TERRIBLE CASE OF ECZEMA

Prominent Veterinary of Dover Suffered Tortures for Twelve Years

"FRUIT-A-TIVES" and "Sootha Salva" Finally Brought Relief

Dover, N. H. "In 1906, I began to be troubled with Eczema. It started on my face and gradually spread. The second summer, I was so badly afflicted I had to lay off work. I would keep my hands up at night to prevent digging into my flesh while asleep. I spent hundreds of dollars in seeking relief. I would go for several months without trouble and then the Eczema would break out again and I would be in for a siege of suffering. My hands, especially across the knuckles, would be so puffed and swollen I could not do any obstetrical work or operations."

It was about three months ago I chanced to read an ad. of 'Fruit-a-tives' about a person being cured of Weeping Eczema by using this remedy and 'Sootha Salva'. I bought both and in about a week, noticed an improvement. I have now used two boxes of 'Fruit-a-tives' and one of 'Sootha Salva' and am entirely free of Eczema. My flesh is clear and smooth and I am that gratified with the result that I cannot proclaim too loudly the merits of these remedies."

E. N. OLZENBAM, D. V. M. Both remedies are sold at 50c. a box, 6 for \$2.50. At all dealers or sent postpaid by FRUIT-A-TIVES Limited, OGDENSBURG, N. Y.
