

LEONARD TRUMPHS OVER WELING

St. Louis, Feb. 24.—Benny Leonard, lightweight champion, easily outpointed Joe Weling of Chicago in an eight-round no-decision bout here tonight, according to newspaper men who witnessed the contest.

N. Y. AMATEUR BOXERS SCORED

VICTORIES IN FOUR CLASSES
New York, Feb. 24.—New York amateur boxers scored victories in four of the eight classes in the inter-city boxing tournament which ended here tonight. Pittsburgh boxers were second with three victories and Philadelphia was third with one. The Boston team did not score.

The inter-city championship was in doubt until the last bout, the final in the light-heavyweight class, in which Magnus Larsen of New York knocked out J. Rink of Pittsburgh. Rink had decided by the better of the contest until the moment when Larsen slipped a right to the jaw which sent the Pittsburgher down and out. The final blow came after one minute and 25 seconds of fighting in the first round.

Eight knockouts were recorded in tonight's contests.

TENNIS TOURNAMENT AWARDED

TO MEMORIAL CRICKET CLUB
Philadelphia, Feb. 24.—The intercollegiate tennis tournament for 1921 has been officially awarded to the Memorial Cricket club, it was announced here today. Although no date has been set, it probably will be from June to August.

The change from September to June was made at the request of the college players who argued that they were in much better shape for hard play at the end of the spring season of dual meets than at the end of the summer vacation. Final decision as to the date will be made at the meeting of the executive committee of the United States Lawn Tennis Association in New York next month, when the schedule of all mentioned tournaments will be drawn up.

ATLAS CLUB COMING TO BALTIMORE TO PLAY ACES

The Atlas club of South Manchester will play against the Baltic Aces Friday night in Baltimore. The visitors are noted for having a good baseball club. The Aces will have their old center, Fred Erickson, back in his old position and Swanson, who received an injury in the game at Colchester will also be in the lineup.

The Aces are playing at Fort Wright Saturday night and at the Submarine Base on Monday night.

Owing to an increase in expense of getting these two clubs for Friday night it is necessary to charge a slight increase in admission.

FOOTBALL GAMES BY PLAYS

DOES AWAY WITH STALLING
Boston, Feb. 24.—The proposal to regulate football games by plays instead of time was supported Wednesday by Mayor F. W. Cavanaugh, head coach of the Boston College eleven. The suggestion of Harry H. Coffin, a Harvard graduate, which will be presented to the football rules committee at its forthcoming meeting in New York, was termed by Cavanaugh a step in the right direction.

"In any other sport 'stalling' is discouraged and penalized," Cavanaugh said. "In football, however, the opportunity for skilful 'stalling' and the right to 'stall' are regarded by some leading teams as an heirloom passed down through college generations and most of these teams make full use of it. There is nothing sportsmanlike about the practice and it should not be allowed. Limiting the number of plays of the contest by the number of downs would largely accomplish the result, I believe.

"The quality of generalship used would have a tendency to improve, for the player directing the eleven would be enabled to know exactly how many plays were at his disposal in which to reach the objective. The guesswork a time, as under the present system, would be eliminated.

"I do not believe that the difficulties of counting the plays will be a considerable bar to the adoption of the plan."

SENIOR ATHLETES

BUSY ON HEXATHLON
Much interest is being manifested in the coming Y. M. C. A. Hexathlon meet, the local competitor of which will be conducted in the Y gym next Monday night.

The Hexathlon meet which is a meet open to all Y. M. C. A.'s in this country includes a program of six standard all round events and is designed to determine the Y. M. C. A. athletic supremacy of the country. Due to the fact that it would be impossible to hold the meet in one locality, each association will compete on its floor at a specified time, adhering rigidly to set rules governing the contest. The records are reported to national headquarters and compared and the winning associations declared.

Among those who have shown up especially well in the try-outs and will compete Monday are: H. C. Markoff, M. Markoff, A. Pineault, E. Pineault, A. Shatz, B. Alexander, A. Grebe, L. Terpesta, G. Goldfaden, S. Bober and S. Chase.

BRAVES TO CHANGE COLOR AND PATTERN OF ITS STOCKINGS

Boston, Dec. 24.—The Boston National league baseball team is to change the color and pattern of its stockings in an effort to bring a shift in its luck in pennant race, Manager Fred Mitchell announced today.

Instead of red and blue horizontally barred socks, the new shin coverings will be solid blue, with white feet. Another innovation in the uniform will be a blue "V" on the blouse, instead of the Indian head which for years had been the Braves' insignia.

LID ON PROFESSIONAL BOXING IN DENVER

Denver, Feb. 24.—Phillip Van Clee, newly elected district attorney of Denver, clamped the lid on professional boxing today when he announced he would arrest boxers engaging in a bout in Denver for pay.

The district attorney declared the state law prohibited prize fighting and he interpreted the law to bar all bouts where any principal received pay for participating in a ring contest. Boxing has flourished in Denver for several years.

