COUNTY FARM BUREAU IS KEEPING BUSY
A number of new bulletins have been received lately at the County Farm Bureau office. The following four bulletins are probably the most useful ones: 1. Better Seed Corn, 2. Poultry Houses, 3. Co-operative Marketing, 4. Principles of Lime.

"DANDERINE"

Girls! Save Your Hair! Make It Abundant!

Immediately after a "Danderine" massage, your hair takes on new life, lustre and wondrous beauty, appearing twice as heavy and plentiful, because each hair seems to fluff and thicken. Don't let your hair stay lifeless, colorless, plain or scraggly. You too, want lots of long, strong, beautiful hair.

BOZRAH REPUBLICANS HAVE CONTESTS IN CAUCUS

A field of half a dozen candidates for the nomination for representative appeared in the Bozrah republican caucus Monday night, when a total of 66 votes was cast. Frank Palmer received 22 votes on the first ballot, but at once withdrew his name and the caucus had the names of E. S. Abel, Nathan Gilman, Warren Thompson, Herbert Beers and O. C. Gardner to vote on in the remaining ballots. E. S. Abel was the choice of the caucus when he received 34 votes.

O. C. Gardner was nominated for judge of probate, and the justices of the peace nominated were Wilfred Bailey, Charles Rathbun and E. A. Bishop.

BRICK BUILDING FOR CENTRAL WHARF

During the first ten days in October five applications for building permits have been filed with Fire Marshal Howard L. Stanton and included applications for permission to build two garages, one brick building, one cottage house and one addition. Marked progress has also been made on other projects in the city in order to complete the work before cold weather sets in.

The Peck McWilliams Company are to erect a large brick building in the rear of their present location on West Main street. The building is to be erected on the property is to be torn down and the new building erected. The new structure will be 50x50 feet and two stories high. The walls are to be of brick and the sides will be of wire lath and cement stucco. The frame will be of iron columns and the floors will be of wood. The building will be used for storage purposes.

A two-story house is to be erected for Gilbert Powers on the south side of Water street. The building is to be 23 1/2x27 feet and will be of frame construction. The interior finish is to be done in plaster with hardwood trim and hardwood floors. The exterior finish will be in clapboard and shingles.

IS ADOPTED DAUGHTER

"ISSUE" UNDER THE LAW?
Two Middlesex county cases, both from Middletown, came up for argument last week in Hartford before the supreme court. In the first case Paolo Gervasi asks for a review of the adverse decision of the court in the Robert Gair Societa Giuseppe Garibaldi. Judge George E. Hinman heard the case and rendered judgment for the defendant society.

The plaintiff was president of the society at one time. Later he was expelled. He claimed illegal action and sued to recover \$2,000 damages. The trial court found in the plaintiff's favor. In the other case the Middletown Trust Co. summoned several parties into court on the interpretation of the seventh clause of the will of the late Thomas F. Gaffey of New London. Margaret F. Gaffey of Middletown, the adopted daughter of Eugene F. Gaffey, son of Thomas Gaffey, is mainly concerned in the case.

Under the terms of Thomas Gaffey's will a sum of money was left in trust for Eugene F. Gaffey during his life, with the further provision that if he left issue the trust was to continue and its income to be expended for the benefit of such issue. If he died without issue the trust fund was to be divided equally between the other two children or their heirs.

The question raised by the proceedings is whether the adopted daughter, Margaret F. Gaffey, is "issue" within the meaning of the terms of the will. The appeal asks the supreme court to say whether the trial court erred.

SECOND TIME FRAUD REB

SKULL IN MOTORCYCLE
Henry Baier of 143 Crystal avenue, New London is in a critical condition at the Lawrence hospital, following a skull fracture received in a motorcycle accident at Station 14, Waterford, Saturday night when a motorcycle which he was riding collided with a wagon.

The accident happened while Baier was trying to pass the wagon. An automobile, the wagon, owned and driven by a man named Spolan of East Lyme and the motorcycle were going toward Niantic. The wagon was on the extreme right of the road and the automobile was a short distance ahead. Baier drove his motorcycle between the automobile and the wagon and struck the wagon.

Dr. G. Maynard Minor was hurriedly called and Baier was rushed to the hospital in this city, the physician accompanying him. Dr. Minor found his skull fractured and Dr. Harry M. Lee performed an operation. Baier had not regained consciousness Monday.

Baier suffered a fracture of the skull in a motorcycle accident several weeks ago when he was thrown from his machine in Main street in front of the Savings Bank of New London by defect in the pavement. He was in the hospital for several weeks at that time.

It is easier to earn money than it is to spend it.

Just One Application and the Hairs Vanish (Modes of Today)

A harmless, yet very effective treatment is here given for the quick removal of hairy growths: Mix enough powdered deltonate and water to cover the undesirable hairs, apply paste and after 2 or 3 minutes remove, wash the skin and the hairs have vanished. One application usually is sufficient, but to be certain of results, buy the deltonate in an original package. Mix fresh as wanted.

CURED HIS RHEUMATISM!

"I am 53 years old and I doctor for rheumatism ever since I came out of the army, over 50 years ago. Like many others, a great money tree for being cured. I have read about 'uric acid' until I could almost taste it. I could not sleep nights or sore and stiff I could not get a pen. But now I am again in active business and can walk with ease or write all day with comfort. Friends are surprised at the change. You might just as well attempt to put out a fire with oil as try to get rid of your rheumatism, neuritis and like complaints by taking treatment supposed to drive uric acid out of your blood and body. It took Mr. Ashelman 25 years to find out the truth. He learned how to get rid of the true cause of his rheumatism, other disorders and recover his strength from 'The Inner Mysteries' now being distributed free by an authority who devoted over 20 years to the scientific study of this trouble. If any reader of The Bulletin wishes 'The Inner Mysteries of Rheumatism,' overlooked by doctors and scientists for centuries past, simply send a post card or letter to H. P. Clearwater, 232-T St. Heloise, Maine. Send now, lest you forget. If not a sufferer yourself, cut out this notice and hand this card out to those who need it. Some of our friends who send with receive it by return mail without any charge whatsoever."
