

DANIELSON AND PUTNAM NEWS

DANIELSON

Captain A. P. Woodward, who has been inspector of small arms practice in the Third regiment, State Guard, has been named to succeed C. G. Putnam as the headquarters company at Norwich. This will be done by February 15.

service in National and State Guard organizations in Connecticut next June. Monday, Feb. 14, at 11 a. m., rain or shine, at the residence of Clayton F. Wright, one mile north of Danielson, there will be an auction sale of useful farm tools, wagons, household goods; also 20 bushels R. J. White Cap corn of excellent quality suitable for seed. Watch for adv. in Saturday's issue of "The Bulletin" in auction columns. Witter Bros., auctioneers, office and salerooms, 42 Main street, Danielson, adv.

the re-financing plan that has been worked out and agreed upon after many conferences for the Goodyear Tire and Rubber company. The agreement reached will have to be approved by a stockholders' meeting, which will be held in a few days, and several weeks will be required to put the plan into operation, but it may be definitely stated now that the loan of \$25,000,000 has been negotiated and that all the necessary legal formalities are completed with it will be available.

At Akron today more orders for Goodyear tires are coming in than the factory, working on a restricted schedule of production, are turning out. The restricted tire output, it is said, is due to the financial tangle in which the big concern became involved, but which will be straightened out as the result of the agreement for new financing just arrived.

There will be some changes in the directing heads of the company at Akron, New York despatches stated on Wednesday. Girls in Everything closed a three days' engagement which was successful at the Orpheum theater on Wednesday. The company included many players of ability and the stage settings and other accessories to presenting the series of entertainments were pleasing.

A group of friends of Alton Elbridge and his son, Howard, recently surprised them at their home on Center street and gave a party in their honor. Refreshments were served and the evening was given over to various social diversions. Danielson might acquire a new industry and a valuable one, provided a suitable location with plenty of water available and near the railroad could be obtained in another town, lost its location through a disastrous fire, but the business is being over to various social diversions. The industry, which has been located in another town, lost its location through a disastrous fire, but the business is being over to various social diversions.

Judge J. N. Tucker, of East Killingly, has called attention to the fact that many of the members of the primary grades at the East Killingly school, has recently come into possession of a very interesting historic document, the original commission issued to his grandfather, William Warren, as a lieutenant in a company in Colonel John Nixon's regiment of foot raised for the defense of the Massachusetts Bay colony. The commission is dated May 19, 1775, and is signed by General Warren, who was killed less than a month afterwards at the battle of Bunker Hill. The commission also bears the name of Samuel Freeman, an secretary.

William Warren was sworn into the service June 16, 1775, by Jonas Dix, a justice of the peace, and the well founded suspicion is that he participated in the battle on the following day. It will require several more months, it is stated, to complete the repairs to the water power plant of the Connecticut company at the Dyer dam. The big

wastage that occurred there during the summer of last year tore out a great amount of concrete work and the restoration of the construction is difficult, expensive and long drawn out job. In the meantime the trolley company has arranged for and is obtaining power from the Eastern Connecticut Power company. Many members of the Killingly High school accompanied the basketball team to Putnam Wednesday evening to see the game with P. H. S., one of Killingly's leading rivals in the Quinebaug Valley league.

Lower prices on butter and eggs are being quoted here at the present time. Some farmers were offering butter for 64 cents per pound on Wednesday. It was announced that Rose of Lima council, K. of C., is making arrangements for an after-dinner concert and ball. Louis Maynard, one of the Breemen who was dangerously injured recently at a Providence race, in which other members of the department were killed in the husband of Mrs. Elise St. Onge Maynard, formerly of Danielson, was killed in a race at Putnam.

Another set of games in the pinocle tournament, that is, interesting. Bowmen club members will be played at the club rooms this evening. The automobile of County Agent David of Putnam which was damaged when it was struck by a train at a grade crossing in Packerville, Mr. Davis escaping injury, attracted attention as it was being towed through Danielson on its way to Putnam.

Broad street at the present time is one of the worst of our thoroughfares in Danielson and is fairly veined with deep ruts, making travel through it a thrilling experience in a motor car. W. S. W. is endeavoring to set out a large number of fruit trees on the Shepard Hill farm, near Wauregan, during the coming season. The special evangelistic meetings at the Baptist church are in their 11th and 12th meetings. Tuesday night 21 members of the East Killingly Baptist church attended in a body and took a special part in the song service. A delegation from the Baptist church in Putnam attended Wednesday evening. Friday evening is especially designated as Church School night with every class in attendance. At this service the school orchestra will assist in the music. Henry Leach of Wauregan, singing solo, and Putnam people have also stated that they will visit in large numbers, and as a special treat to the home people will be the singing of the "Star Spangled Banner" by the school orchestra.

In 1888 he entered the dry goods store of H. C. Murray in Williamstown, and shortly after when the latter started a branch store in Putnam he took in Mr. Bugbee as a partner. Soon after Mr. Bugbee bought out Mr. Murray's interest and built up one of the leading dry goods stores in Eastern Connecticut. He retired from business about a year and a half ago. While in the house Mr. Bugbee delivered the address in presenting to the state the address of the building of the historic Wolf Den, which now houses in the executive chamber. His term will expire on the first Monday in January, 1925.

County Agent F. L. Davis, who is a resident of this city, had a narrow escape from death in Packer on Tuesday when the automobile he was driving was struck by a train at a grade crossing. The front end of the machine was damaged. Mr. Davis escaped unhurt. The big board is erected with a view to permanency, is attractive in design and is lighted by a series of electric lights so that those who pass at night may see the road. The other rooms for the department want them to know about regulations of the motor vehicle laws of Connecticut. This is one of a number of such boards to be erected just inside the Connecticut border where interstate improved highways carrying heavy streams of traffic from adjoining commonwealths. The word "WANTED" in red letters heads a list of "don'ts" for operators of cars coming into this state. The list includes a practically complete code of information relative to speeds, limits of loads, car equipment, kinds of wheels for trucks and much other valuable information.

CARE OF THE HAIR

A New York woman says: "I have used Parian Sage only two weeks but my hair has wonderfully increased in beauty, seems much heavier, and is entirely free of dandruff." The Lee & Osgood Co. sells it with money back guarantee.

Anyone having the slightest taint of rheumatism should drive it out quickly. Rheuma has done it for thousands and should give you the same satisfying results. Money back if it fails, says the Lee & Osgood Co. No red tape to this offer.

PUTNAM

It was announced Wednesday that Governor Everett J. Lake has appointed Byron D. Bugbee of this city a member of the finance board of the state. The appointment is to fill the unexpired term of Robert Magee of Watertown, who died recently.

Mr. Bugbee is one of Putnam's best known residents and represented the town in the general assembly during the session of 1919 and at the constitutional convention in 1920. He was born in Millbury, Mass., on March 21, 1864. He received his education in Webster, Mass., and during his vacations worked in dry goods stores. His father was Alonzo A. Bugbee.
