WOMEN ON JURY FAVORED BY ATTORNEY JOHN H. CASSIDY

In the person of Attorney John H. Cassidy, of Waterbury, formerly of Norwich, women who aspire to jury duty have a worthy champion. The Waterbury American of Tuesday said: "In city court this afternoon a summary process case was being tried and of the 12 jurors summoned but four showed up. Two of these begged to be excused and Judge Wilder of Bridgeport, presiding, excused them. That left but two.

It was necessary to summon four more takers so Constable Palomba was instructed to go out into the corridors of the city hall and find the four. There were not four men in the corridors of the marble palace at the time, so Attorney Cassidy advised the constable to get women takers.

"But the statutes say only male voters can serve as jurors," interposed Clerk Emil Humel. "I know that very well but that statute has no effect now inasmuch as the women have been given the franchise," parried Attorney Cassidy. The court was asked for his opinion and he said he would let Clerk Humel

# Fine Complexion Conceals Age

Rid the Face of Pimples and Such Blemishes by Using Stuart's Calcium Wafer — Surprising How Youthful One Looks.

Pimples, blackheads and other such facial blemishes may be traced to an excess of impurities being eliminated through the skin and this condition calls for calcium to enable the process of elimination to be carried on more completely.

It is the Calcium in Stuart's Calcium Wafer that has given this complexion beautifier such a wonderful reputation.

The results are soon noted in a much finer texture, the gradual disappearance of the blemishes and a really beautiful complexion. This is considered the correct way to a handsome, life-like skin. Get a 50 cent box of these wafers at any drug store and observe how nicely the skin soon clears.

Attorney Cassidy started to draw up papers of appeal but in the meantime Constable Palomba had captured the four takers, so Mr. Cassidy made ready to go ahead with the trial.

The lawyer did not let the incident pass without giving his views. "Women in most cases are better qualified for jury duty because they have a clearer conception of facts," he said. "They can grasp a situation much more quickly than a man."

# Women of Middle Age

Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change in her life without experiencing a train of very annoying and sometimes painful symptoms. Those dreadful hot flashes, smothering spells, fainting spells, nervous troubles and irregularities are symptoms that should have prompt attention. These two letters prove what a successful remedy Lydia E. Pinkham's Vegetable Compound is for women at this time of life.

These Two Women Helped During Change of Life.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude for it."—Mrs. SUSAN C. STAPLES, 157 B School St., Taunton, Mass.

Philadelphia, Pa.—"I want to let you know what good Lydia E. Pinkham's Vegetable Compound has done me. I had organic troubles and am going through the Change of Life. I was taken with a pain in my side and a bad headache. I could not lie down, could not eat or sleep. I suffered something terrible and the doctor's medicine did me no good at all—my pains got worse instead of better. I began taking the Vegetable Compound and felt a change from the first. Now I feel fine and advise any one going through the Change of Life to try it, for it cured me after I had given up all hopes of getting better. I will tell any one who writes to me the good it has done me."—Mrs. MARGARET DANZ, 743 N. 26th St., Philadelphia, Pa.