MOOSUP ROLLING STRONG IN TROLLEY LEAGUE

In the Trolley league matches rolled last night Moosup bowlers rolled in great shape, piling up a good score, and came near breaking the record for team total. Moosup hit the marks hard in their match with Jewett City on the latter's alleys, rolling a total pinfall of 1782, one pin behind the record set by their two weeks ago. Potvin proved to be the leader of the match, winning the honors for high single, 155, and high three, 416. Tatville won the best two out of three games from the Aetna on the Aetna alleys. Individual high score was rolled by Pepin with 137, and high three went to Edwards with a pinfall of 359. The scores:

BREED THEATRE BOWLERS TAKE THREE FROM STRAND

The Breed quintet, playing to a crowded house, took three straight games from the Strand company on Thursday evening in the Theatre league on the Aetna alleys. The Breed boys in the first game won by a large margin, but in the next two games their margins were small, and a spare or strike would have brought the houses down for either side. Bill Malone was seen in the stellar role, with Capt. "Red" Oxley pushing him hard for honors. Bill took high total while "Red" carried off high single. The cast of characters follows:

Honest Advertising.

This is a topic we all hear now-a-days because so many people are inclined to exaggerate. Yet has any physician told you that we claimed unreasonable remedial properties for Fletcher's Castoria? Just ask them. We won't answer it ourselves, we know what the answer will be.

That it has all the virtues to-day that was claimed for it in its early days is to be found in its increased use, the recommendation by prominent physicians, and our assurance that its standard will be maintained.

Imitations are to be found in some stores and only because of the Castoria that Mr. Fletcher created. But it is not the genuine Castoria that Mr. Fletcher honestly advertised, honestly placed before the public and from which he honestly expects to receive his reward.

Children Cry For Fletcher's CASTORIA

Special Care of Baby. That Baby should have a bed of its own all are agreed. Yet it is more responsible for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of that same infant. Either practice is to be shunned. Neither would be tolerated by specialists in children's diseases.

Your Physician will tell you that Baby's medicine must be prepared with even greater care than Baby's food.

A Baby's stomach when in good health is too often disgraced by improper food. Could you for a moment, then, think of giving to your ailing child anything but a medicine especially prepared for infants and children? Don't be deceived.

Make a mental note of this:—It is important, Mothers, that you should remember that to function well, the digestive organs of your Baby must receive special care. No Baby is so abnormal that the desired results may be had from the use of medicines primarily prepared for grown-ups.

FINANCIAL AND COMMERCIAL

MARKET WAS UNSETTLED

New York, Feb. 24.—The stock market was very nervous and unsettled today, various developments in the course of the fairly active session giving material acceleration to the further upward course of quoted values.

Chief among the announcements that one of the largest of the independent steel manufacturers in the Pittsburgh district, following the example set by its competitors had ordered a 25 per cent. wage reduction, effective on March 1st.

This was accompanied by gossip on the stock exchange that an "open market" or severe price cutting was in the air, but in well informed quarters such action was regarded as highly improbable, or at least premature.

Another unexpected incident was the suspension of the quarterly dividend on Ajax Rubber. While causing no surprise in view of financial statements recently issued by that company, the effect upon rubber issues was somewhat startling.

Advices dealing with latest aspects of the chemical and fertilizer trades connected with the steel industry, respecting those industries and gave added force to the persistent pressure directed against those stocks by professional investors.

Steel, equipments, shippings, oils, motors and their accessories, as well as copper, food and tobacco shares, were included in the decline, with sundry specialties, involving the mail order group at net losses of 1 to 5 points, but reactions among rats were relatively unimportant. Sales amounted to 635,000 shares.

Call money again held at the fixed rate of 7 per cent, and time funds were available in moderate amounts for the shorter dates. Reaction on London eased and the entire continental list of remittances eased appreciably.

The feature of the irregular bond market was the decline of Liberty 3 1/2's below 91. Most of the domestic and foreign issues were variably lower, especially industrials. Total sales (par value) aggregated \$10,175,000.

CHICAGO GRAIN MARKET

Chicago, Feb. 24.—Wheat had a decided advance in the wheat market today owing to uncertainty regarding the industrial outlook. Prices closed heavy, 3 1/4 to 4 1/4 lower with March 1.87 to 1.87 1/2 and May 1.56 3/4 to 1.57. Corn finished 1 1/4 to 1 1/2 down, oats off 7/8 to 1 1/4, and provisions at a setback of 7 to 22c.

Wheat values began to shrink as soon as the market was open. Washington dispatches telling of the militant position which labor union had taken as to injunctions and other related matters was clearly the main factor. The majority of traders appeared to be impressed with a belief that prospects of better business conditions soon had been dimmed. Much of the selling that took place was said to be in the nature of liquidation. Rallying power failed to develop, a special reason being a report that the board of the bank at Dallas, Tex., was advising farmers to sell.

On the decline in prices, Italy bought 400,000 bushels. Corn and oats sagged with wheat, despite assertions that Germany would import 18,500,000 bushels of corn to cut down wheat requirements. Big arrivals of corn had considerable bearish effect.

Weakness in provisions was ascribed to the downturn in the grain markets.
