BRIEF STATE NEWS
Plymouth.—Miss Ina Adrich of Wayside farm broke her wrist in slipping on the snow as she went out of the door at her home.
Woodbury.—Mrs. E. S. Boyd has presented the State Library 145 original manuscripts relating to Woodbury in the Revolutionary war, the War of 1812 and Civil war.
Northfield.—The Waterville Rod and Gun club, which has rented the clubhouse on the Wilson farm, is planning to have a Christmas party for members and their friends this (Saturday) afternoon and evening.
Southington.—Among several of the local bakers a drop in the price of bread has been put into effect during the past few days. The 15 cent loaves of bread are now selling at 15 cents, while smaller sizes are also being sold two cents lower.
Waterbury.—Parliers entered the Hunter Hill garage at 425 Watertown avenue Tuesday night or early Wednesday morning and carried off a 70-pound safe containing—just 25 pennies. Approximately 25 automobile shoes were also taken. The intruders used an automobile truck to carry out their plans and carry off their booty.
Our Need of Foreign Markets.
If the United States were entirely independent of the world then the price level would be a matter of small importance, but in view of the fact that our productive capacity is practically ten per cent. in excess of our possible consumption, it is evident that our goods must be produced at a price which will enable us to dispose of ten per cent. of them in foreign markets in order that all the productive machinery of the nation shall be continuously employed.—Mining Congress Journal.

Murray's Boston Store
Willimantic, Conn.

Your Answer To What Shall I Give Is Answered In This Store
Make up your gift list early. Bring it to this store where ample provision has been made for an unusually large Christmas. Confine your selection to the more practical things, making your choice from an assortment which is broad and diversified in its scope.
