Eye Specialist and Medical Author Report on Wonderful Remedy To Strengthen Eyesight

Say It Strengthens Eyesight 50% in One Week's Time in Many Instances

New York.—Dr. Smith, a well known eye specialist, and Dr. Judkins, a Massachusetts physician and medical author, make the following reports after a thorough test of a popular remedy for the eyes: Says Dr. Smith: "When my attention was first called to it I was inclined to be sceptical but it is a safe rule to give every new treatment a chance to prove its value. Having specialized in eye work for many years, I feel qualified to express my intelligent opinion on remedies for the eyes. Since this time has been created such a sensation, I welcomed the opportunity to test it. I began to use it in my practice a little over a year ago, and I am frank to say that some of the results have been accomplished with it. I have had individuals who had worn glasses for years, and whom I have talked about it, and I advise every thoughtful physician to give Iono-Opto the same careful trial. In fact, there is no doubt in my mind that he will come to the conclusion I have, that it is the best remedy for the eyes. I have had many cases where I have had individuals who had worn glasses for years, and whom I have talked about it, and I advise every thoughtful physician to give Iono-Opto the same careful trial. In fact, there is no doubt in my mind that he will come to the conclusion I have, that it is the best remedy for the eyes.
