The stranger told a plausible story of hard luck, gave a name and a place of residence here. The whole story seemed so real that the woman did not doubt the truth of it and handed over the money.

SON, YOU'RE LOOKING FINE

The Most Glorious Sensation of All is to Get Back into the Game.

Ask anyone whose nerves seemed to have gone to smash and the last thing he remembers is a burning out of the blood, how it feels to come back. Ask the host of men and women who have used Reolo. Here is one of the most astonishing reconstructive influences ever devised. It is a marvel for the many ways it seems to act. And it acts almost at once. Safe, harmless, of food value, yet all medicine, it seems to have almost the quality of actual intelligence. It has the power to increase flesh, it enhances the activity of the entire organism, puts iron in the blood, lots of it, increases red corpuscles enormously, takes the pallor out of the cheeks, contributes to the defense of the body against exhaustion, and intensifies the activity of the vital processes to such an extent that you not only look like a winner, you feel it from head to foot. Ask any clerk at James C. Mara's, and any other leading drug store what a host of men and women have gained almost a wonderful reconstructive strengthener. Get a 1.00 box of Reolo today.
