His own car sustaining a broken radiator. Ellison admitted he was at fault for the accident. Both mishaps were reported at police headquarters.
