

# "It's Helping My Daughter Too," Says Grateful Woman

### WOMAN-HOOD TONIC SAVED THIS MOTHER AND DAUGHTER FROM LONG HOURS OF AGONIZING PAIN FROM CRAMPS AND WOMEN'S DISEASES—WHY NOT YOU AND YOUR DAUGHTER?

"Ever since I was a little girl, I doctored for female trouble. Day after day, year after year, I suffered with cramping, hot flashes, dizzy spells and a severe pain in the abdomen. At times it would get worse and I would have to go to a doctor. It didn't seem as though I should have to go through that misery all my life. I used to lie in bed nights, unable to sleep on account of a splitting headache or that stabbing pain in my side, and wonder why women suffer if I would ever get well and be able to enjoy life like other women. My daughter grew up and I took the best care of her for I didn't want her to suffer as I have suffered. But after she passed the period when she became a woman she began to have those terrible dizzy spells and to suffer with pains at period times. Oh, how I hoped I would be able to find a remedy to help her! I couldn't bear the thought of her having to endure what I went through. Then I heard of Woman-Hood Tonic and got some. We both took it and, how good it seems, we were helped wonderfully by this medicine. My girl isn't troubled any more, and I'm free from all pain for the first time in twenty years. I can't tell you how thankful I am that my daughter and myself are now well."

The day has passed when mothers tell their daughters that the pains and illness they suffer are their lot, just because they are women. No more do mothers and daughters have to bear these pains for now Woman-Hood Tonic will drive away these troubles and build up the girls and young women so they will be able to go through the duties of their lives. If you are troubled like the woman whose statement appears above, or if your daughter isn't as well as she should be, write to me at Box 1088, Albany, N. Y., or get Woman-Hood Tonic at the drug store named below. And remember, that all dealings you have with Woman-Hood Tonic and all letters you write me will be strictly confidential as I will not give out names or addresses unless permission is volunteered.

"As Maine goes so goes the Union" may be an old political axiom, but it was a woman who directed the Pine Tree State toward Republicanism this year. Mrs. Guy P. Gannett, vice-chairman of the Republican State Committee, is the woman. She organized the new voters so well that more than sixty per cent of the votes cast in the state election were cast by women, most of them Republicans.
