A heavy southerly storm developed during Friday out of a butting little snow storm that marked the morning hours. It is being remarked by veteran weather observers that the great majority of the storms of the present winter are coming from southerly points. That of Friday developed into heavy rain and a hard blow.

Inspections of some retail stores in Danielson during the present week shows that it is now possible to buy many articles of wearing apparel at prices distinctly pre-war prices. This fact is moving goods, too, and the clearing out of retail stores means orders for more goods and that, in turn, means business for the mills, which means so much to the prosperity of the people of this section of the state.

Earl Geer and Don Stone, who have been with the construction force of a wire company and working near Pittsborough have returned to their homes here. John C. Kichard of Bridgeport was a visitor with friends in Danielson on Friday.

PUTNAM

Miss Mathilda Duvert of Hartford, formerly of Putnam, and George A. Covey, a member of the Hartford fire department, were married at St. Mary's church, Putnam, Friday morning at 7 o'clock. Rev. Adrien Dykeman officiated at the ceremony and also celebrant of the nuptial mass. Miss Julia Keogh of Hartford, was bridesmaid. John Campbell, also of that city, was best man.

The bride wore a gown of dark brown tulle, embroidered in oriental colors and a burned orange colored hat. She carried a shower bouquet of white roses. The bridesmaid wore a black satin with gold embroidery, and old gold hat to match. She carried pink roses. After the mass, a breakfast was served at the Putnam inn to relatives and friends.

Mrs. Covey is well known in Putnam, having attended Notre Dame Academy and she lived here up to five years ago when she attended Hamilton Heights Boarding School of Hartford, and for the last two years she has been employed in the office of an insurance company of that city. Mrs. Covey is a graduate of Hartford High and is now a member of the fire department at Hartford.

Among the out-of-town guests at the wedding were, Mr. and Mrs. George Covey and Mr. and Mrs. Murphy of Hartford. E. J. Reed, James Curley, A. D. Reilly, Thomas Connors, William Martin, Michael Gibson and H. Newton Hillman, all members of the Hartford fire department, were present.

Nothing of value was learned from the boys, however, and they finally were released and allowed to go to their homes.

The annual report of St. Mary's parish shows that the receipts for 1920 totalled \$35,541.63. The parish has a balance of \$27,000 on deposit in the Putnam Savings bank and \$18,846 in the First National bank of this city. This splendid financial condition indicates the zeal of the pastor, Rev. Charles E. Bedard, who cleared the parish of debt and has built up the big reserve. There were 143 births, 76 deaths and 69 weddings in the parish during 1920.

In Woodstock a canvass will be carried out so as to get as many people as possible to agree to attend the institute.

There seems a good prospect at present that the construction of a proposed line of the new state highway from West Thompson to North Grovesville on the easterly side of the tracks of the New Haven road will be authorized during the present year. Nothing that developed during Friday, so far as was learned here, would tend to indicate that clues had been obtained that might aid in fixing the responsibility for the robbery at the Kegan mill in Wilsonville Thursday. AN AMERICAN RED CROSS WORKER IN JAIL IN MOSCOW

Washington, Jan. 14.—Captain Emmitt Kilpatrick, American Red Cross worker, who was reported last November to have been killed by the bolsheviks, is in jail at Moscow, advised today by the state department. It was added that he was captured last October 25 while engaged in relief work along the front occupied by the Wrangel forces in the Crimea.

Kilpatrick, whose home is in Uniontown, Alabama, was captured during a cavalry raid with C. Atchey, of the Menomonee Relief Society. No word has been received of his fate since that time, according to the state department. Kilpatrick had been stripped of his underclothes in zero weather and was being led away by the raiders.

Formerly publisher of a country newspaper, Kilpatrick served with the American army in France as a lieutenant of field artillery and after the armistice as chief of the supply division of the American commission to negotiate peace. He was discharged from the army in Paris in September, 1918, and then joined the Lithuanian army as a captain and saw several months of active service on the Lithuanian-Bolshevik front. When the fighting ended he joined the American Red Cross in Paris and was ordered first to Constantinople and then to southwestern Russia.
